REPORT HOUSE OF STUDIES
2000 LINDA LANE
MOBILE, ALABAMA

August 1, 1963

Dear Mr. Powell:

This is just a very brief note to express my thanks for the sale you gave us on Russia Saturday, July 27th. I feel that I came away from your talk with an understanding of the Russian people as a people, with their goals, problems, and everyday human feelings, something that is quite easy to forget with all the threats of war hanging in the air. I find your talk has helped to make me a broader and a wiser person, one who is more sympathetic in my thinking. I hope in the future both America and Russia can draw closer to one another and thereby increase in friendship and understanding.

I also wish to tell you that I am very glad you search for truth and your living in Russia, and I hope you have or will find it.

You can be assured of a permanent remembrance in my prayers and aspirations, you, your wife, and your family.

With sincere regards,
Paul P. [Signature]

Dear Mr. Kelley:

In answer to the question raised in your recent letter, you would request that at the point of exit on your visa. Although it is anticipated that for economy reasons full travel through West is a part of authorization will be required, it would be a good idea to have a passport if you could have those stamped with an expiration date. This will's visa would be in the left of my copy page.
