By airtel dated 5/7 69 Leptes of which were not furnished the Bureau, the week-on Office set out leads for those offices to whom copies of this communication are designated. These offices have been requested to interview several hundred persons who spent the night is note is at Corinth, Miss.; on or about 4/2/68.

In view of the fact that more than a year has passed since these persons stayed ever night at Corinth, and since similar investigation of this type in this case has previously been unproductive, and since RHIE by admitted that RAY frequently is untruthful in statements to him, and further since it is not believed that it is of any particular importance to establish whether or not JAMES FARE RAY stayed over night at Corinth on 4.72/68, all offices will disregard the leads set out in Jackson airful dated 5.77 69 unless specifically advised by the Bureau to gover same.
