I am writing you because, I hope  
you are adding up to one  
dollar or more per year, it will  
follow that see to you and  
then you may handle it as  
if it was a usual application  
for membership in the national  
F.P.C.C.

In any event I will keep  
you posted, you know if the office  
stays open for only 1 month more  
people will find out about the  
F.P.C.C. than if there had never  
been any office at all, don't  
you expect?

Please feel free to give  
advice and any other help.

Yours truly  
Joe H. Powell

all at a cost of a committee in  
new York where Tom must see  
with them from here.

But then may pay a dollar a  
month to their own chapters after  
having received their membership  
card from my office to their  
office I think such a plan

system would be much easier  
to the office.

I will promise only a membership  
card and a chapter vote to future  
members. That is, I must request you  
to extend them national I. O. O. F.  
mailing for their one dollar a month.

As you will notice on the  
membership sheet there is a place  
for those who do wish to subscribe  
to the national mailings for the  
fee of \$5.00, that fee will go  
directly to your own office.

Dear Mr. Lee

It was a pleasure to receive your  
letter concerning our plan of starting  
a new Bureau F. J. C. C. Chapter. I  
hope you will be the dispenser  
of my congratulations but I do think  
they are necessary for this area.

As per your letter, I have  
written a letter to the effect

against your advice, I have  
decided to take an office from the  
very beginning.

As you see from the circular  
I had signed the gun on the  
circular however but I don't  
think it is too important, you may  
think the circular is too premature,  
but I want it to attract attention
