Harvey Lowmeyer,
John Willard;
DR. MARTIN LUTHER KING, JR. - VICTIM

Character: CIVIL RIGHTS

Synopsis:

At about 6:00 PM on 4/4/68, while standing on second floor balcony outside room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tennessee, victim was struck in right side of face by a single bullet. Autopsy report indicated that "the severing of the spinal cord at this level and to this extent was a wound that was fatal very shortly after its occurrence." This investigation, predicated upon a specific request from the Attorney General of the U.S., disclosed fatal shot was fired from the bathroom of a rooming house located at 422½ S. Main Street, Memphis, which bathroom was located at the rear of the rooming house, and which had a window overlooking the Lorraine Motel. (Crime scene diagram included in details.) On afternoon of 4/4/68, Unknown Subject rented room 5-B at 422½ S. Main Street and paid one weeks rent. After hearing rifle shot at about 6:00 PM on 4/4/68, other tenants in rooming house observed Unknown Subject flee from rooming house carrying a large package which was subsequently abandoned by him on sidewalk in front of Canipe Amusement Company, 424 S. Main Street, from which place he was observed to flee in a white Mustang. Found abandoned in front of 424 S. Main Street was 30-06 Remington model 760 rifle, serial number 461476, a small plastic suitcase containing numerous articles, undershorts, a tee shirt, binoculars, and a brown and green bedspread in which all of these items were partially wrapped. Investigation at motels in the vicinity of Memphis, Tennessee, to locate an individual driving a white Mustang, disclosed

ME 44-1987

GALT, 2608 Highland Avenue, Birmingham, Alabama, had spent the night of 4/3/68, at the Rebel Motel, 3466 Lamar Avenue, Memphis, Tennessee, and was driving a Mustang with Alabama license 1-38993. Investigation disclosed binoculars abandoned by Unknown Subject were purchased afternoon of 4/4/68, from RALPH M. CARPENTER, salesman, York Arms Company, Memphis. Gillette shaving kit abandoned by Unknown Subject determined to have been purchased Oliver Rexall Drug Store, Whitehaven, Tennessee. Autopsy findings set out. IN VIEW OF THE CRIME FOR WHICH UNSUB BEING SOUGHT, HE SHOULD BE CONSIDERED ARMED AND DANGEROUS.

FEDERAL BUREAU OF INVESTIGATION

Date April 8, 1968

J. Brewer

Mrs. BESSIE RUTH BREWER, Resident Manager, rooming house located at 422½ South Main Street, Memphis, Tennessee, was interviewed at Central Police Headquarters, Memphis, Tennessee, Police Department, at which time she furnished the following information:

Between 3:00 P.M. and 3:30 P.M. on April 4, 1968, a white male knocked on the door of the second floor of the rooming house and asked Mrs. BREWER if she had a room. She replied yes, and this individual then asked if he could see it. Mrs. BREWER showed him Room No. 8, which is located in the southwest part of the building, and the individual put his head into the doorway and after looking, stated that this would not be satisfactory as he did not need a stove and refrigerator but only wanted a sleeping room. Mrs. BREWER then showed this individual Room 5-B, and he put his head in the doorway of this room and said it would be fine. At this point the individual asked where the bathroom facilities were located, and she pointed to the bathroom located in the northeast portion of the hallway which is located in the same hallway as Room 5-B. She and this individual then returned to her office. The individual stated that his name was JOHN WILLARD and that he wanted a sleeping room for one week.

WILLARD then asked her how much the room rent would be for one week, and Mrs. BREWER replied \$8.50. WILLARD then put his hand into his right trouser pocket and withdrew a twenty dollar bill and two quarters and handed the money to her. She gave him change in denominations of one ten dollar bill and two one dollar bills. When WILLARD arrived at the rooming house, Mrs. BREWER did not notice any luggage in his possession, nor during the brief conversation with WILLARD did he volunteer any information concerning his home residence, line of business, or mode of transportation. WILLARD was not required to sign any type of register, and the only written record maintained of the transaction was a receipt for the \$8.50, which was made out in the handwriting of Mrs. BREWER:

Mrs. BREWER was unable to state if WILLARD returned

Date 4/7/68

WILLIAM CHARLES ANSCHUTZ, 422½ South Main, Apartment 4B, Memphis, advised that he is employed by the Firestone Tire and Rubber Company, 1054 Firestone Avenue, Memphis.

He returned home from work about 2:30 p.m., April 4, 1968. Miss JESSE LEDBETTER, a neighbor in Apartment 1B, came to his room to watch television. They watched television throughout the afternoon.

On two occasions during the afternoon, ANSCHUTZ tried to get into the bathroom at the end of the hall to pour out some water he had used to wash dishes. Each time someone was in the bathroom. The second time ANSCHUTZ went to the bathroom, another neighbor, CHARLIE STEVENS of Apartment 6B, told ANSCHUTZ that a new tenant who rented Apartment 5B was in the bathroom. ANSCHUTZ did not know the exact time of his attempts to get into the bathroom, but he indicated these attempts were only a few minutes apart. He does not know how long the new tenant was in the bathroom, but it seemed like a long time to him.

Later ANSCHUTZ heard a shot. He had been watching television for some time, but he did not have any idea what time it was. He got up and went to the door. As he opened it a man came down the hall. ANSCHUTZ thought the man came out of Apartment 5B, but he could not tell for sure.

The man was running and as he passed ANSCHUTZ's door, he held his hand and arm over his face so ANSCHUTZ could not get a good look at him. As the man passed ANSCHUTZ, ANSCHUTZ said, "I thought I heard a shot!" The man answered, "Yeh, it was a shot."

The man was carrying something under his arm. It appeared to be something long and was wrapped in what looked like a blanket. ANSCHUTZ thought it might be a gun.

Charles

Mr. CHARLIE QUITMAN STEPHENS, Room 6-B, second floor, 422½ S. Main Street, furnished the following information to [REDACTED], Homicide Bureau, Memphis Police Department, and SA [REDACTED]:

Mr. STEPHENS, who stated he is 46 years of age, and his wife occupy 2 rooms in the north wing of a rooming house, the address of which is 422½ S. Main Street. This rooming house actually covers the second floor of 2 separate buildings, Mr. STEPHENS' room being located in the north building in the southeast corner of the north building.

Sometime in the late afternoon of April 4, 1968, he and his wife were in their room. His wife, who has recently been in the hospital for an extended period of time, was in bed in their combination of living-bedroom. He was in the kitchen, which is east of the living-bedroom. He was repairing a radio on a table located at the north wall of the kitchen. Immediately north of him is a common bathroom which is located at the east end of an east-west hallway in the north building. While he was repairing the radio, he heard what he is certain was a shot, and he is certain that shot came from the bathroom from a point within just a few feet of where he was sitting. He has no way of knowing the time but can only estimate it was sometime between 5:00 and 6:00 PM.

Upon hearing this shot, he walked out of the kitchen through his living-bedroom and opened the door leading onto the hallway and observed a man running west down this hallway and this man was carrying a large bundle of some kind. He would estimate that this bundle or package was at least 3 or 4 feet long and 6 to 8 inches thick. Although he saw the man and the bundle only momentarily, he gained the impression that the bundle was wrapped in something, possibly a newspaper. This man continued running to the end of the hallway turning left (south) and apparently thereafter ran down the stairways onto the street, although he could not actually see the man going down the stairway.

It immediately occurred to Mr. STEPHENS that this was the same man he had seen earlier in the afternoon, possibly around mid-afternoon, standing at the door to room 5-B which is located immediately west of Mr. STEPHENS's living-bedroom. He stated that around mid-afternoon he had seen a man with Mrs. BREWER standing in the hallway at the entrance to room 5-B looking into room 5-B. He saw the man's left side. The man had nothing in his hands at the time. He assumed this was some new guest looking at a room.

Mr. STEPHENS stated that he and his wife remained in their room the rest of the afternoon. He pointed out that he, Mr. STEPHENS, is a disabled veteran who has been treated for tuberculosis, and he spends most of his time in his rooms with his wife who is also ill and who at present is a bed patient.

Sometime after seeing this man with Mrs. BREWER, he heard someone in room 5-B and assumed the man he had seen had rented the room next door. He stated that he recalls on several different occasions hearing footsteps in this room and also leaving from this room past his (Mr. STEPHENS's) room and into the common bathroom at the east end of the hall. He was also very much aware that when the person went from room 5-B to the bathroom, that person remained in the bathroom for a considerable period of time. He pointed out that this is particularly noticeable since this is a common bathroom which must be used by a number of different tenants. He also specifically recalled that only on one occasion did he hear the commode being flushed and he was therefore curious as to why this person was spending so much time in the bathroom.

He stated that on the last occasion that someone went from number 5-B to the bathroom prior to the time he heard the shot, he would estimate that that person remained in the bathroom for at least 20 to 30 minutes. During this period he heard no noises coming from the bathroom. He also specifically recalls that during this same period, Mr. WILLIS ANCHUTZ (phonetic), who occupies room 4-B, immediately west of 5-B where the new tenant apparently was located,

had knocked on Mr. STEPHENS's door and somewhat angrily inquired as to who was staying in the bathroom so long.

It was at the end of this latter period of time that Mr. STEPHENS heard the above described shot which he was certain came from the bathroom. He stated that immediately after the shot was fired he heard some people located across the street, east of the building where he lives, screaming. Due to the excitement of the moment, the fact that people across the street in the vicinity of the Lorraine Motel were screaming, and the fact that his hearing is not the best, he did not hear any additional noises coming from the bathroom. He pointed out that he would expect to hear a "scuffle" coming from the bathroom if the man in the bathroom had fired the shot that killed MARTIN LUTHER KING, but he cannot recall hearing such a "scuffle." He stated that he simply has no way of knowing whether the man came out of the bathroom, went into room 5-B and then ran out of 5-B down the hall toward the front of the building, or whether the man in the bathroom ran directly from the bathroom down the hallway toward the front of the building. He stated he did hesitate a few moments after hearing the shot and hearing the screaming outside before he went to the door and looked down the hall to see the man running carrying something in his hand.

Mr. STEPHENS advised that the only people in the north building of this rooming house at the time of this incident were (1) Mr. STEPHENS, (2) Mr. STEPHENS's wife, who was in bed and who was never in a position to observe anything, (3) Mr. WILLIS ANCHUTZ (phonetic), above, in room 4-B, who came out of his room and was seen by Mr. STEPHENS at the same time Mr. STEPHENS saw the man running down the hall, (4) Mrs. JESSIE LEFFETTER, a deaf and dumb lady who resides in room 1-B toward the front (west) of the north wing or north building, and (5) the unknown man who had occupied room 5-B who was running down the hall as previously stated.

