Montreal during a visit there in 1967, and he has told HUIE that he robbed another food store in Montreal after the murder and during his flight from Memphis to England. HUIE furnished no additional details and it is presumed that RAY furnished him no additional details regarding these robberies. HUIE advised Mr. CANALE that RAY came to Memphis on 4/3/68, stayed in a motel at Memphis that night, and on 4/4/68 purchased binoculars from a local store. HUIE admits that RAY rented a room in a rooming house and then brought the rifle which was later recovered to the the rooming house. He said RAY claims to have been sitting in a white Mustang outside the rooming house when the fatal shot was RAY has told HUIE that an unnamed individual ran out of fired. the rooming house, jumped into the rear seat of the Mustang, pulled a sheet over his head, and RAY then fled the scene in the Mustang. HUIE admitted that RAY has told more than one story concerning the reason he rented the room in the rooming house, but HUIE leaves no doubt that he believes RAY pulled the trigger on the murder weapon.

HUIE stated that following the murder RAY drove to Birmingham, talked with an unnamed individual in Birmingham that same night, and then drove to Atlanta. From Atlanta he went to Gary, Indiana, where he met his brother, JERRY RAY. The subject then went to Toronto and from Toronto to Montreal where he stayed for about nine days prior to leaving for London.

HUIE volunteered the information that RAY had gone to Acapulco, Mexico, prior to the murder and while in Acapulco had made a call to unnamed person or persons at Corpus Christi, Texas. According to HUIE, Mexican police had later come to the otel and had examined his registration card. HUIE also mentioned that the green bedspread abandoned with the rifle in Memphis had come from some place in California.

HUIE characterized RAY as an individual who is starved for public recognition. He said that RAY and his most disappointed that the public has not rallied to the subject's support. He said they and the subject had been convinced that GEORGE WALLACE would be successful in his bid for and they were much disappointed in the outcome of the national

While HUIE has furnished no positive in formation which would indicate a conspiracy, it is suggested that the Bureau request the Legat, Mexico, to conduct investigation in Acapulco in an effort to identify any telephone calls the subject might have made from there. It is also suggested that Legat, Canada, contact Montreal police to determine if they can identify the food store robberies in which subject was involved.

The Bureau will be promptly advised as to whether or not motions being made by the defense are granted.

MIRKIN			REC-			

Information has come to the Bureau's attention that James Earl Ray, while in Acapulco, Mexico, allegedly made a telephone call to Corpus Christi, Texas. It was also alleged that the Mexican police came to the hotel and had examined his registration card.

It is noted that investigation conducted by you established that Ray entered Mexico on October 7, 1967, at Nuevo Laredo and registered in Hotel San Francisco, Acapulco on October 10, 1967, as Eric S. Galt. According to the hotel manager, they were unable to locate the registration card on Ray and, therefore, a limited amount of information was obtained.

Legat, Mexico should contact the appropriate authorities to determine if such a telephone call was made and if the Mexican police examined the register.
