In this connection, it should be noted that SOMERSETT has been involved in union activities on a continual basis since his being discontinued in 1961, as well as being an informant for the Miami PD. He has developed considerable information during this time and, of course, this Bureau would have no control or interest in what he may have told COLLINS in connection with his association with the Miami PD.

From the information received, it appears that SOMERSETT and his union, the National Federation of Labor, are experiencing some difficulties with the National Labor Relations Board, which SOMERSETT feels are unjust and are also involved in the question of fair labor practices in connection with employment of Negro mechanics in the Miami area. It is rather apparent that SOMERSETT is fighting for the existence of his union, which he feels the National Labor Relations Board is attempting to discredit and disestablish. There is no question but what he has strong feelings in this regard and undoubtedly this has been one of the motivating forces which led him to contact COLLINS.

As stated above, SOMERSETT has been called to task on two occasions regarding his having divulged his previous association with this Bureau, and informed again of matters discussed with informants at the time they are discontinued.

It is not believed that SOMERSETT's contact with COLLINS will in any way embarrass the Bureau, noting that SOMERSETT informed upon his return to Miami, that he did not intend to divulge this past relationship to anyone else.

This whole matter has been reviewed in the Miami Office and there is no indication of any dereliction of duty on the part of any Agent personnel in connection with this matter, since SOMERSETT was fully informed in accordance with Bureau regulations at the time he was discontinued. There is no question but what he has not, in this particular instance, honored the Bureau's desires in this matter; however, this action on his part is in no way attributable to any shortcomings on the part of the Agent personnel who formerly handled SOMERSETT.

National Chairman, Constitution Party of the United States, as stating that several hundred representatives at the above meeting indicated that they would prefer United States Senator BARRY M. GOLDWATER for their Presidential nominee. A movement against STROM THURMOND appeared when the National Committee started a move to kick out J. A. MILTEER, Quitman, Georgia, for declaring himself Regional Chairman for THURMOND in the Southeastern states. MILTEER had driven a truck plastered with signs advocating the nomination of THURMOND from Georgia. He spoke freely to the press. This rankled Colonel DALL, who considers himself spokesman.

After the threat to expel MILTEER from the party, an executive committee was held. This committee meeting was attended by MILTEER. At the conclusion of the meeting MILTEER said that [REDACTED] and the Executive Committee informed him that he could stay within party ranks but he would have to confine his activity to the State of Georgia. [REDACTED] said that MILTEER was dejected and disgusted with the above meeting of the Constitution Party of the United States.

Confidential Informant T-2, on November 9, 1963, advised that MILTEER visited Miami, Florida, on that date. While in Miami, MILTEER advised that plans were in the making to kill President JOHN F. KENNEDY at some future date. MILTEER suggested JACK BROWN, Chattanooga, Tennessee, as the man who could do the job and indicated that he would be willing to help. While being questioned concerning the plan, MILTEER stated he was familiar with Washington and the job could be done from an office or hotel in the vicinity of the White House by using a high powered rifle. MILTEER also advised that JACK BROWN had made attempts to follow MARTIN LUTHER KING in an effort to kill KING but never did get an opportunity.

T-2, on November 12, 1963, advised MILTEER is forming a new political party as opposed to the Republican and Democratic Parties. MILTEER suggested that he is naming his new party the "American Constitutional Party" or a name similar to this. This organization will be composed of a hard core underground whose identity will be secret. [REDACTED] Anniston, Alabama, and [REDACTED] Tennessee, are to be invited to join as underground members.  SUBJECT: HOUSE SELECT COMMITTEE ON ASSASSINATIONS

Re Bureau telephone call to Miami, 5/25/77, requesting information as to whether or not Miami file concerning WILLIAM SOMERSETT, [REDACTED] indicates he has been publicly identified as a Bureau informant.

Enclosed for Bureau is a xerox copy of a memorandum to the SAC, 6/15/76, from Supervisor [REDACTED] containing information pertinent to this matter.