Mr. STEPHENS stated that Mr. ANCHUTZ made some remark to the unknown man who was running down the hallway and the unknown man apparently made some kind of reply.

ME 44-1987

4

Mr. STEPHENS advised that whereas he could hear footsteps in 5-B and could hear footsteps between 5-B and the bathroom, he at no time heard any conversation in 5-B, and he is certain that there was no conversation in 5-B from the time the new tenant checked in until the time he heard the shot. He stated he never heard any noise or footsteps which would indicate to him there was ever more than one person in room 5-B. He pointed out that whereas his hearing is not too good, it is very easy to hear noises in the adjoining rooms of this rooming house and he definitely can hear normal conversation coming from that room. Mr. STEPHENS stated that when he saw the new tenant with Mrs. BREWER standing in front of 5-B, he only saw the left side of the new tenant, and when he saw what he believes to be the same man running down the hallway carrying something, he only saw this person from the rear. He pointed out he never saw him directly in front, but based upon his observations he would describe this person as follows:

Name:	Unknown
Race:	White
Sex:	Male
Age:	"in his 30's."
Height:	5' 10-11"
Weight:	165 pounds
Build:	Average
Posture:	Man stood erectly
Hair:	Described as sandy, also described as "dark blond" & having the appearance of unwashed sand. Further described hairline as receding on left side (and presumably on both sides) making it appear he would have "peaks" on either side but with full thick hair toward the front center of his head between the peaks. Hair combed straight back. Normal or average haircut.

Date 4/7/68

CHARLES STEPHENS, Apartment 6B, 422½ South Main Street, Memphis, advised that on the afternoon of April 4, 1968, he was with his wife at the above address. He stated that at about 3:30 p.m., on the above date, he began working on a table model radio of his which was in need of repair. He said he took a radio to the kitchen and placed it on the table which was against the wall that was adjacent to the bathroom which was used by all tenants on his floor. As he was working on his radio he could hear the man in the next apartment to him, Apartment 5B, leave his room several times and go into the bathroom. Mr. STEPHENS stated that he knew it was the man who had just checked in to Apartment 5B that afternoon because he could hear the door of Apartment 5B open and then footsteps would go down the hall to the bathroom, the bathroom door would open and then close.

Mr. STEPHENS said that during these various trips that the individual in Apartment 5B made to the bathroom he failed to flush the toilet or to run any water with the exception of the last time he was in the bathroom. At this time he flushed the toilet. He stated that this individual seemed to be spending an undue length of time in this bathroom. At about 6:00 p.m., on April 4, 1968, Mr. STEPHENS heard a loud noise which he described as sounding like a gunshot come from the bathroom. Upon hearing this noise, Mr. STEPHENS ran from the kitchen where he was repairing his radio to his door that led to the hallway. He stated this is only a distance of about 10 to 12 feet. Upon opening the door he saw a man leave the bathroom carrying a package of about three feet long and wrapped in what appeared to be newspaper. He saw the man run down the hall and then turn left as if he were trying to leave the apartment building. As this was happening WILLIE ANSCHUTZ, who lived in Apartment 4B, came out of his apartment and went to the bathroom. ANSCHUTZ then told STEPHENS to look out of his window. STEPHENS said that he then looked out of his kitchen window which faced the Lorraine Hotel and saw a lot of policemen scurrying about and people running screaming in the vicinity of the hotel.

Mr. STEPHENS stated that the man who was in Apartment 5B had checked in about 3:00 or 3:30 p.m. on April 4, 1968. Mr. STEPHENS stated that the man who he saw running out of the bathroom closely resembled the man who had checked into Apartment 5B. He said he could only see the man who ran from the bathroom from behind, but his general build, hair coloring and clothes were the same as the individual in Apartment 5B.

Race	White
Sex	Male

Mr. BERTIE L. REEVES, Room 3, south wing of rooming house located on second floor, 422½ S. Main Street, Memphis, furnished the following information to [REDACTED], Homicide Bureau, Memphis Police Department, and SA [REDACTED]. Mr. REEVES, who advised he is 74 years of age, retired, formerly a dragline operator, railroad fireman and hotel clerk, advised he has resided at this address for the past 8 years.

He stated that sometime in the late afternoon of April 4, 1968, exact time not recalled, he was in his room when he heard a shot. He immediately walked out into the large hallway at which time the landlady, Mrs. BESSIE BREWER, and her husband FRANK, who occupy room 2, next door to his room, also came out of their room. The 3 of them proceeded east down the large hallway or lobby of this wing of the rooming house to the east door. As they walked down the hallway they heard screams coming from across the street to the east of this building in the vicinity of the Lorraine Motel. Upon arriving at the rear (east) door, police officers in the area instructed them to get back inside and they did so.

Mr. REEVES advised he did not see anyone leave the building and does not know who fired the shot and has no way of knowing the exact location of the shot which he heard.

He advised that earlier in the afternoon of April 4, 1968, and perhaps around 3:00 P.M., he had returned to his room after going to Jim's Cafe located nearby. As he approached his room, he saw a strange man standing at the door of the landlady's room. This man thereafter left from the vicinity of the door to the landlady's room and walked north across a hallway to the north wing of this rooming house. He pointed out that the rooming house located on the second floor is actually located in two different buildings, but there is an enclosed walkway toward the front of these two buildings, connecting the two, so that persons on the

second floor can walk from the north building to the south building. The rooms in the north building have a "B" number, such as 1-B, 2-B and so forth, whereas the rooms in the south building have no letter of the alphabet following the room numbers. This new tenant walked through this enclosed walkway from the south to the north building where the "B" rooms are located. He did not see him again. He pointed out that he only saw this man from the rear and right side as the man left the landlady's door and walked north to the north building.

MARRELL MC CULLOUGH, residing [REDACTED] Memphis, Tennessee, telephone [REDACTED] who is employed as a warehouseman [REDACTED] Memphis, telephone [REDACTED] advised as follows:

MC CULLOUGH is a native of the state of Mississippi and has lived in Memphis, Tennessee, since approximately February 1967. He had been present at the Lorraine Hotel and Motel, 406 S. Mulberry Street, Memphis, from approximately 5:55 p.m. until approximately 8:00 p.m. on Thursday, April 4, 1968, and was present when Dr. MARTIN LUTHER KING JR., President of the Southern Christian Leadership Conference (SCLC), was shot.

He explained his presence as follows:

MC CULLOUGH, who is a Negro, had been a sympathetic supporter of the Memphis sanitation workers who had been on strike in Memphis beginning February 12, 1968.

Beginning around the early part of March 1968, MC-CULLOUGH, in his spare time, has engaged in various strike support activities sponsored by a group of Memphis Negro ministers who have adopted the name Community on the Move for Equality (COME). He has worked with this group and other supporters in the Memphis community engaging in sympathy marches and other strike support activity which is primarily centered in the headquarters of the Minimum Salary Division of the AME Church, 276 Hernando, Memphis, and at the Clayborn Temple AME Church at 280 Hernando.

Around March 18, 1968, the SCLC sent various of its staff to Memphis to assist the COME group in strike support activity, and in fact, Dr. MARTIN LUTHER KING JR. made a public speech in behalf of the sanitation workers at Mason Temple on the night of March 18, 1968. Dr. KING returned to Memphis on the morning of March 28, 1968, to lead a mass downtown Memphis strike support march, and after a major disturbance occurred in the Beale Street area of Memphis resulting in considerable

property damage by some of the marchers, the SCLC staff left various of its members in Memphis to further organize the strike support activity. Shortly after March 28, 1968, Mr. MC CULLOUGH became acquainted with two members of Dr. KING's staff; namely, Rev. JAMES ORANGE, of Philadelphia, Pennsylvania, and Rev. JAMES BEVEL, of Birmingham, Alabama, and Chicago, Illinois, and he has worked with them on various projects since that time.

On the afternoon of April 4, 1968, MC CULLOUGH, who has a blue 1967 Volkswagen, 1600 series, fastback, drove to the Lorraine Motel accompanied in his car by Rev. JAMES ORANGE and Rev. JAMES BEVEL, and he fixed their arrival at the motel in the car at about 5:55 p.m. He parked his Volkswagen in the motel parking lot which would be on the east side of Mulberry and just south of the old hotel portion of the Lorraine Hotel and Motel. His car had been followed by a white Pontiac Tempest, exact model number not recalled, driven by CLARA ESTER, a student at LeMoyne College and who he understands resides at [REDACTED], Memphis, and another young lady, MARY HUNT, who lives [REDACTED] in the Orange Mound area of Memphis and who he believes attends Memphis State University. These young ladies had also been working in some of the strike support activity sponsored by COME, and they had been with BEVEL, ORANGE and MC CULLOUGH at the Clayborn Temple prior to coming to the Lorraine Motel.

They parked their car behind the Volkswagen, and at that point, BEVEL, ORANGE and MC CULLOUGH and HUNT and ESTER got out of their cars and stood around the parking lot area. MC CULLOUGH recalled seeing numerous other people on the north end of the parking lot area which is directly in front of the new motel portion of the Lorraine and recalled seeing a Negro singing group managed by JAMES BEVEL known as the "Bread Basket Group." He did not know any of their specific identities.

MC CULLOUGH was first aware of the presence in the vicinity of Dr. MARTIN LUTHER KING JR. when he got out of his car and observed Dr. KING standing on the second floor balcony of the motel almost directly in front of Room 306, which had been Dr. KING's room during his recent visit to Memphis. Dr. KING was leaning over the rail which runs in front of an outside walkway running the length of the second floor motel portion, and MC CULLOUGH noticed no one else on the balcony with him at the time.

At this point, which would probably have been close to 6:00 p.m., either shortly before or shortly thereafter, Mr. MC CULLOUGH walked back toward the car driven by CLARA ESTER and Rev. BEVEL and Rev. ORANGE walked north on the parking lot toward the group of people who were standing there.

