AUTOBIOGRAPHY

I, Oswald, Marina Nikolaevna, born Prusakova, M. N., was born July 17, 1941, in Severo-Dvinsk (former Molotovsk), Arkhangelskaya Oblast. I lived with my mother and stepfather in Leningrad, where I graduated from the secondary school and entered the Leningrad Pharmaceutical School. My mother died in 1957. On graduation from school, I was retained for work in Leningrad. Due to family circumstances, I worked for the last 2 years (up to 1962) as an assistant at the pharmacy of the 3rd Clinical Hospital in Minsk, residing at the home of my maternal uncle (Prusakov, Ilya Vasilevich), and subsequently was married. In February, 1962, a daughter, June Lee Oswald, was born to us. My husband is an American by nationality, and so we found ourselves in America. But a year later, I am applying for a visa for entry into the USSR and beg you not to deny my request. My husband remains in the U. S. A.

/s/ Marina Oswald.

Consular Section,
Comrade Reznichenko

from Oswald, Marina Nikolaevna

Dear Comrade Reznichenko!

I received two letters from you in which you requested me to indicate the reason for my wish to return to the USSR.

But first of all, permit me to apologize for such a long silence on my part and to thank you for a considerate attitude toward me on the part of the Embassy. The reasons for my silence were certain family "problems" (if one can express it this way) which stood in the way. That is also one of the reasons why I wish to return to the Homeland. The main reason, "of course" (sic), is homesickness, regarding which much is written and spoken, but one learns it only in a foreign land.

I count among family "problems" the fact that in the middle or the end of October, I expect the birth of my second child. This would have probably complicated matters for me, because I would not be able to work during the first few months. And yet, I have no one from whom I could expect help, for I have no parents. My relatives were against my going to America and, therefore, I would be ashamed to appeal to them. That is why I had to weigh everything once more before replying to your letter.

But things are improving due to the fact that my husband expresses a sincere wish

TRANSLATED BY:

to return together with me to the USSR. I earnestly beg you to help him in this. There is not much that is encouraging for us here and nothing to hold us. I would not be able to work for the time being, even if I did find work. And my husband is often unemployed. It is very difficult for us to live here. We have no money to enable me to come to the Embassy, not even to pay for hospital and other expenses connected with the birth of a child. We both urgently solicit your assistance to enable us to return and work in the USSR.

In my application I did not specify the place in which I would like to live in the Soviet Union. I earnestly beg you to help us to obtain permission to live in Leningrad where I grew up and went to school. I have a sister and a brother of my mother's second marriage there. I know that I do not have to explain to you the reason for my wish to live precisely in that city. It speaks for itself. I permit myself to write this without any desire to belittle the merits of our other cities. Moreover, it would be easier for me to find employment in Leningrad, since there are more pharmacies there and additional personnel are needed. For instance, where I came to Minsk from Leningrad, I could not find work in my specialty for quite a long time, because they had sufficient personnel.

These are the basic reasons why I and my husband wish to return to the USSR. Please do not deny our request. Make us happy again, help us to return that which we lost because of our foolishness. I would like to have my second child, too, to be born in the USSR.

Sincerely and respectfully,

/s/ M. Oswald

"I was unable to remain in Mexico indefinitely because of my mexican visa restrictions which was for 15 days only. I could not take a chance on requesting a new visa unless I used my real name, so I retured to the United States.

"I had not planned to contact the Soviet embassy in Mexico so they were unprepared, had I been able to reach the Soviet Embassy in Havana as planned, the embassy there would have had time to complete our business.

"Of course the Soviet embassy was not at fault, they were, as I say unprepared, the Cuban consulate was guilty of a gross breach of regulations, I am glad he has since been replced.

"The Federal Bureu of Investigation is not now interested in my activities in the progressive organization 'Fair Play for Cuba Committee', of which I was secretary in New Orleans (state Louisiana) since I no longer reside in that state. However, the F.B.I. has visited us here in Dallas, Texas, on November 1st. Agent James P. Hasty warned me that if I engaged in F.P.C.C. activities in Texas the F.B.I. will again take an 'interest' in me.

"This agent also 'suggested' to Marina Nichilayeva that she could remain in the United States under F.B.I. 'protection', that is, she could defect from the Soviet Uion, of course, I and my wife strongly protested these tactics by the notorious F.B.I.

