MR. ZIP

THIS  
ZIP CODE  
70115  
FOR THIS  
DELIVERY  
AREA

# ZIP CODE IS HERE!

**WHAT IS IT?** It's a new nation-wide zone system to improve your mail delivery. **HOW DOES IT WORK?** It's an extension of the old familiar local zone system, insuring faster, more efficient service to any delivery point in the United States. New ZIP Code has five digits. Here's the number that applies to my delivery station serving you.

*Detach and Keep*

Add the ZIP Code to your return address, after the city and state. The people you write to will use it in answering your letter. Our clerks will spot it and immediately speed it on to your delivery area, with fewer handlings.

Ask the people with whom you correspond to use ZIP Code. Jot down the ZIP Code for the persons to whom you write most frequently, then use it!

Keep this card for ready reference. Use ZIP Code—the last word in mail addresses.

Thank you

Your Letter Carrier