Suddenly, MC CULLOUGH heard an explosive sound and recalled that he was standing and facing north when he first heard it. He was standing south of the position occupied by Dr. KING and noted that the rail on which Dr. KING had been leaning runs north and south, and that KING would have been facing Mulberry Street, or to the west with his back facing the doorway of the motel and to the east. MC CULLOUGH was unable to adequately describe the sound other than it was rather loud and had a seeming echo to it. He has served in the U. S. Army and would offer an opinion based on his Army experience and limited knowledge of firearms that the noise which he heard was a gunshot sound.

Immediately thereafter, someone in the crowd, identity not recalled, by MC CULLOUGH stated in essence, "Dr. KING has been shot." MC CULLOUGH pointed out that he had been facing north when he heard the sound, and upon hearing the person say something to the effect that Dr. KING had been shot, he looked easterly and upward toward the rail where Dr. KING had been standing and observed Dr. KING falling backward in a southeasterly direction. It appeared as though Dr. KING may have been grasping with one of his hands for his throat area, although MC CULLOUGH could not be positive as to the physical movement, if any, of Dr. KING's hands. Almost immediately, MC CULLOUGH turned his head in a westerly direction looking across Mulberry Street, which runs north and south, and saw no one either on the ground or in any of the buildings which face east toward the Lorraine Hotel and Motel. He saw no one in the area in the vicinity of the motel with a gun or a weapon of any sort.

He saw no one running from the area in any direction.

A few seconds later, he recalled seeing a group of what he felt were Memphis Fire Department employees running from the rear entrance of the fire station which faces Main Street and whose rear entrance faces Mulberry Street and which is located just south of the motel, noting that these firemen seemed to be running toward the vicinity of the motel.

When MC CULLOUGH looked upward again at the point where Dr. KING had fallen, he was first conscious of seeing Rev. JESSE JACKSON, an SCLC staff member from Chicago, looking out a doorway of a motel room just south of the room previously occupied by Dr. KING. JACKSON would have been looking in a westerly or actually a northwesterly direction, because he was looking toward KING's prone body.

Almost instinctively, MC CULLOUGH ran up the outdoor iron and cement stairway which leads to the balcony from the ground level and which is located about two or three motel doors south of where KING's body rested. He turned north on the balcony upon reaching the second floor level, running toward Dr. KING's body, and noticed that Dr. KING was lying prone in a crosswise position with his head pointing in a southeasterly direction and his feet pointing in a northwesterly direction, his feet being located adjacent to the protective railing.

Mr. MC CULLOUGH was the first person to reach the body of Dr. KING, and he knelt down to Dr. KING's prone body. Almost simultaneously, one of the Negroes at the motel, identity not recalled, handed MC CULLOUGH a towel which MC CULLOUGH used to apply pressure to the wounded area of Dr. KING's body, which he recalled was on the right side of his face in the immediate area of his cheekbone and running down into his upper neck area. The wound was recalled by him to be a large wound, not unlike a tear. The flesh on Dr. KING's face on the right side thereof appeared to be torn backward toward the rear of his head area, and the wound appeared to start around the middle of his cheekbone and continue downward into his upper neck area. He also recalled seeing splotches of blood, possibly pinhead in size, in the immediate vicinity of the large wounded area, and his first impression was that these may have been minute pellet wounds, although he now feels that they were probably mere blood splotches or spots.

MC CULLOUGH attempted to apply pressure to the wound in an effort to stop the bleeding, as the bleeding was quite profuse at this time, and as he knelt down and observed Dr. KING's body in its prone position with his back facing the concrete floor and the front side of his body facing upward, the wound would have had to have been caused by a bullet or projectile coming toward Dr. KING from a northwesterly direction since it entered the right side of his face and since KING

ME 44-1987

5

was last recalled being seen by him looking directly west as he stood against the hand rail. It was his definite impression at the time, and he still holds to this impression, that the shot would have come from one of the buildings to the northwest. There is a series of old buildings located just west of the motel whose fronts would face on S. Main Street, which is the next north-south street west of Mulberry.

From the second story position of Dr. KING when he was shot, coupled with the position of the wound beginning around his cheekbone area and dropping down toward his neck area, he believes the shot in all probability would have come from one of these buildings at an elevated level rather than from the ground area surrounding the buildings.

MC CULLOUGH also recalled that as he applied the pressure around Dr. KING's cheekbone and upper neck area with the towel, he was aware of an unusual odor which was similar to the odor which one smells when a firecracker is exploded.

Shortly thereafter, he was conscious of the fact that CLARA ESTER and MARY HUNT had come up onto the balcony and were standing near him. By this time, there was no doubt in MC CULLOUGH's mind that Dr. KING was dead. There was no movement in his body, and his eyes were immobile and he believes they were open, although he could not be certain of this. He estimated he applied the pressure for one to two minutes, and by this time, a number of Negroes had gathered around the body, and he recalled seeing Rev. RALPH B. ABERNATHY, Dr. KING's chief aide. ABERNATHY knelt down and began applying pressure with the towel which had originally been held by MC CULLOUGH.

At this point, Rev. ABERNATHY relieved MC CULLOUGH, as MC CULLOUGH noted that CLARA ESTER and MARY HUNT were crying and appeared to be shaken considerably at the sight of Dr. KING's body. He was afraid they would become hysterical and he thereafter walked with them away from the area. They walked down the outside motel stairs to the south of Dr. KING's body onto the parking lot area and stood around.

*Ralph B.*Date April 8, 1968

Reverend RALPH DAVID ABERNATHY, [REDACTED] Atlanta, Georgia, was interviewed at the Memphis Police Department at 10:55 p.m., April 4, 1968. Reverend ABERNATHY was advised of the Agent's identity and of the nature of the matter under investigation.

Reverend ABERNATHY, who described himself as Vice President at Large and Treasurer of the Southern Christian Leadership Conference, stated he was Dr. MARTIN LUTHER KING, JR.'s closest associate and stated that he and Dr. KING always shared a room whenever they travelled together. He stated that at about 10:30 a.m. on April 3, 1968, he and Dr. KING registered at the Lorraine Motel, Memphis, Tennessee.

Reverend ABERNATHY stated that on April 4, 1968, he and Dr. KING did not leave the motel and spent most of the day in their room, #306, which is located on the second floor of the motel. He stated that he and Dr. KING had been gone from their room for approximately one hour or less when they returned to the room at about 5:30 p.m. He said they got dressed as they were going to dinner at the home of Reverend BILLY KYLE and that at almost exactly 6 p.m. they started to leave the room. Reverend ABERNATHY stopped for a moment and Dr. KING walked out onto the balcony just outside the door to his room. Reverend ABERNATHY was still inside the motel room but could hear Dr. KING discussing the dinner engagement with other associates who Reverend ABERNATHY believes were standing in the parking area of the motel underneath and to the front of the balcony on which Dr. KING was standing.

Reverend ABERNATHY stated he heard what sounded like a firecracker and then heard the screams of persons to whom Dr. KING had been talking. Reverend ABERNATHY went then to the balcony and discovered Dr. KING lying there wounded in the right side of the face and neck. He said he believed Dr. KING attempted to speak to him but was unable to do so. Reverend ABERNATHY said he instructed someone to call an ambulance and then accompanied Dr. KING in the ambulance to the hospital where Dr. KING subsequently died.

Reverend ABERNATHY stated that judging from the sound of the noise it appeared that the shot came from directly in front of the door and not from any great distance. He stated he did not observe anything that would indicate who fired the shot. Reverend ABERNATHY also stated that while they were in the motel room Dr. KING did not, to his knowledge, receive any telephone calls of a threatening nature or calls from persons who would not identify themselves. Reverend ABERNATHY said Dr. KING had not feared that any particular persons might harm him and Reverend ABERNATHY was unable to suggest any suspects or to provide any other information which might assist in identifying Dr. KING's killer.

Mr. CHAUNCEY ESKRIDGE, [REDACTED], Chicago, Illinois, was interviewed at the Memphis Police Headquarters at 12:05 a.m., April 5, 1968. Mr. ESKRIDGE was advised of the interviewing Agent's identity and of the nature of the matter under investigation.

Mr. ESKRIDGE, who identified himself as General Counsel for the Southern Christian Leadership Conference, advised that he arrived in Memphis, Tennessee, at approximately 11:30 a.m. on April 4, 1968. He stated he had been with Dr. MARTIN LUTHER KING, JR. during a portion of the day on April 4, 1968, and at about 5:45 p.m. was standing in the parking area of the Lorraine Motel when Dr. KING walked out of his motel room onto the second floor balcony of the motel and leaned over and began to discuss his dinner engagement with other persons who were standing below the balcony.

Mr. ESKRIDGE stated he was standing with his back to Mulberry Street and was facing Dr. KING when he heard to his right rear a sound like a firecracker. He looked to his rear momentarily to see if someone were behind him and when he looked toward Dr. KING again he saw him lying on his back on the balcony. Mr. ESKRIDGE said he heard only one shot fired and he recalled that Dr. KING was standing in front of his motel room at the time he was struck. He stated he believed the shot came from the area of the houses overlooking Mulberry Street or from the high grass in the yards which were behind the houses overlooking Mulberry Street.

Mr. ESKRIDGE stated he had been standing in the parking area of the Lorraine Motel for approximately 5 to 10 minutes prior to the shot and he had not observed anyone in the area who he believes might have fired the shot. Mr. SOLOMON JONES, JR., 374 Vance Avenue, Memphis, who is employed as a funeral director for R. S. Lewis and Sons at the same address was interviewed at the Lorraine Motel, 406 Mulberry, Memphis.

Mr. JONES advised that he had been serving as chauffeur for Dr. MARTIN LUTHER KING, JR., on Dr. KING's last trip to Memphis. He believed that he had started driving for Dr. KING on April 1, 1968. He stated that Reverend JAMES LAWSON of Memphis had requested him to drive Dr. KING while he was in Memphis.

On Wednesday night, April 3, 1968, Dr. KING spoke at the Mason Temple in Memphis and after the speech returned to the Lorraine Motel, 406 Mulberry, Memphis. Dr. KING told him to report back to the Lorraine Motel on Thursday morning, April 4, 1968, at 8:30 a.m., as Dr. KING was due to go to court in Memphis in regard to a restraining order.

Mr. JONES stated that on Thursday morning, April 4, 1968, he returned to the Lorraine Motel at about 8:30 a.m., which motel is located at 406 Mulberry. He stated this motel is located on the east side of Mulberry Street and is bordered on the north by Huling Avenue and on the south by East Butler.

