CRIMINAL-GEN. CRIME SEC.

Dear Sir,

The Enclosed Composite drawing and profile matches a man known by my wife, in Kingsport, Tenn. She dated this man, before our marriage, about 4 years ago. He was teaching Welding at the Johnson City Vocational School for term and working at Tenn. Eastman in Kingsport, Tenn. His name is "Curtis Neely", about 30, slightly dark complexioned, receding reddish hair near 6 ft. in height. She told her he was a counter-agent for the "Communists", and she later reported this to the local F.B.I. She stated in one she recognized this profile drawing at once, but did not wish to be involved.
