My Dear Rev. Howell,

I have just received your letter and it is apparent to me that there is a misunderstanding somewhere. My reasons for wishing to have the children return are due to the fact that when I marry I shall have to travel with my husband to such places as he may have to work. We are not able to establish a home now for the children because Mr. Eckdall's work takes him from city to city. He was only in Dallas a few months when he was transferred to New York then to Denver, now Fort Worth. He expects shortly to be transferred to New York but then expects to be sent out again to some other locality for a few months. Under the circumstances it is impossible for us to take the children, traveling, living at hotels, and attempting to arrange for their schooling. For these reasons I think you will understand better why I wish to have the boys return to the home. They are more than willing to go since it was their home for the past few years. I would rather they stay there than in some strange boarding school. I must ask you if you will please present them

circumstances to the Board of Directors again
and prevail upon them to reconsider their
decision so that the boys may have a
permanent place of abode in preference
to moving them from school to school.

APPLICATION COMMITTEE:

No written report received, however, Pastor Honold reported verbally on several cases as follows:-

A member of the Board of Directors of the Home for Incurables advised that they would return \$150.00 of the money paid them for the care of Miss. Hilda Poeck.

A case was submitted by Pastor Nau from Redeemer Church involving a boy 10 years of age, ¹ boy 8 years and another 2 years. The mother was married to a Mr. Pic ~~who died~~, later married to a Mr. Oswald who has also died. While she has some money left from insurance policies finds it necessary to seek employment and would like to have the children placed in the home. Pastor Nau was informed we could do nothing about the boy 2 years old, but something might be done about the other two children. Matter placed in the hands of the Committee with full power to act.

HAUPT CASE: Mr. & Mrs. Geo. Haupt requested permission to take their niece 8 years old with them for the Christmas Holidays. The mother has given permission. ~~Pastor Honold~~ They would like to take the child permanently and Pastor Honold suggested they take legal adoption proceedings. The mother is not willing to agree to such proceedings. Another plan was suggested. The foster home arrangements whereby we would release the child to Mr. & Mrs. Haupt and still retain guardianship over her. The mother is willing to agree to such an arrangement, which would have to be worked through the ~~Juvenile~~ Juvenile Court. On motion made seconded and passed the matter left in the hands of the committee with full power to act.

The report was then adopted as a whole.

SUPERINTENDENT'S REPORT:

Superintendent also advised that all children has been placed in different homes Thanksgiving Day. The Film of the home had been shown in Passcagoula and while the attendance was not very good the collection amounted to \$20.50. Pastor Honold suggested we try and get the parents and relatives of the children to take them from the home during the Christmas Holidays after the Christmas Eve. celebration. The matter was left to the discretion of the Superintendent.

SCHOOL BOARD: No report. Mr. Heintzen suggested that we include in the Pension Plan our teachers Mr. Koschmann and Miss. Anna Wegner. On motion made, seconded and passed this was approved.

Oct. 13, 1942

My Dear Rev. Howell,

I have just received your letter and it is apparent to me that there is a misunderstanding somewhere. My reasons for wishing to have the children return are due to the fact that when I marry I shall have to travel with my husband to such places as he may have to work. We are not able to establish a home now for the children because Mr. Eldell's work takes him from city to city. He was only in Dallas a few months when he was transferred to New York then to Austin, now Fort Worth. He expects shortly to be transferred to New York but then expects to be sent out again to some other locality for a few months. Under the circumstances it is impossible for us to take the children traveling, living at hotels, and attempting to arrange for their schooling. For these reasons I think you will understand better why I wish to have the boys return to the home. They are more than willing to go since it was their home for the past few years. I would rather they stay there than in some strange boarding school. I must ask you if you will please present them

circumstances to the Board of Directors again
and prevail upon them to reconsider their
decision so that the boys may have a
permanent place of abode in preference
to moving them from school to school.