He advised that he parked the car, which was used to drive Dr. KING and which car was a 1967 Cadillac and belonged to the R. S. Lewis and Sons Funeral Home, in the parking area of the Lorraine Motel. He parked this car in front of Room 207 which is on the ground level of the Lorraine Motel. The car was headed into the motel area which would have been in an easterly direction.

A short time after he arrived Reverend ANDREW YOUNG, an associate of Dr. KING, contacted JONES and stated that Dr. KING was not going to go to court on the morning of April 4, 1968, and YOUNG was going to go to court. Reverend YOUNG informed JONES that he was to remain at the motel as Dr. KING was to later that day address the sanitation workers.

JONES advised that he remained at the Lorraine Motel and ate his lunch at the motel. At about 3:00 p.m., April 4, 1968, Reverend BILLY KIZER (phonetic), a minister in Memphis, informed JONES that Dr. KING and other members of his staff were going to have dinner at Reverend KIZER's home at about 5:00 p.m., April 4, 1968.

Mr. JONES stated that Dr. KING did not leave the motel area the entire day of April 4, 1968, and JONES stated that he stayed in this area the entire day.

He advised that Dr. KING and his group did not leave the motel at 5:00 p.m., as had been originally mentioned to him by Reverend KIZER. At approximately 6:00 p.m., April 4, 1968, JONES noticed Dr. KING come out of a room on the balcony level of the Lorraine Motel which room was north of Room 306 where Dr. KING was residing. Dr. KING proceeded to Room 306 and as he was about to enter the room Dr. KING told JONES to start the car as they were preparing to go to dinner. JONES stated he started the car and Dr. KING went into Room 306 where he was staying with Reverend ABERNATHY.

Dr. KING came out of Room 306 a short time later and was standing on the balcony area in front of Room 306. At this time Dr. KING was fully dressed. Dr. KING was looking from the balcony level down to JONES who was standing beside the car on the ground level. JONES advised the car was still parked in front of Room 207. Dr. KING was talking to JONES about the weather and JONES stated he told Dr. KING he should put on a topcoat as it was cool outside. He stated that he was looking up at Dr. KING during this conversation and Dr. KING was facing west and that he, JONES, was facing east. Dr. KING acknowledged JONES concerning obtaining his topcoat.

JONES stated while he was still looking at Dr. KING he heard a sound which he thought was a fire cracker. Dr. KING fell to the floor of the walkway in front of Room 306. At this point JONES could see blood coming from Dr. KING, and realized the sound was actually a shot rather than a fire cracker.

ME 44-1987

3

JONES stated that he started screaming and calling for help and repeatedly called several times "Dr. KING's been shot."

He advised that at the time of the shooting that JESSE JACKSON, a staff member of Dr. KING, was standing at Room 305. He also recalled that Dr. KING's lawyer by the name of ESKRIDGE of Chicago, Illinois, was standing near JONES on the ground level.

After seeing Dr. KING bleeding and realizing that he was shot, JONES stated that he and ESKRIDGE did not run to the side of Dr. KING as others were coming to Dr. KING's aid. However, he and ESKRIDGE turned west since that was the direction in which the shot had originated, and went toward Mulberry Street which street is located on the front portion of the motel. They ran about 50 feet and stopped opposite the office of the motel. JONES stated he and the lawyer both then looked around and saw nothing. JONES stated he ran about another ten feet west and stopped at the edge of the sidewalk in front of the motel and stood beside a brick wall. He stated ESKRIDGE also ran up to same area opposite him. He advised when he reached this point he looked opposite the point where he was standing which was also the driveway area. He looked opposite the driveway area toward the west side of Mulberry Street. This area has a large retaining wall. Immediately above the retaining wall is a grassy area with some small shrubs and bushes. This area is behind some buildings facing South Main Street. He got a quick glimpse of a person with his back toward Mulberry Street.

He estimated the person he glimpsed would have been approximately 60 feet from where he was standing. He pointed out it was dusk dark and he merely got a quick glimpse of someone in that area. He stated that it was the back of this individual and he could not tell whether the person was Negro or white. This person was moving rather fast and he recalls that he believed he was wearing some sort of light colored jacket with some sort of a hood or parka. He stated this person appeared to him to be about 5'11" or a little taller. He did not see him carrying anything in his hand and did not notice anything concerning his dress below his waist.

ME 44-1987

4

He said he could not tell anything further about this individual and it could have been an officer, but he could not furnish any further details concerning this individual.

He related that he did not look to his left or south on Mulberry Street. After taking a quick glimpse he immediately ran back to the motel area where Dr. KING was located. He ran up the middle stairway of the motel which stairway was opposite Room 308. As he was running up the stairway he noticed a red ambulance had arrived and he believed this ambulance was a Memphis Fire Department ambulance.

At this point he stated he was in such a state of shock that someone put him in Room 308 and he had to lie down for a moment. While they were placing Dr. KING into the ambulance, LEE BERNARD, an aide of Dr. KING, came into Room 308 and told him to calm down and for him to drive the car and follow Dr. KING's ambulance. JONES stated he drove the car which had been used for Dr. KING and followed the ambulance to the hospital. In the car with him was Reverend ANDREW YOUNG and LEE BERNARD.

Rev. BERNARD SCOTT LEE, [REDACTED] Atlanta, Georgia, was interviewed at the Police Department, Memphis, Tennessee, in the presence of [REDACTED], Homicide Bureau, Memphis Police Department. Rev. LEE voluntarily furnished the following information:

Rev. LEE stated that he came to Memphis on April 3, 1968, with Dr. MARTIN LUTHER KING, JR., and had been staying at the Lorraine Motel since his arrival. He was registered in Room 205 and was alone in that room. He advised that Dr. KING was registered in Room 306 with Rev. ABERNATHY, and their room was immediately above his and one door south of his unit.

Rev. LEE stated that he and Dr. KING and all members of their party had been around the Lorraine Motel most of the day. He advised that he dressed for dinner and left his motel room at approximately 5:45 to 5:50 P.M. and went to the court yard of the Lorraine Motel where he joined other members of the staff of the Southern Christian Leadership Conference (SCLC) and local community people. LEE stated at that time he was standing about three feet from the steps on the north end of the court yard which led to the second floor of the motel. He said he saw Dr. KING come out of his room at approximately 6:00 P.M. and Dr. KING walked out on the balcony in front of that room. Rev. LEE stated about that time his attention was directed to two female workers, names unknown, who were following one of the staff cars of SCLC as they drove into the Lorraine Motel. He said as he was looking at these individuals, he heard a shot and knows that the shot came from across the street in front of Dr. KING's room and which would be coming from the west. Rev. LEE said he immediately realized that this was not a fire-cracker and that it was a shot from a high caliber rifle. He said he based this on his experience in the U. S. Air Force and pointed out that he has fired the M-2 carbine as well as the .22 caliber rifle. He said he immediately knew that this was not a blast from a shotgun but from a high caliber rifle. Rev. LEE stated he immediately looked toward the

buildings which were to the west of him but said he did not see anyone in any of the windows of these buildings who could have fired that shot. He said he only recalls seeing some white police officers who had shotguns but knew at the time that this shot was not from a shotgun but from a high caliber rifle. Rev. LEE said he turned and looked at Dr. KING and saw that he had fallen back and was lying on the floor of the balcony. He said he believed that he saw Dr. KING's hands leave the railing of the balcony and that this indicated to him that Dr. KING was leaning over the balcony rail at the time of the shooting. Rev. LEE said he saw Rev. YOUNG running up the steps which were on the north end of the motel leading up to the second floor, and he immediately started to where Dr. KING was, following behind Rev. YOUNG. He said when he reached Dr. KING, Dr. KING was lying on the balcony floor in a large pool of blood. He advised that he could tell that a bullet had torn out a section of the right side of Dr. KING's face between the high cheek bone and the lower bone of the jaw. Rev. LEE said he immediately asked one of the police officers who had rushed to Dr. KING to call an ambulance and he said an ambulance appeared on the scene shortly thereafter.

Rev. LEE pointed out that he only heard one shot and is of the positive opinion that this shot came from a high powered rifle and definitely not any type of a shotgun. He advised he did not see anyone fleeing the area around the motel who might have any connection with the person who shot Dr. KING and stated that at the time of the shooting he did not see anyone on the balcony of the motel with Dr. KING.

Rev. LEE continued by advising that the only individuals he can identify by name who were in the court yard of the Lorraine Motel at the time of the shooting were Rev. ANDREW YOUNG, Attorney CHAUNCEY ESKRIDGE, and Mr. SOLOMON JONES. Rev. LEE stated that there were other individuals at the motel at the time of the shooting but he cannot identify them by name. Rev. LEE stated that Rev. ABERNATHY was in Room 306 at the time of the shooting and was probably the first person to arrive at Dr. KING's side after the shooting. Rev. LEE stated that when he arrived at the place where Dr. KING was lying, Dr. KING was unconscious but did attempt to make some sounds which he could not understand.

ME 44-1987

Rev. LEE advised that Dr. KING was put in an ambulance, and Rev. ABERNATHY accompanied him to the hospital.

Rev. LEE advised that he has no idea who is responsible for shooting Dr. KING and said he noticed nothing at the time of the shooting which might be of value to identify this individual. He reiterated that he was not looking at Dr. KING at the time he was shot but was looking in the area of the court yard around the Lorraine Motel. He stated these are all of the facts that he can recall at the present time regarding the shooting of Dr. KING and the events which happened immediately after the shooting.

Rev. ANDREW J. YOUNG, [REDACTED], Atlanta, Georgia, home telephone [REDACTED], business telephone [REDACTED] was interviewed by [REDACTED] Homicide Bureau, Memphis, Tennessee, Police Department, and SA [REDACTED] at the Memphis Police Department at approximately 11:00 P.M.

Under
Rev. YOUNG advised that he is the Executive Vice President of the Southern Christian Leadership Conference (SCLC). He stated that on April 4, 1968, at approximately 6:00 P.M. he was at the Lorraine Motel, 406 Mulberry, Memphis.

He advised that Dr. MARTIN LUTHER KING, JR., occupied Room 306 of this motel, and Rev. YOUNG occupied Room 209. He stated that at approximately 6:00 P.M., April 4, 1968, they were preparing to go to dinner with other members of the SCLC staff. He advised that Dr. KING was standing on the second floor on the balcony portion of the motel and Rev. YOUNG was down in the court yard just below Dr. KING. He advised that Dr. KING came out onto the balcony in front of Room 306 of the motel and called down to Mr. SOLOMON JONES, JR., who was standing on the ground level and advised Mr. JONES to start the motor of the car. Rev. YOUNG stated that he overheard Mr. JONES say to Dr. KING, "I think you need a coat" and then Rev. YOUNG advised that a staff member drove up in a car on the driveway of the motel, and he turned away to look at this individual.

