Photos 17, 18, 19 and 20 continue on down Main Street to the Fire Station, which is immediately adjacent to the lot containing the automobiles and junk in preceding pictures. Photograph 20 has completed the circuit around the Fire Station and is now looking north on Mulberry St. with the Lorraine Motel on the right hand side of the picture and the hedges and shrubbery and trees at the left, generally concealing an embankment, beyond which is the rooming house in which suspect stayed.

21, 22,
23, 24

Photographs at varying angles at the rear of the rooming house. The bathroom window from which it is believed shot was fired has been designated by an "X" in photographs 21, 22 and by an arrow in Photo #23. The arrow markings in Photos 21 and 24 indicate the window in suspect's room, which was at side of building.

25

Photo 25 is a night photograph which was taken closer to the rear of the building with an "X" above the bathroom window.

26

Photo 26 is a night photo taken of the area at which Dr. KING body fell.

40, 41 Photographs of the interior of the suspect's room. Of possible interest in Photo #40 is the fact that the curtain on one side appears to have been fastened. This is window from which suspect would have had to have leaned at least half way out to fire shot at Lorraine Motel.

42, 43, 44, 45 These are photographs of the stairway down the rear of building, stairway up the rear of building, and shot of hallway in both directions. Photo #45 is the view down the hall from the bathroom towards Main St., which is in a westerly direction.

46, 47 Photos of the general debris and type of terrain at rear of building of interest.