POLITICAL OPINIONS

In an interview of December 16, 1963, subject said she had laughed at many of LEE HARVEY OSWALD's ideas and opinions of political philosophy. On December 19, 1963, she advised she had not been interested in conversing on political ideas with OSWALD. She has maintained throughout these interviews she personally does not have any political opinions. She has stated she has nothing against either Russia or the United States. She has also stated she desires to remain in the United States and is grateful to the United States for the privilege of living here and is grateful to the American people for the many contributions made to her.

BIRTH OF AUDREY MARINA RACHEL OSWALD

Mr. C. JACK PRICE, Administrator, Parkland Memorial Hospital, Dallas, Texas, made available records on April 13, 1964, to Special Agents A. RAYMOND SWEITZER and EUGENE F. PETRAKIS. These records reflected MARINA OSWALD was admitted to this hospital on October 20, 1963, and gave birth to a white female on October 20, 1963. These records include a copy of the birth certificate of AUDREY MARINA RACHEL OSWALD, born October 20, 1963, Dallas, Texas, father LEE HARVEY OSWALD, mother MARINA NICHLAOVA PAROSKOVA, Dallas County Birth Certificate No. 19133.

FUNDS

On December 29, 1964, Mr. DECLAN FORD, 14057 Brookcrest, Dallas, Texas, advised that he acts as agent and advisor to MARINA OSWALD. He advised MARINA OSWALD at the present time is residing at 629 Belt Line Road, Richardson, Texas, with her two children, JUNE LEE and AUDREY MARINA RACHEL OSWALD.

He further advised that immediately following the assassination of President KENNEDY, subject resided first at the Inn of the Six Flags in Arlington, Texas, and then at the home of Mr. JAMES HERBERT MARTIN, 11611 Farrar Street, Dallas, Texas.

Immediately following the assassination and continuing for a long period of time thereafter, subject received hundreds of letters from all over the United States and many of these letters contained checks and money for subject. He said subject

DL 105-1435
WRH/jtf

had also received letters from foreign countries, but practically all the money contributed to her had been contributed by people residing within the United States. These letters are maintained in filing boxes at the home of MARINA OSWALD at the present time.

The amount of money contributed voluntarily by these persons amounted to approximately \$70,000 according to Mr. FORD. Subject had signed a contract with JAMES HERBERT MARTIN authorizing him to act as her agent and had signed another contract with JOHN M. THORNE, Attorney at Law, Grand Prairie, Texas, authorizing him to act as her attorney. According to FORD, these contracts called for each of these persons to receive a certain percentage of the earnings of MARINA OSWALD. FORD stated that on approximately February 9, 1964, MARINA OSWALD decided to dispense with the services of both MARTIN and THORNE, which she did. Legal litigation resulted and, thereafter, subject retained another attorney, WILLIAM A. MC KENZIE of Dallas, Texas. FORD stated subject made a cash settlement with MARTIN and THORNE in the amount of approximately \$12,000, which was paid out of the contributions she had received. In addition, she paid her attorney, Mr. MC KENZIE, approximately \$14,500 for his services.

FORD stated MARINA OSWALD had received from "Life" magazine the sum of \$5,000 for permission to that magazine to publish a photograph on the cover of one issue, such photograph depicting LEE HARVEY OSWALD holding a rifle. In addition, she received \$20,000 from "Life" magazine for the granting of permission to that magazine to publish the diary of LEE HARVEY OSWALD. FORD also said subject had received an additional sum for appearances before television news networks at the time of the release of the Warren Commission's report.

Mr. FORD advised MARINA OSWALD at the present time is collaborating with a writer on a book to be published. This writer is Miss PRISCILLA JOHNSON whose permanent home is in Boston, Massachusetts. Mr. FORD advised Miss JOHNSON has spent a number of weeks in Dallas collaborating with subject on this book which will deal with the life of MARINA OSWALD.

DL 105-1435
WRH/jtf

Mr. FORD advised MARINA OSWALD pays \$125.00 a month for the rent of her home at 629 Belt Line Road in Richardson, Texas. In addition she pays the utilities on that home.

She has paid from her funds the expenses of herself, MARTIN and THORNE on a trip to Washington, D. C., in February, 1964, when MARINA OSWALD testified before the Warren Commission. She also paid the expenses of herself and her attorney, WILLIAM A. MC KENZIE, to Washington on a second occasion when she testified before the Warren Commission.