At this point he stated he heard a sound and thought it was a firecracker but then he looked up and observed Dr. KING lying on his back on the floor of the balcony of Room 306. Rev. YOUNG stated he ran up the stairs to Dr. KING and observed that Dr. KING was seriously wounded. He then looked across the street and observed police officers coming from the area where he thought the shot may have come from but stated he observed no one else.

Rev. YOUNG advised that the police officers then called for a Memphis Fire Department ambulance and he stated

he helped cover Dr. KING with a blanket and stated he observed that Dr. KING was losing blood rapidly. He stated that at this time he checked Dr. KING's pulse and noted it was very strong. He stated this was just prior to the arrival of the ambulance, but he noticed blood coming from the wound on the right side of Dr. KING's neck.

Rev. YOUNG stated that when he referred to the area from which he thought the shot had come, he was referring to a large clump of bushes which is located on the west side of Mulberry directly opposite from the area where Dr. KING's room was located. He pointed out that the motel is located on the east side of Mulberry. He stated he was standing on the ground level below Dr. KING talking to a staff member, whose name he could not recall, when he heard the sound which he later determined to be a gunshot. He stated that he would not have been able to observe a flash from a gun being fired on the west side of Mulberry as the swimming pool wall blocked his view from that area.

He pointed out that immediately after seeing Dr. KING fall he ran upstairs to assist Dr. KING and then looked across the street but did not see any cars leaving the scene in a hurry and saw no individuals who he felt could have been responsible for the shooting.

WALTER LANE BAILEY, owner, Lorraine Motel and Hotel, 406 Mulberry Street, Memphis, Tennessee, furnished the following information:

He has owned the Lorraine Motel and Hotel since 1945 and Dr. MARTIN LUTHER KING had stayed there on approximately twelve occasions since 1958. To the best of his knowledge, Dr. KING had never received any threats on his life while staying at the hotel. To his knowledge, no one had been acting in a suspicious manner, such as asking questions about Dr. KING's whereabouts, nor had he heard of anyone walking or driving up Mulberry looking as if he were "casing" or "sizing up" the location during any of Dr. KING's visits.

He stated he did not know Dr. KING very well but believed he was acting very strangely on April 4, 1968. He said that Dr. KING normally was very businesslike in manner and never "joked around" but on that date at the motel he was very jovial and was "teasing and cutting up". He believed this type of behavior was out of character with Dr. KING's past activities and thought it strange but could attach no meaning or significance to it.

Mr. BAILEY said he heard what he thought was a shot at approximately 6:00 p.m., on April 4, 1968, while he was in the northern lower section of his hotel. He could feel the entire hotel shake when the shot went off. He ran outside and looked up and saw Dr. KING lying on the balcony in front of his room, which was #306. He said confusion was all around the hotel and he could not recall any details after looking up at Dr. KING.

He said he had absolutely no information or thoughts on the assassination of Dr. KING but would notify the FBI should he acquire any information of value.

Lt. JUDSON EUGENE GHORMLEY, Deputy Sheriff, Shelby County Sheriff's Office, a white male, age 40, residing at [REDACTED] telephone [REDACTED], furnished the following information:

On April 4, 1968, he was assigned to Tactical Unit 10, which consisted of three vehicles and twelve officers, both Deputy Sheriffs and Memphis Police Officers. The Deputy Sheriffs, in addition to GHORMLEY assigned to Tactical Unit 10 were W. J. BERRY, R. N. BAKER, W. A. DU FOUR, V. V. DOLLAHITE, and R. W. MALEY. Memphis Police Officers assigned to Tactical Unit 10 were Officers DOUGLASS, GROSS, DUNN, LANDERS, WRIGHT and MORRIS.

At about 6:00 PM on April 4, 1968, Tactical Unit 10 had stopped at the Memphis Fire Department Engine House located at Main and Butler, about $\frac{1}{2}$ block southwest of the Lorraine Motel, and the unit was in that location when a Negro male detective ran into the fire station and stated that Doctor KING had been shot. Upon hearing this, the members of Tactical Unit 10, including GHORMLEY ran east on Butler to Mulberry and north on Mulberry toward the Lorraine Motel. While en route, GHORMLEY observed a number of Negro males and females standing on the balcony of the motel pointing towards a building west of the motel, the front of which was located on S. Main Street.

GHORMLEY saw Officer DU FOUR running up the stairs of the Lorraine Motel toward the balcony where Doctor KING's body was lying. DU FOUR was followed closely by Officer BAKER. DU FOUR and BAKER, in that order, would have been the first officers to reach KING.

GHORMLEY also saw Officer LANDERS scale a wall on the west side of Mulberry Street and enter a back yard, which he later determined to have been behind the buildings known as 418, 422 $\frac{1}{2}$ and 424 S. Main Street.

Seeing the people on the balcony pointing toward the building on Main Street, Officer GHORMLEY stopped and retraced his steps around the fire station and ran north on Main Street. As he approached the building at 424 S. Main, he noticed a suitcase, blue in color, a rifle box, which was partly open and what appeared to be a blanket lying in the doorway at 424 S. Main. He could see the barrel of a rifle in the rifle box. At this time, a white male whose name he later determined was Mr. CANIPE, came to the door of 424 S. Main and advised him that a white male, who CANIPE described as tall, a little on the heavy side, wearing a dark colored possibly black suit, a shirt and tie, having dark colored hair possibly black, moments before had deposited these articles in the doorway and had then run south on Main Street.

Using his walkie-talkie radio, GHORMLEY advised his dispatcher of the information provided by Mr. CANIPE. He also guarded the articles lying in the doorway so no one would disturb them. Upon talking further to Mr. CANIPE, he learned from CANIPE that shortly after the white male who left the above described articles in CANIPE's doorway, had run south on Main Street, that CANIPE had noticed a white Mustang automobile drive past that location at a high rate of speed headed north on Main. At this time, Officer GHORMLEY again used his radio to advise his dispatcher of this information.

The next officer to arrive at GHORMLEY's location was Officer DOUGLASS, who drove the station wagon assigned to Tactical Unit 10 from its location at the fire station to a location directly in front of 424 S. Main where Officer DOUGLASS double parked the station wagon and aided in guarding the evidence left by the above described white male.

The next officer at this location was Deputy Sheriff V. V. DOLLAHITE, who approached the location from the north on Main Street after having apparently circled the block. About this time, Officers from the Memphis Homicide Squad arrived at the scene and took charge. GHORMLEY estimated the total time lapsed from the time he heard that

ME 44-1987

KING had been shot until he discovered the suitcase, gun and blanket, was no more than 2 or 3 minutes. GHORMLEY does not recall seeing a white Mustang parked along the area of S. Main, which he covered during the time immediately following the shooting, neither does he recall seeing anyone running south on Main Street in this same area.

During the incident described above, GHORMLEY was dressed in a khaki colored long sleeve shirt bearing the insignia of the Shelby County Sheriff's Department, and dark green uniform trousers. He was not wearing a hat or helmet. GHORMLEY recalls that Officer LANDEERS, whom he saw scaling the wall across from the Lorraine Motel, was dressed in the usual Memphis Police Department uniform consisting of a blue shirt and trousers. Officer LANDEERS was not wearing a hat or helmet. GHORMLEY recalls that there were 2 Negro males in Canipe's Amusement Center at the time he was talking to CANIPE. He thinks these person may also have seen the above described white male deposit the gun, suitcase, and blanket in CANIPE's doorway and may also have seen the white Mustang speeding north on S. Main Street in front of CANIPE's store. He does not know the names of these Negroes.

Patrolman VERNON VERNARD DOLLAHITE, Patrol Division, Shelby County Sheriff's Office, residence [REDACTED], home telephone [REDACTED], Memphis, Tennessee, was interviewed by [REDACTED] Homicide Bureau, Memphis Police Department, and SA [REDACTED] at which time he re-enacted his movements on the afternoon of April 4, 1968, after he learned that Dr. MARTIN LUTHER KING had been shot at the Lorraine Motel. He furnished the following information:

On Thursday, April 4, 1968, he was assigned to Tactical Unit No. 10, consisting of 12 men, half of whom were Deputy Sheriffs and half of whom were police officers, which unit was located at the fire station at Main and Butler around 6:00 p.m., when he learned that Dr. KING had been shot.

Around 6:00 p.m., he and other officers were inside the fire station when he heard someone yell that Dr. KING had been shot. He immediately ran out of the door on the north side of the fire station, then ran east toward the Lorraine Motel, jumping over a fence, and then dropping down about a 10-foot concrete retaining wall which runs along the west side of Mulberry Street. He then ran to the driveway on Mulberry Street, which leads into the Lorraine Motel, to a point beneath the balcony where Dr. KING's body was lying. He stated that he heard an unknown Negro male at the scene say, "The dirty m----- f----- police shot him."

As he ran into the driveway, he dropped his firearm and had to stop momentarily and pick up the firearm, checking it briefly, and then continuing. After going to the scene near where the body was lying and determining that other officers were converging on the area, he immediately ran out of the driveway, running north on Mulberry Street to Huling and west on Huling Street to Main Street, then south on Main Street. As he

ran out of the driveway at the Lorraine Motel, he was joined by an officer named MALEY, who ran along with him to a driveway on the south side of Huling Street between Mulberry and South Main Street. Officer MALEY stopped at that point to observe, and DOLLARITE kept running toward Main.

Upon reaching Main Street and turning south on Main Street, he saw no pedestrian traffic whatever. He continued running south on Main Street until he came to Jim's Grill, a restaurant at 418 South Main Street. The door was standing open. He stepped inside, looked around briefly, seeing customers sitting around eating and drinking, and he announced to all present that no one should leave that restaurant until the police had arrived and approved their leaving the premises. He then pulled the door to the restaurant shut and continued running south on Main Street.

As he came out of Jim's Grill and started running south again, he observed some items lying in the doorway to Canipe Amusement Company at 424 South Main. At the time, he had no idea as to the significance of these items lying in that doorway. He did not stop but kept running south on Main past Canipe's, going a distance of some 20 to 30 feet before stopping. His purpose in running past Canipe's was in order to look east around the corner of the building in which Canipe's is located to see if he could observe anyone running or any other suspicious activity, DOLLARITE stating that at this time he, of course, did not know the point from which the gun had been fired resulting in the killing of Dr. KING.