Additionally, review of Miami file regarding SOMERSETT reveals the following:

SOMERSETT's services as an informant were discontinued in 1961 at Bureau direction due to continuing evidence of indiscretion and use of poor judgment, as well as indications he was under suspicion as an informant by various state and union officials. Following his discontinuance, SOMERSETT was used as an informant by the Miami Police Department for several years, during which time he maintained periodic contact by telephone with SA [REDACTED] of this office, furnishing unsolicited information concerning local activities of interest to the Bureau. His contacts with this office were in no way encouraged.

According to SA [REDACTED] who was also in regular contact with the Miami Police Department during this time, the local police were well aware of SOMERSETT's former association with the Bureau as an informant, obviously due to his having revealed his past activities on behalf of the Bureau. The

local officers alluded to SOMERSETT's past role as an FBI informant as a matter of established fact and under the circumstances SA [REDACTED] saw no reason to deny it although the direct question was never raised.

As the Bureau is aware, in 1964 SOMERSETT related in great detail to former Florida Governor LEROY COLLINS his past activities as an FBI informant from 1947 to 1961, as well as his continuing voluntary contacts with the Miami Office. Additionally, he revealed his status as a source for the Miami Police Department and the Florida State Attorney's Office.

While SOMERSETT's identity as a former informant has not been publicly disclosed by the Bureau, it would appear from the above that SOMERSETT himself has revealed his past relationship to the extent that it is widely known, particularly in official circles, and Bureau should no longer attempt to conceal his past Bureau association.

SUBJECT: [REDACTED]

This is to record that on 6/14/76, DON CHRISTIANSON, reportedly a writer for the "Miami Magazine", telephonically contacted the writer to inquire about a tape recording made by the Miami Police Department. He stated that he had been in contact with the Miami Police Department and had heard this recording between WILLIAM SOMERSETT, which he identified as a former police informant and a former informant for the FBI, and J. A. MILTEER from the State of Georgia. He reported that MILTEER made the statement to SOMERSETT a week or 10 days prior to the assassination of President KENNEDY in Dallas, Texas, in which MILTEER related plans to assassinate the President, which plans were similar to those actually utilized in the assassination of President KENNEDY. CHRISTIANSON wanted to confirm that SOMERSETT was an informant for the FBI and additional information regarding MILTEER. He was advised that this office could make no comment regarding his inquiry and that any such information would have to come from the Bureau in Washington.

It is noted that previous inquiry has been made regarding this matter by CBS News and other news media and the Bureau is aware of the situation.

This matter is set forth for information purposes only.

RE: MARCH 9, 1977, REQUEST OF HSCA FOR INFORMATION IN POSSESSION OF THE FBI PERTAINING TO WILLIE AUGUSTUS SOMERSETT

Reference is made to a letter dated March 9, 1977, to the Attorney General from U. S. Congressman Louis Stokes, Chairman, HSCA. This letter requested access to certain material in possession of the FBI.

As result of a meeting on April 14, 1977, between Steven J. Pallis and representatives of the Department of Justice and FBI, it was agreed that the FBI, in partial response to the March 9, 1977, request of HSCA, prepare for HSCA access all information retrievable in FBI Headquarters files concerning Willie Augustus Somerset (true name William Augustus Sommersett), [REDACTED]

[REDACTED] FBI memorandum dated May 11, 1977, processed that pertinent material regarding [REDACTED] was available for HSCA review and that information concerning Sommersett was being processed.

On June 24, 1977, Mr. Robert L. Kouch, Special Counsel to the Attorney General, advised that, through consultation with Robert J. Lehner, Deputy Chief Counsel, HSCA, it was agreed that HSCA access to information on Sommersett would be limited to the period 1959 to present.