FUTURE PLANS

On December 29, 1964, Mr. DECLAN FORD advised MARINA OSWALD has accepted an invitation to attend an eight-week special course in the English language offered at the University of Michigan, at Ann Arbor, Michigan, and will depart from Dallas by plane on January 3, 1965, in order to begin attendance at this school on January 4, 1965. Her present plans are to leave her children in Richardson, Texas, in care of a neighbor and supervised by Mr. and Mrs. FORD. Mr. FORD advised the Reverend ERNEST CAMPBELL, First Presbyterian Church, Ann Arbor, Michigan, has made arrangements for a residence for MARINA OSWALD.

FORD advised it is subject's intention to return to Richardson, Texas, for residence following the completion of the course at the University of Michigan.

As previously reported, subject, widow of LEE HARVEY OSWALD, is currently attending the English Language Institute, University of Michigan, Ann Arbor, Mich., under the sponsorship of an area church group.

ROLLAND GAINSLEY, Chief, Ann Arbor, Mich., PD, (NA), has advised that through liaison with the University of Michigan, he has provided some assistance to that university in connection with visit of subject. He said University of Michigan administrators were most concerned that some protection be afforded subject, and that possible measures be taken to insure her privacy and safety during her stay in this area. He said his department has discreetly covered her few public appearances at the time of her arrival, her "press conference", and have given some limited escort service on request.

He noted her area residence has not been made public, and efforts of her host church, university officials, and her counselor at the University, have all been aimed at maintaining her privacy. All of her correspondence arriving at the University is screened for her at her request by a University employee, she being given only that material which is personally meant for her.

Chief GAINSLEY noted the course of instruction being undertaken by subject is a most intensive course, demanding some seven hours of class and language lab work daily, six days a week. He said that in their limited experience to date, university precautions against this visit were unnecessary, as subject has created very limited interest locally after an initial flash of publicity. She has become lost on the Michigan campus as "just another student".

Mr. DECLAN FORD, 14057 Brookcrest, Dallas, Texas, who is the agent and advisor of MARINA OSWALD, advised 2/1/65 MARINA OSWALD's present plans are to return to Richardson, Texas, at the end of February, 1965. He stated he does not have a great deal of information concerning MARINA OSWALD's present activities other than she is attending her classes at University of Michigan. FORD said he did not know of any acquaintances MARINA OSWALD had in Ann Arbor or Detroit, Michigan, at the time she entered the University of Michigan. He stated he could not identify any person who might be a brother of a close friend of MARINA OSWALD in Dallas.

FORD advised his wife and he, along with MARINA OSWALD, had attended a New Year's Eve party with various actors from the Dallas Theater Center. He advised MARINA OSWALD had become acquainted with various of these actors and it is very possible one of these actors had a friend or relative in Detroit with whom he suggested that MARINA contact upon her arrival in Michigan.

FORD advised he would contact Dallas Office concerning any information he receives concerning activities of MARINA OSWALD.

Re: Marina Nikolayevna Oswald

Rolland Gainsley, Chief, Ann Arbor Police Department, Ann Arbor, Michigan, has advised that through liaison with the University of Michigan (U of M), he has provided some assistance to that University in connection with visit of Oswald. He said U of M administrators were most concerned that some protection be afforded Oswald, and that possible measures be taken to insure her privacy and safety during her stay in this area. He said his department has discretely covered her few public appearances at the time of her arrival, her "press conference", and have given some limited escort service on request.

He noted her area residence has not been made public, and efforts of her host church, University officials, and her counselor at the University, have all been aimed at maintaining her privacy. All of her correspondence arriving at the University is screened for her at her request by a University employee, she being given only that material which is personally meant for her.

Chief Gainsley noted the course of instruction being undertaken by Oswald is a most intensive course, demanding some seven hours of class and language lab work daily, six days a week. He said that in their limited experience to date, University precautions against this visit were unnecessary, as Oswald has created very limited interest locally after an initial flash of publicity. She has become lost on the Michigan campus as "just another student".