Upon running 20 or 30 feet south of Canipe's, he observed that there was no area at that location where anyone could run or conceal himself, there being some large outdoor signs and a fence located just south of Canipe's. In addition, he observed other officers running north on Main on the east side of the sidewalk, coming from the direction of the fire station, so that these officers would have been in a position to see anyone running or any other suspicious activity in the general area in which DOLLARITE was proceeding. He then turned around and walked north on the east side of Main to the

vicinity of the doorway to Canipe Amusement Company. About this time other officers arrived on the scene and took up a position around the items lying in front of the doorway to Canipe Amusement Company. Patrolman DOLLAHITE then walked west across Main Street in front of Canipe Amusement Company and stationed himself near a blue Camaro parked on the west side of Main opposite Canipe Amusement Company.

Patrolman DOLLAHITE advised that he is positive that after he arrived on Main Street, and until the officers had given their approval, no person left the area on foot. He is equally positive that no vehicle sped away from the area around Canipe Amusement Company after he arrived on Main Street. He stated that the only time he was not in a position to observe the activity in the 400 block of South Main after he first arrived there was during the time that he stepped into Jim's Grill. He stated, however, that he was in this grill only momentarily and he is certain in his own mind that he was not in Jim's Grill long enough for anyone to have run from either of the exits to a rooming house at 422½ South Main and thereafter run to an automobile and leave the scene without his having seen such activity.

With regard to the owner of Canipe Amusement Company, a white man, and two customers inside Canipe Amusement Company, two Negro males, he stated that he saw all three of these persons and was with a group of officers who were talking to these individuals. He stated, however, that as he ran south on Main before leaving Canipe Amusement Company, he did not see the white male, Mr. CANIPE, step out onto the sidewalk. He stated that since he was alone and one of the first officers to arrive in this area, his essential purpose was first to attempt to observe and locate any suspicious person who might be attempting to leave the area, and secondly, wherever he saw any people in business houses or otherwise, he instructed them to remain where they were so that officers later checking the area would have an opportunity to interview everyone who was in the area as soon as possible.

Patrolman DOLLAHITE advised that after other officers had arrived in front of Canipe Amusement Company, and after he had learned during the conversation that

ME 44-1987

4

one or more of the three persons inside Canipe Amusement Company reported hearing the "squealing" of tires as a white Mustang sped away from the area, he observed what he regarded to be skid marks at a point approximately one car length south of the doorway to Canipe Amusement Company. In pointing out the general area where he observed these skid marks, Patrolman DOLLAHITE observed that there is space for three automobiles to park between the first driveway south of Canipe Amusement Company (on the east side of Main) and a no parking zone around a fire plug just to the north of this driveway. He stated that he would estimate that the skid marks which he observed were made by an automobile parked in the center parking area, assuming all three parking spaces were filled at the time.

As to automobiles parked on the east side of Main in the area in front of Canipe Amusement Company at the time he arrived on the scene, he stated he cannot now recall a description of the vehicles which he did see. However, he does recall observing about a 1962 red Chevrolet station wagon which he believes was parked in the first space south of the above-mentioned driveway. He advised that he was also under the impression he had seen this station wagon at another point just north of this driveway and possibly the owner had moved the car later on during the evening. He stated that there was an automobile parked directly in front of Canipe Amusement Company, but no automobile parked in the space immediately behind the car in front of Canipe Amusement Company. It was in this blank space, or the number two position south of Canipe Amusement Company, that he saw what he thought to be skid marks and which appeared to have been made as a car pulled away from that position going north on Main Street.

Patrolman DOLLAHITE advised that he had his firearm in his hand at all times when he was in the 400 block of Main Street, and if the witnesses in Canipe Amusement Company reported seeing a Deputy running south on Main carrying a firearm, then undoubtedly these witnesses were referring to him, Patrolman DOLLAHITE.

TORRENCE N. LANDERS, Patrolman, Memphis Police Department, furnished the following information:

On the afternoon of April 4, 1968, he was a member of Mobile Tactical Unit Ten which consisted of 3 vehicles. Shortly prior to 6:00 PM, the unit stopped at the fire station located in the 400 block of S. Main Street at E. Butler Avenue. Doctor MARTIN LUTHER KING, JR., was staying at the Lorraine Motel at the time, and the motel was located approximately one block from the fire station. At approximately 5:50 PM on April 4, he heard a sharp sound which resembled a firearm being discharged, however, no one else paid any attention to the noise and he paid no further attention to it, however, a few moments later someone in the fire station announced that Doctor KING had been shot. He immediately left the fire station by the door on the northwest corner, ran along side the station to a retaining wall in back of the station which is also Mulberry Avenue. He and another officer jumped down onto Mulberry Street and ran to the Lorraine Motel where a group of Negroes were gathered on the walk beneath the balcony. There was a great deal of turmoil, and he asked one of the men present, from what direction the shot was fired. This individual pointed to the second floor windows of a rooming house on S. Main Street and said, "from over there."

Officer FLANDERS immediately left the motel on foot, ran across Mulberry Street, and leaping on an empty 55 gallon drum which was on the sidewalk, he boosted himself up onto the top of a retaining wall. He then searched the ground in back of the rooming house for footprints, however, he found none with the exception of 2 footprints near a cellar door. It had rained the previous day and the ground was soft and any footprints would have been easily noted. Just a few minutes later, he was joined in the search by a deputy sheriff, who was wearing a light colored helmet. LANDERS stated that he, himself, had no hat and he was wearing a light blue shirt, no tie, and dark blue trousers.

He reiterated that he is positive if anyone had been across the street from the Lorraine Motel in the area behind the rooming house in the 400 block of S. Main Street, he would have been able to observe the individual's footprints, however, none were noted,

FEDERAL BUREAU OF INVESTIGATION

Date April 16, 1968

CHARLES ELVIN STONE, [REDACTED], Memphis, Tennessee, was interviewed at the Number Two Engine House, Memphis Fire Department, 474 South Main Street. STONE advised that he is a member of the Memphis Fire Department, and has been in this employment for the past three years. He stated that he was on duty at the Firehouse on April 4, 1968, and was a witness to the shooting of DR. MARTIN LUTHER KING. He stated that at approximately 6:00 p.m. on that date, he was in the rear locker room of the Fire Department, and was looking out the back window across the street to the motel where DR. KING was staying. He advised that DR. KING was standing on the balcony outside of his hotel room, and was talking to another individual below the balcony. STONE stated that there was another man standing to the right of DR. KING, and a number of other individuals located in the courtyard directly below the hotel room of DR. KING.

STONE stated that as KING was talking to the individual below him, a shot rang out, and DR. KING fell over backwards. STONE stated that he was stunned for a few seconds, and after realizing what had happened, ran inside to the center of the firehouse, and told both the other firemen and the police officers that were in the firehouse at that time that DR. KING had been shot. At first the officers thought that STONE was joking, but one of the other firemen came rushing in saying the same thing. At that instance, all of the police officers rushed out of the firehouse in an attempt to cut off the area in which the shooting occurred. STONE stated that at approximately ten seconds later, he went out the side door of the Fire Department, and proceeded towards Mulberry Street, the street on which DR. KING's motel was located. STONE stated there was mass confusion at the hotel as people were running to see what had happened, and the only ones he saw on the street at that time were the police officers who were converging on the area. STONE stated that he did not notice any white man in the area immediately after the shooting nor did he notice any individual wearing a white hood. STONE stated that after a few minutes, he walked to the front of the Firehouse, but stated that he did not observe any white Mustang on Front Street or in that vicinity.

STONE also advised that he did not notice a Mustang of that type near the Firehouse at any time during that day.

STONE stated that with him in the locker room at the time of the shooting were Lieutenant LOENNEKE and Fireman KING, both members of the Fire Department, and a Negro police officer, Officer RICHMOND. STONE stated that all of these individuals were watching the hotel room at the time DR. KING was shot, and all saw the actual shooting. STONE stated that from the sound of the shot, he thought it came from the parking lot located north of the Fire Department, but that it could have been slightly further north.

STONE advised that he was unable to furnish any positive information concerning the individual who fired the shot killing DR. KING.

FEDERAL BUREAU OF INVESTIGATION

Date April 15, 1968

Mr. GEORGE W. LOENNEKE, [REDACTED], Memphis, Tennessee, was interviewed at the Memphis Police Department, and furnished the following information:

LOENNEKE stated that he is a Lieutenant at the Memphis Fire Department, and is regularly assigned to Fire Station Number 2, located at 474 South Main Street. He advised that he was on duty at this location on April 4, 1968. LOENNEKE stated that at approximately 6:00 p.m. on that date he was standing, looking through a peephole in a newspaper, which had been placed over the window on the rear door of the fire station. He stated that he was in the locker room at the rear of the station, and with him was a Negro police officer, Officer RICHMOND, and another fireman named WILLIAM KING.

LOENNEKE went on to state that as he approached his locker, which was to the right of the window, Officer RICHMOND called him and said, "DR. KING is fixing to leave his hotel room." LOENNEKE stated that he then asked Officer RICHMOND to let him look at KING, as LOENNEKE had not seen DR. KING for approximately two years. While LOENNEKE was looking through the peephole of the window, he saw DR. KING standing and leaning against the rail, looking down to the parking lot, saying something to another Negro male. Individuals by the name of BABY JESUS and Reverend BEVEL were standing to the extreme right of DR. KING. LOENNEKE stated that as DR. KING turned slowly to his left to say something to the individual below was when the shot was fired. LOENNEKE advised that it appeared to him as though DR. KING was looking at something or someone that fired the shot. LOENNEKE immediately turned to Police Officer RICHMOND, and stated, "DR. KING has been shot." He stated that Officer RICHMOND went in a state of shock at the sound of this news, and did not take any immediate action.

LOENNEKE stated that he then ran through the apparatus floor, telling other police officers that DR. KING had been shot. He then went through the lunchroom of the engine house telling

SAs [REDACTED]

the officers in that location that DR. KING had been shot. All police officers, upon hearing the news that DR. KING had been shot, immediately rushed out the door and proceeded in all directions in order to surround the motel in which DR. KING was staying.