Based upon a review of FBI Headquarters indices, information regarding Sommersett has been processed in accordance with the above limitation, and is available for HSCA review at FBI Headquarters. References to Sommersett in the FBI's investigations into the assassinations of Martin Luther King, Jr. (44-38861), and John F. Kennedy (62-109060), have already been available for HSCA review.

HOUSE SELECT COMMITTEE ON ASSASSINATIONS
UNITED STATES HOUSE OF REPRESENTATIVES (HSCA)

NOTE: Sommersett was a Bureau informant from 1949-1961, reporting on criminal and racial activities. He was discontinued at the Bureau's direction due to evidence of indiscretion and poor judgment, and that he was under suspicion as an informant by various state and union officials. Following his discontinuance, Sommersett was used as an informant by the Miami Police Department for several years during which time he maintained periodic contact with the Miami Office, furnishing unsolicited information of interest to the Bureau. Sommersett is deceased.

In the King case, Sommersett furnished information regarding threats by white hate groups to kill King. After King was assassinated, Sommersett told our Miami Office that, as an informant for local law enforcement officials in Florida, he was directed to Memphis to develop information concerning the killing. Sommersett, as a Miami police informant, figured into the Kennedy case when the police recorded a conversation between Sommersett and J. A. Milteer wherein Milteer discussed killing Kennedy. This conversation took place prior to the assassination.

The informant file of Sommersett consists of five volumes, but with the 1959 cutoff date, HSCA access will involve only about 1 1/2 volumes. Except for normal excisions such as third and foreign agency material and identity of informants other than Sommersett, only Sommersett's symbol number will be excised from HSCA's access.

Articles appearing in the Fall 1976 issue of "The Miami Magazine" disclosed Sommersett worked as an informant of the FBI for about a decade. These articles advised that sources of information regarding Sommersett's relationship with the Bureau were Miami police officials [REDACTED]. Sommersett was also identified as a Bureau informant in a "Washington Post" article by Jack Anderson on 1/19/77. Sommersett was known as a Bureau informant to the Florida State Attorneys Office and in 1964 Sommersett related in great detail his activities as an FBI informant to former Florida Governor Leroy Collins, who at that time was associated with the Community Relations Service, Department of Commerce.

It has not been our policy to permit HSCA access to informant files. However, in the case of Sommersett this can be done without establishing an undesirable precedent because, as illustrated above, he has been publicly identified.

as an FBI informant. By airtel dated 5/31/77, the Miami Office agreed that Sommersett's identity could be disclosed to the HSCA because Sommersett himself has widely revealed his past relationship with the Bureau.

This matter has been coordinated with [REDACTED] of the Criminal Informant Unit, Criminal Investigative Division.

Quitman, Georgia, on September 24, 1962, advised she is personally acquainted with JOSEPH ADAMS MILTEER, who lives at the corner of Lafayette and Clay Streets, Quitman. MILTEER is considered to be an eccentric person and very little is known concerning his activities. He is approximately sixty years old and lives alone in a large run-down house. Very little is known concerning his background, but he was brought up in Quitman. His parents are deceased and he has no other relatives living in this area. It is rumored that MILTEER has lived in California and in the vicinity of Washington, D. C., where he operated some kind of concession around military reservations.

MILTEER has never bought anything on credit and does most of his buying in Valdosta, Georgia. MILTEER is a very frugal person and his net worth is estimated to be in excess of \$200,000. His father died approximately one year ago, leaving him a substantial amount of money and property. It has been rumored that MILTEER has made large deposits of money at banks in Jacksonville, Florida. During May, 1962, MILTEER sold the city of Quitman property for which he received \$20,000 in cash.

[REDACTED] advised a short time ago she visited the Municipal Airport at Valdosta, Georgia. During this visit, she observed MILTEER hauling mail from the airport to the Post Office in Valdosta. She did not know whether he was an employee of the Post Office or whether he had a contract to haul mail. Other than the above, he is seemingly unemployed.