Re: Marina Nikolaovna Oswald

The above source on recontact February 10, 1965, advised that a comment was made on the NBC Network television program "That Was the Week That Was", February 9, 1965, to the effect that two Michigan coeds had "beaten up" Marina Oswald. Source advised that considerable press concern resulted from above report and the matter was carefully looked into by University authorities and local law enforcement agencies. Source stated there was no assault of Oswald and the report was completely unfounded and without basis in fact.

Source advised that Oswald continues her enrollment at the U of M and that she is scheduled to complete her course in the English Language Institute February 26, 1965.

Bureau liaison learned from INS on 4/5/65 that Lois A. Turney, Information Section, INS, Washington, D. C., received an anonymous telephone call on that date containing a threat against the life of Marina Oswald. The telephone call was received at 1:20 p.m. by Turney from an unknown man. He said that if Marina Oswald becomes a U. S. citizen, he would kill her with his own hands. According to Turney, the man repeated this several times. Turney suggested the caller put his threat in writing and have it made a part of the records but the caller said he wouldn't sign anything. The caller also said that Marina Oswald had made enough money and INS should let her get out of the country, like Liz Taylor has done.

INS advised Bureau liaison that it had notified Secret Service Headquarters. INS also stated it had notified its Dallas Office of the call and instructed its Dallas Office to advise the Dallas Police Department. You should immediately bring this information to the attention of appropriate Police Department responsible for law enforcement in Richardson, Texas, where Marina Oswald resides.

INS file reflects E. W. Thurman notified CP Curry Dallas and CP Joe Golden Richardson on 4/5/65.

Dear Sir;

RE: MARINA OSWALD

This will confirm an oral conversation had by Special Agent Wallace R. Heitman of this office with Chief Carl Hanson in your absence on April 13, 1965, concerning an anonymous telephone call received at Washington, D. C. containing a threat against the life of Marina Oswald. FBI, Washington, D. C., has advised that Lois A. Turney, Information Section, U. S. Immigration and Naturalization Service (INS), Washington, D. C., received an anonymous telephone call at 1:20 pm, April 5, 1965, from an unknown man who said that if Marina Oswald becomes a U. S. Citizen, he would kill her with his own hands. Turney said the man repeated this threat several times. Turney suggested this person put his threat in writing to make it a part of the records, but the caller said he would not sign anything. This caller said Marina Oswald had made enough money and INS should let her get out of the country like Liz Taylor has done.

Secret Service headquarters in Washington, D. C., was notified by INS and also INS, Dallas, was requested by its headquarters to notify the Dallas Police Department.

As you know, Marina Oswald resides with her children at 629 Beltline Road.

Any further pertinent information with regards to Marina Oswald will be forwarded to you.

Very truly yours,

J. GORDON SHANKLIN

Marina Oswald

Kenneth Porter

Marina's Marriage 'Surprise'

As Marina Oswald hopefully began a new life today as the wife of a Dallas electronics worker, Mrs. Marguerite Oswald protested any possible changing of the names of Lee Harvey Oswald's two children.

"Lee's children are very wealthy in their own right. If Marina's husband adopts Lee's children, he might get control of their money," said the mother of President Kennedy's assassin.

"I have a right to speak out on this point. I'm those children's grandmother," she said.

Mrs. Oswald also said she would have hoped that Marina would have married an older man with "no prior family."

KENNETH J. PORTER, 27, divorced and the father of two children, married Oswald's widow yesterday in a quiet ceremony in the office of a peace justice in Fate (Rockwall County).

"This was a quickie marriage. Just two weeks ago, I heard Marina was going with an insurance salesman," said the grandmother, who has "dedicated my life to clearing Lee's name and setting history straight on the assassination."

"The whole thing (Marina's marriage) was quite a shock to me. It does affect me because I am the grandmother of Lee's children. My only interest is in my grandchildren. I was shocked to learn that Mr. Porter is divorced and has two other children to support. That's something to consider," continued Mrs. Oswald.

Mrs. Oswald has not seen the grandchildren since Nov. 28, 1963, six days after the assassination in Dallas.

THE MOTHER of the assassin also said she was "shocked again" when she learned that Mr. Porter had not told his own mother of his marriage. "When a boy doesn't tell his mother—well, that's something to consider," she said.

Returning to the subject of her son, slain by Jack Ruby two days after the president was killed, Mrs. Oswald said: "Lee's father was a wonderful person. I only hope Mr. Porter will be that kind of father to Lee's children."