LOENNEKE further advised that after he informed the police officers that DR. KING had been shot, he went out the front door of the station onto Main Street, but did not observe anyone running on Main Street or any pedestrian traffic whatsoever. In addition, he stated that he did not see a white Mustang on Main Street after the shooting nor did he hear the sound of an automobile leaving in a hurried manner.

LOENNEKE stated that while he was looking through the peephole, both before and immediately after DR. KING had been shot, he did not see any person on Mulberry Street wearing a light jacket or pull-over shirt with a hood on it. He stated that just prior to the time DR. KING was shot, two Negro females were standing on the second floor balcony, a short distance from DR. KING. LOENNEKE advised that at the time DR. KING was shot, these women started hollering in excitement, and appeared to be in a state of shock. He stated that both women, after realizing what had happened, then began to attempt to administer help to DR. KING. He also advised that there was a white man, without a suitcoat and wearing black horn-rimmed glasses, who approached the body of DR. KING, and then left to obtain more towels, which were being used to stop the blood coming from DR. KING's body. LOENNEKE stated that he had seen this white man previously that date with DR. KING, and assumed that he was in DR. KING's party. Approximately thirty seconds after the shot had been fired, a Negro male appeared on the balcony, and started taking photographs of DR. KING's body. LOENNEKE thought this odd at the time because the individual made no attempt to assist DR. KING, but was more concerned with the taking of the pictures.

LOENNEKE further stated that at the time the shot was fired, he saw only one man in the courtyard or parking lot beneath DR. KING's balcony, and this man he assumed was DR. KING's personal chauffeur.

LOENNEKE advised that to the best of his knowledge, the shot that was fired came from the left of the firehouse and from a position which could not be seen from the window from which

ME 44-1987

he helped cover Dr. KING with a blanket and stated he observed that Dr. KING was losing blood rapidly. He stated that at this time he checked Dr. KING's pulse and noted it was very strong. He stated this was just prior to the arrival of the ambulance, but he noticed blood coming from the wound on the right side of Dr. KING's neck.

Rev. YOUNG stated that when he referred to the area from which he thought the shot had come, he was referring to a large clump of bushes which is located on the west side of Mulberry directly opposite from the area where Dr. KING's room was located. He pointed out that the motel is located on the east side of Mulberry. He stated he was standing on the ground level below Dr. KING talking to a staff member, whose name he could not recall, when he heard the sound which he later determined to be a gunshot. He stated that he would not have been able to observe a flash from a gun being fired on the west side of Mulberry as the swimming pool wall blocked his view from that area.

He pointed out that immediately after seeing Dr. KING fall he ran upstairs to assist Dr. KING and then looked across the street but did not see any cars leaving the scene in a hurry and saw no individuals who he felt could have been responsible for the shooting.

WALTER LANE BAILEY, owner, Lorraine Motel and Hotel, 406 Mulberry Street, Memphis, Tennessee, furnished the following information:

He has owned the Lorraine Motel and Hotel since 1945 and Dr. MARTIN LUTHER KING had stayed there on approximately twelve occasions since 1958. To the best of his knowledge, Dr. KING had never received any threats on his life while staying at the hotel. To his knowledge, no one had been acting in a suspicious manner, such as asking questions about Dr. KING's whereabouts, nor had he heard of anyone walking or driving up Mulberry looking as if he were "casing" or "sizing up" the location during any of Dr. KING's visits.

He stated he did not know Dr. KING very well but believed he was acting very strangely on April 4, 1968. He said that Dr. KING normally was very businesslike in manner and never "joked around" but on that date at the motel he was very jovial and was "teasing and cutting up". He believed this type of behavior was out of character with Dr. KING's past activities and thought it strange but could attach no meaning or significance to it.

Mr. BAILEY said he heard what he thought was a shot at approximately 6:00 p.m., on April 4, 1968, while he was in the northern lower section of his hotel. He could feel the entire hotel shake when the shot went off. He ran outside and looked up and saw Dr. KING lying on the balcony in front of his room, which was #306. He said confusion was all around the hotel and he could not recall any details after looking up at Dr. KING.

He said he had absolutely no information or thoughts on the assassination of Dr. KING but would notify the FBI should he acquire any information of value.

Lt. JUDSON EUGENE GHORMLEY, Deputy Sheriff, Shelby County Sheriff's Office, a white male, age 40, residing at [REDACTED] telephone [REDACTED], furnished the following information:

On April 4, 1968, he was assigned to Tactical Unit 10, which consisted of three vehicles and twelve officers, both Deputy Sheriffs and Memphis Police Officers. The Deputy Sheriffs, in addition to GHORMLEY assigned to Tactical Unit 10 were W. J. BERRY, R. N. BAKER, W. A. DU FOUR, V. V. DOLLAHITE, and R. W. MALEY. Memphis Police Officers assigned to Tactical Unit 10 were Officers DOUGLASS, GROSS, DUNN, LANDERS, WRIGHT and MORRIS.

At about 6:00 PM on April 4, 1968, Tactical Unit 10 had stopped at the Memphis Fire Department Engine House located at Main and Butler, about ½ block southwest of the Lorraine Motel, and the unit was in that location when a Negro male detective ran into the fire station and stated that Doctor KING had been shot. Upon hearing this, the members of Tactical Unit 10, including GHORMLEY ran east on Butler to Mulberry and north on Mulberry toward the Lorraine Motel. While en route, GHORMLEY observed a number of Negro males and females standing on the balcony of the motel pointing towards a building west of the motel, the front of which was located on S. Main Street.

GHORMLEY saw Officer DU FOUR running up the stairs of the Lorraine Motel toward the balcony where Doctor KING's body was lying. DU FOUR was followed closely by Officer BAKER. DU FOUR and BAKER, in that order, would have been the first officers to reach KING.

GHORMLEY also saw Officer LANDERS scale a wall on the west side of Mulberry Street and enter a back yard, which he later determined to have been behind the buildings known as 418, 422½ and 424 S. Main Street.

Seeing the people on the balcony pointing toward the building on Main Street, Officer GHORMLEY stopped and retraced his steps around the fire station and ran north on Main Street. As he approached the building at 424 S. Main, he noticed a suitcase, blue in color, a rifle box, which was partly open and what appeared to be a blanket lying in the doorway at 424 S. Main. He could see the barrel of a rifle in the rifle box. At this time, a white male whose name he later determined was Mr. CANIPE, came to the door of 424 S. Main and advised him that a white male, who CANIPE described as tall, a little on the heavy side, wearing a dark colored possibly black suit, a shirt and tie, having dark colored hair possibly black, moments before had deposited these articles in the doorway and had then run south on Main Street.

Using his walkie-talkie radio, GHORMLEY advised his dispatcher of the information provided by Mr. CANIPE. He also guarded the articles lying in the doorway so no one would disturb them. Upon talking further to Mr. CANIPE, he learned from CANIPE that shortly after the white male who left the above described articles in CANIPE's doorway, had run south on Main Street, that CANIPE had noticed a white Mustang automobile drive past that location at a high rate of speed headed north on Main. At this time, Officer GHORMLEY again used his radio to advise his dispatcher of this information.

The next officer to arrive at GHORMLEY's location was Officer DOUGLASS, who drove the station wagon assigned to Tactical Unit 10 from its location at the fire station to a location directly in front of 424 S. Main where Officer DOUGLASS double parked the station wagon and aided in guarding the evidence left by the above described white male.

The next officer at this location was Deputy Sheriff V. V. DOLLAHITE, who approached the location from the north on Main Street after having apparently circled the block. About this time, Officers from the Memphis Homicide Squad arrived at the scene and took charge. GHORMLEY estimated the total time lapsed from the time he heard that

ME 44-1987

KING had been shot until he discovered the suitcase, gun and blanket, was no more than 2 or 3 minutes. GHORMLEY does not recall seeing a white Mustang parked along the area of S. Main, which he covered during the time immediately following the shooting, neither does he recall seeing anyone running south on Main Street in this same area.

During the incident described above, GHORMLEY was dressed in a khaki colored long sleeve shirt bearing the insignia of the Shelby County Sheriff's Department, and dark green uniform trousers. He was not wearing a hat or helmet. GHORMLEY recalls that Officer LANDEERS, whom he saw scaling the wall across from the Lorraine Motel, was dressed in the usual Memphis Police Department uniform consisting of a blue shirt and trousers. Officer LANDEERS was not wearing a hat or helmet. GHORMLEY recalls that there were 2 Negro males in Canipe's Amusement Center at the time he was talking to CANIPE. He thinks these person may also have seen the above described white male deposit the gun, suitcase, and blanket in CANIPE's doorway and may also have seen the white Mustang speeding north on S. Main Street in front of CANIPE's store. He does not know the names of these Negroes.

Patrolman VERNON VERNARD DOLLAHITE, Patrol Division, Shelby County Sheriff's Office, residence [REDACTED], home telephone [REDACTED], Memphis, Tennessee, was interviewed by [REDACTED] Homicide Bureau, Memphis Police Department, and SA [REDACTED] at which time he re-enacted his movements on the afternoon of April 4, 1968, after he learned that Dr. MARTIN LUTHER KING had been shot at the Lorraine Motel. He furnished the following information:

On Thursday, April 4, 1968, he was assigned to Tactical Unit No. 10, consisting of 12 men, half of whom were Deputy Sheriffs and half of whom were police officers, which unit was located at the fire station at Main and Butler around 6:00 p.m., when he learned that Dr. KING had been shot.

Around 6:00 p.m., he and other officers were inside the fire station when he heard someone yell that Dr. KING had been shot. He immediately ran out of the door on the north side of the fire station, then ran east toward the Lorraine Motel, jumping over a fence, and then dropping down about a 10-foot concrete retaining wall which runs along the west side of Mulberry Street. He then ran to the driveway on Mulberry Street, which leads into the Lorraine Motel, to a point beneath the balcony where Dr. KING's body was lying. He stated that he heard an unknown Negro male at the scene say, "The dirty m----- f----- police shot him."

As he ran into the driveway, he dropped his firearm and had to stop momentarily and pick up the firearm, checking it briefly, and then continuing. After going to the scene near where the body was lying and determining that other officers were converging on the area, he immediately ran out of the driveway, running north on Mulberry Street to Huling and west on Huling Street to Main Street, then south on Main Street. As he

ran out of the driveway at the Lorraine Motel, he was joined by an officer named MALEY, who ran along with him to a driveway on the south side of Huling Street between Mulberry and South Main Street. Officer MALEY stopped at that point to observe, and DOLLARITE kept running toward Main.