During the past few years, MILTEER has been a constant fault-finder in the management of the City of Quitman. He digs up insignificant things that have not been done properly by city officials and publishes a small leaflet criticising the city administration. He does not have any close friends and she had never heard of him meeting with any group or organization.

II. CONNECTIONS WITH HATE-TYPE ORGANIZATIONS

[REDACTED] on May 18, 1962, made available to Atlanta a leaflet captioned "The Last Days of the Republic, Urgent Call to All White Christian Voters in Georgia" signed "G. Seals Aiken, Chairman and Founder, Constitution Party of Georgia, 1104-5 First National Bank Building, Atlanta, Georgia" and "J. A. (JOE) MILTEER, Organization Director, Constitution Party of Georgia, Quitman, Georgia."

This pamphlet urged persons to attend a meeting at the Red Barn, Highway 80, Macon, Georgia, on May 20, 1962. It urged "White Christians, Believing in White Supremacy, Believing Communism Is the Work of the Anti-Christian, and Believing It Is Entirely Up to White Christians to Recapture Control Of Our State and Return to Solvency" to attend and organize a "White Christian American Grass Roots Movement."

[REDACTED] on July 17, 1962, advised the above meeting was attended by approximately fifteen unidentified persons from Quitman, Georgia. Approximately eight persons from Macon, Georgia, attended. The meeting was a flop. [REDACTED] White Citizens Council for the Betterment of America, Macon, Georgia, sent word to this meeting of the Constitution Party that the people of Macon were organized and that this party was not necessary and was not wanted in Macon.

[REDACTED] on September 24, 1962, advised he has been acquainted with MILTEER for approximately ten years. He described MILTEER as being an "agitator" who spends his time finding fault with the administration of the City of Quitman. MILTEER makes a big to-do about his criticism and prints a leaflet which he distributes among the residents of Quitman. MILTEER has no close associates and [REDACTED] has never known him to meet with any group of people. His father and mother are dead and he has no relatives in this area. He lives alone in a large run-down house and is considered eccentric.

MILTEER is considered to be well off financially although he is very frugal in his living habits. He generally drives a foreign made automobile and visits Jacksonville, Florida, frequently. During city elections in Quitman MILTEER talks about a third party but very few people pay any attention to him. MILTEER has been defeated on several occasions in his efforts to become a City Commissioner in Quitman.

Confidential Informant AT T-2, on October 11, 1963, advised MILTEER visited Miami, Florida, on October 10, 1963, distributing the following leaflets:

End of Kennedy, King, Khrushchev Dictatorship;
Operation Survival; David Goes Forth to Meet Goliath; Why?;
Defender or Defector; Liars and Easter; War Time Emergencies;
Is Term "Cold War" A Lie?; and When They Take Over.

The above leaflets were critical of the United States Supreme Court and of the Government of the United States. They criticized the liberal element in the United States and championed the "Right Wing" conservatism.

AT T-2 advised MILTEER was distributing the above pamphlets to a number of trusted people throughout the United States in an attempt to have them participate in a meeting to be held at the Marott Hotel, Indianapolis, Indiana, on October 19 - 20, 1963, to formulate plans to put an end to the Kennedy, King and Khrushchev Dictatorship over the nation. At this meeting a Board of Directors was to be picked to supervise and direct an "underground Army" in their respective areas. MILTEER stated "next year there is to be a lot of killing and it may be necessary to go right into the State Department and place several of the traitors (not identified by MILTEER) under citizen's arrest. If these traitors resist, they will kill them right on the spot." The above was the purpose for forming the "Underground Army."

MILTEER described MILLER GRUBBS, Louisville, Kentucky, as being a leader of the Constitution Party of the United States. T-2 identified GRUBBS as being a constitutional lawyer who also heads an organization believed to be "Citizens For Arrest of Traitors."

 on October 15, 1963, advised the Constitution Party of the United States would hold a national committee meeting at the Marott Hotel, Indianapolis, Indiana, from October 19 - 21, 1963. Dr. ARTHUR G. BLAZEY, Indiana state chairman of the Constitution Party of the United States was quoted in the Indianapolis Star as stating the party was organized in Indianapolis in 1960 to "correlate the efforts of conservative votes in all states who have finally realized that we have been denied a two party system for the past thirty years." Lieutenant General Padro A. del Valle, United States Marine Corps (Retired), Annapolis, Maryland, was to be the main speaker. Dr. BLAZEY described General del Valle as being one who has not retired from the battle to serve this country from

such enemies as the United Nations and current administration collaborators who want to strip our Republic of all defense arms and resources in order to subject our people to one-world tyranny.

Confidential Informant AT T-2, on October 30, 1963, advised that on the evening of October 18, 1963, approximately thirty individuals met at the Marott Hotel in Indianapolis, Indiana.

[REDACTED] spoke against KENNEDY, the Government, and said that the Government is full of Communists and indicated he was not satisfied with the Constitution Party of the United States. MILTEER spoke along the same lines as [REDACTED] and suggested having a hard core group formed to prevent the United States Government from being taken over by Communists.

On October 18, 1963, MILTEER, [REDACTED] WILLIAM SOMERSETT met in Room 222 of the Marott Hotel. The purpose of this meeting was to discuss and take appropriate action to prevent [REDACTED] Klansman from Atlanta, Georgia, from addressing the Constitution Party of the United States. It was believed that [REDACTED] would be identified with the Ku Klux Klan and that this would go against their choice for President [REDACTED]

[REDACTED] on November 4, 1963, advised that on October 18 - 20, 1963, MILTEER [REDACTED] roomed together in Room 220, Marott Hotel, Indianapolis, Indiana. Both were attending the convention of the Constitution Party of the United States. From a conversation between MILTEER and [REDACTED] learned that [REDACTED] admired [REDACTED] Tennessee. [REDACTED] described [REDACTED] as being a Klansman, and stated that he admired him more than any Klansman he had ever met. [REDACTED] was of the opinion that [REDACTED] met [REDACTED] while en route to Indianapolis.

[REDACTED] advised that [REDACTED] stated the United States Government was spending \$10,000 monthly protecting someone in his neighborhood in Atlanta, Georgia. This person had been visited by MARTIN LUTHER KING [REDACTED] MILTEER commented that he could kill this individual by Tuesday. MILTEER did not relish killing but he could do it. MILTEER stated he would first have to see this individual so that he would not kill the wrong man. [REDACTED] learned that this individual was [REDACTED] the Student Non-Violent Committee, Atlanta, Georgia.

T-2, on November 26, 1963, advised MILTEER departed from Jacksonville, Florida, on November 23, 1963, by automobile en route to Columbia, South Carolina. During this trip MILTEER stated he had been in Houston, Fort Worth and Dallas, Texas, as well as New Orleans, Louisiana, Biloxi and Jackson, Mississippi, and Tuscaloosa, Alabama. MILTEER said he was acquainted with [REDACTED] Dallas, Texas, whom he described as a "good man." He did not indicate on what days he was in the above cities except for Tuscaloosa, Alabama.

While in Tuscaloosa, Alabama, MILTEER contacted [REDACTED] United Klans of America, Inc., Knights of the Ku Klux Klan, on the evening prior to the bombing of the Sixteenth Street Baptist Church, Birmingham, Alabama, on September 15, 1963. MILTEER described [REDACTED] as being against violence and stated he was not dependable.

MILTEER stated that MARTIN LUTHER KING and Attorney General ROBERT KENNEDY are now unimportant. He stated their next move would be against "Big Jew" noting that there is a Communist conspiracy by the Jews to overthrow the United States Government.

T-2 advised on the morning of November 24, 1963, while at the Wade-Hampton Hotel, Columbia, South Carolina, MILTEER stated that they did not have worry about LEE HARVEY OSWALD getting caught because he "doesn't know anything" and that the "right wing" is in the clear. MILTEER stated "The patriots have outsmarted the Communists and had infiltrated the Communist group in order that they could carry out the plan without the right wingers becoming involved."

T-2, on November 26, 1963, advised MILTEER, on November 24, 1963, held a meeting in the Wade-Hampton Hotel, Columbia, South Carolina. On these notes MILTEER stated "The Zionist Jews killed Christ two thousand years ago and on November 22, 1963, they killed President KENNEDY. You Jews killed the President. We are going to kill you." The note was signed "International Underground."

MILTEER advised the above persons that he was preparing a pamphlet which he wanted to disseminate throughout the country. In view of the recent events in Dallas, Texas, he would have to alter the information he was setting out in his pamphlet.

T-2, on December 10, 1963, furnished the following letter, which was mailed from Valdosta, Georgia, on December 9, 1963, from MILTEER:

"CONSTITUTIONAL AMERICAN PARTIES OF U. S.
Post Office Box 873
Valdosta, Georgia
J. A. Milteer, National Chairman

"Dec. 9, 1963.

"Due to recent events which have taken place within our American borders that may, in time, change the course of history, and the usual holidays before us, it is deemed advisable to curtail any contemplated meetings of our Constitutional American Parties of the United States movement until early in the new year of 1964. You will be advised of any meeting which may be called for early in January, 1964.

"Since we are 'Right Wing' and it is our aim and intention to uphold and defend our United States Constitution against all enemies, both within and without our borders, we may be called before the F. B. I. for questioning relative to many things. You are advised to cooperate fully but do so on your Constitutional American Parties rights. Do not go alone for any conference or to answer any questions to any F. B. I. office. Be interviewed in your own home or office with some one present or with others present with you. Do not at any time be interviewed alone with any F. B. I. Agent or Agents.

"If a telephone call comes to you any where, your home, office or any other place requesting you to meet with some one at any certain place, street corner, building, home, business place, church, synagogue or any where, wait a few minutes and call the person who called you to arrange any such meeting to see if it is authentic and for further detailed instructions. This will verify the call and make it

clear in your mind whether it is a frame-up or not. Then to further keep yourself in the clear, remain in your home or business place, do not go any where and do not meet with anybody. Frame-ups to involve any and all 'Right Wing' followers may be in the making by none other than the F. B. I. Be very cautious.

ENCLOSURE

MM-1

There was absolutely no question but that SOMERSETT fully understood the confidential nature of his relationship and acknowledged that he did understand same and that he did not intend to divulge this relationship anytime in the future.

As the Bureau is aware, after being discontinued as a Bureau informant, SOMERSETT became an informant for the Miami Police Department and developed considerable information regarding matters which were of interest to both the Miami PD and to the FBI.

At no time was SOMERSETT encouraged to continue to contact this Bureau; however, he did continue to furnish information on a strictly voluntary basis, which was accepted in accordance with Bureau instructions, and he in no way was persuaded to continue such voluntary contacts. Normally, these contacts were by phone and the information was accepted as any other information would be accepted from persons contacting this Office.

In discontinuing this informant, the Bureau instructions contained in Bureau airtel of 11/13/61 were fully complied with and this Office has had no indication since that time that SOMERSETT was in any way divulging the fact that he was formerly an informant of this Bureau. In fact, this incident with COLLINS came as a surprise to the Miami Office and at the time SOMERSETT called from Washington, the confidential nature of his former association with this Bureau was again forcefully pointed out to him.

As set out in Miami airtel of 12/23/64, this information was again brought to SOMERSETT's attention, at which time he stated he was fully aware of the confidential nature of his past association with this Bureau and had informed no one of this except COLLINS, because he felt it was necessary to brief Mr. COLLINS in order that he could have the benefit of all of the facts.