Upon reaching Main Street and turning south on Main Street, he saw no pedestrian traffic whatever. He continued running south on Main Street until he came to Jim's Grill, a restaurant at 418 South Main Street. The door was standing open. He stepped inside, looked around briefly, seeing customers sitting around eating and drinking, and he announced to all present that no one should leave that restaurant until the police had arrived and approved their leaving the premises. He then pulled the door to the restaurant shut and continued running south on Main Street.

As he came out of Jim's Grill and started running south again, he observed some items lying in the doorway to Canipe Amusement Company at 424 South Main. At the time, he had no idea as to the significance of these items lying in that doorway. He did not stop but kept running south on Main past Canipe's, going a distance of some 20 to 30 feet before stopping. His purpose in running past Canipe's was in order to look east around the corner of the building in which Canipe's is located to see if he could observe anyone running or any other suspicious activity, DOLLARITE stating that at this time he, of course, did not know the point from which the gun had been fired resulting in the killing of Dr. KING.

Upon running 20 or 30 feet south of Canipe's, he observed that there was no area at that location where anyone could run or conceal himself, there being some large outdoor signs and a fence located just south of Canipe's. In addition, he observed other officers running north on Main on the east side of the sidewalk, coming from the direction of the fire station, so that these officers would have been in a position to see anyone running or any other suspicious activity in the general area in which DOLLARITE was proceeding. He then turned around and walked north on the east side of Main to the

vicinity of the doorway to Canipe Amusement Company. About this time other officers arrived on the scene and took up a position around the items lying in front of the doorway to Canipe Amusement Company. Patrolman DOLLAHITE then walked west across Main Street in front of Canipe Amusement Company and stationed himself near a blue Camaro parked on the west side of Main opposite Canipe Amusement Company.

Patrolman DOLLAHITE advised that he is positive that after he arrived on Main Street, and until the officers had given their approval, no person left the area on foot. He is equally positive that no vehicle sped away from the area around Canipe Amusement Company after he arrived on Main Street. He stated that the only time he was not in a position to observe the activity in the 400 block of South Main after he first arrived there was during the time that he stepped into Jim's Grill. He stated, however, that he was in this grill only momentarily and he is certain in his own mind that he was not in Jim's Grill long enough for anyone to have run from either of the exits to a rooming house at 422½ South Main and thereafter run to an automobile and leave the scene without his having seen such activity.

With regard to the owner of Canipe Amusement Company, a white man, and two customers inside Canipe Amusement Company, two Negro males, he stated that he saw all three of these persons and was with a group of officers who were talking to these individuals. He stated, however, that as he ran south on Main before leaving Canipe Amusement Company, he did not see the white male, Mr. CANIPE, step out onto the sidewalk. He stated that since he was alone and one of the first officers to arrive in this area, his essential purpose was first to attempt to observe and locate any suspicious person who might be attempting to leave the area, and secondly, wherever he saw any people in business houses or otherwise, he instructed them to remain where they were so that officers later checking the area would have an opportunity to interview everyone who was in the area as soon as possible.

Patrolman DOLLAHITE advised that after other officers had arrived in front of Canipe Amusement Company, and after he had learned during the conversation that

ME 44-1987

4

one or more of the three persons inside Canipe Amusement Company reported hearing the "squealing" of tires as a white Mustang sped away from the area, he observed what he regarded to be skid marks at a point approximately one car length south of the doorway to Canipe Amusement Company. In pointing out the general area where he observed these skid marks, Patrolman DOLLAHITE observed that there is space for three automobiles to park between the first driveway south of Canipe Amusement Company (on the east side of Main) and a no parking zone around a fire plug just to the north of this driveway. He stated that he would estimate that the skid marks which he observed were made by an automobile parked in the center parking area, assuming all three parking spaces were filled at the time.

As to automobiles parked on the east side of Main in the area in front of Canipe Amusement Company at the time he arrived on the scene, he stated he cannot now recall a description of the vehicles which he did see. However, he does recall observing about a 1962 red Chevrolet station wagon which he believes was parked in the first space south of the above-mentioned driveway. He advised that he was also under the impression he had seen this station wagon at another point just north of this driveway and possibly the owner had moved the car later on during the evening. He stated that there was an automobile parked directly in front of Canipe Amusement Company, but no automobile parked in the space immediately behind the car in front of Canipe Amusement Company. It was in this blank space, or the number two position south of Canipe Amusement Company, that he saw what he thought to be skid marks and which appeared to have been made as a car pulled away from that position going north on Main Street.

Patrolman DOLLAHITE advised that he had his firearm in his hand at all times when he was in the 400 block of Main Street, and if the witnesses in Canipe Amusement Company reported seeing a Deputy running south on Main carrying a firearm, then undoubtedly these witnesses were referring to him, Patrolman DOLLAHITE.

TORRENCE N. LANDERS, Patrolman, Memphis Police Department, furnished the following information:

On the afternoon of April 4, 1968, he was a member of Mobile Tactical Unit Ten which consisted of 3 vehicles. Shortly prior to 6:00 PM, the unit stopped at the fire station located in the 400 block of S. Main Street at E. Butler Avenue. Doctor MARTIN LUTHER KING, JR., was staying at the Lorraine Motel at the time, and the motel was located approximately one block from the fire station. At approximately 5:50 PM on April 4, he heard a sharp sound which resembled a firearm being discharged, however, no one else paid any attention to the noise and he paid no further attention to it, however, a few moments later someone in the fire station announced that Doctor KING had been shot. He immediately left the fire station by the door on the northwest corner, ran along side the station to a retaining wall in back of the station which is also Mulberry Avenue. He and another officer jumped down onto Mulberry Street and ran to the Lorraine Motel where a group of Negroes were gathered on the walk beneath the balcony. There was a great deal of turmoil, and he asked one of the men present, from what direction the shot was fired. This individual pointed to the second floor windows of a rooming house on S. Main Street and said, "from over there."

Officer FLANDERS immediately left the motel on foot, ran across Mulberry Street, and leaping on an empty 55 gallon drum which was on the sidewalk, he boosted himself up onto the top of a retaining wall. He then searched the ground in back of the rooming house for footprints, however, he found none with the exception of 2 footprints near a cellar door. It had rained the previous day and the ground was soft and any footprints would have been easily noted. Just a few minutes later, he was joined in the search by a deputy sheriff, who was wearing a light colored helmet. LANDERS stated that he, himself, had no hat and he was wearing a light blue shirt, no tie, and dark blue trousers.

The ground level premises in the area were immediately searched, however, nothing was revealed or noted connected to this investigation. He also advised that in a matter of a few minutes the area was swarming with officers who sealed off the area in a effort to apprehend the individual responsible for shooting Doctor KING. He reiterated that he is positive if anyone had been across the street from the Lorraine Motel in the area behind the rooming house in the 400 block of S. Main Street, he would have been able to observe the individual's footprints, however, none were noted,

FEDERAL BUREAU OF INVESTIGATION

Date April 16, 1968

CHARLES ELVIN STONE, [REDACTED], Memphis, Tennessee, was interviewed at the Number Two Engine House, Memphis Fire Department, 474 South Main Street. STONE advised that he is a member of the Memphis Fire Department, and has been in this employment for the past three years. He stated that he was on duty at the Firehouse on April 4, 1968, and was a witness to the shooting of DR. MARTIN LUTHER KING. He stated that at approximately 6:00 p.m. on that date, he was in the rear locker room of the Fire Department, and was looking out the back window across the street to the motel where DR. KING was staying. He advised that DR. KING was standing on the balcony outside of his hotel room, and was talking to another individual below the balcony. STONE stated that there was another man standing to the right of DR. KING, and a number of other individuals located in the courtyard directly below the hotel room of DR. KING.

STONE stated that as KING was talking to the individual below him, a shot rang out, and DR. KING fell over backwards. STONE stated that he was stunned for a few seconds, and after realizing what had happened, ran inside to the center of the firehouse, and told both the other firemen and the police officers that were in the firehouse at that time that DR. KING had been shot. At first the officers thought that STONE was joking, but one of the other firemen came rushing in saying the same thing. At that instance, all of the police officers rushed out of the firehouse in an attempt to cut off the area in which the shooting occurred. STONE stated that at approximately ten seconds later, he went out the side door of the Fire Department, and proceeded towards Mulberry Street, the street on which DR. KING's motel was located. STONE stated there was mass confusion at the hotel as people were running to see what had happened, and the only ones he saw on the street at that time were the police officers who were converging on the area. STONE stated that he did not notice any white man in the area immediately after the shooting nor did he notice any individual wearing a white hood. STONE stated that after a few minutes, he walked to the front of the Firehouse, but stated that he did not observe any white Mustang on Front Street or in that vicinity.

STONE also advised that he did not notice a Mustang of that type near the Firehouse at any time during that day.

STONE stated that with him in the locker room at the time of the shooting were Lieutenant LOENNEKE and Fireman KING, both members of the Fire Department, and a Negro police officer, Officer RICHMOND. STONE stated that all of these individuals were watching the hotel room at the time DR. KING was shot, and all saw the actual shooting. STONE stated that from the sound of the shot, he thought it came from the parking lot located north of the Fire Department, but that it could have been slightly further north.

STONE advised that he was unable to furnish any positive information concerning the individual who fired the shot killing DR. KING.

FEDERAL BUREAU OF INVESTIGATION

Date April 15, 1968

Mr. GEORGE W. LOENNEKE, [REDACTED], Memphis, Tennessee, was interviewed at the Memphis Police Department, and furnished the following information:

LOENNEKE stated that he is a Lieutenant at the Memphis Fire Department, and is regularly assigned to Fire Station Number 2, located at 474 South Main Street. He advised that he was on duty at this location on April 4, 1968. LOENNEKE stated that at approximately 6:00 p.m. on that date he was standing, looking through a peephole in a newspaper, which had been placed over the window on the rear door of the fire station. He stated that he was in the locker room at the rear of the station, and with him was a Negro police officer, Officer RICHMOND, and another fireman named WILLIAM KING.

LOENNEKE went on to state that as he approached his locker, which was to the right of the window, Officer RICHMOND called him and said, "DR. KING is fixing to leave his hotel room." LOENNEKE stated that he then asked Officer RICHMOND to let him look at KING, as LOENNEKE had not seen DR. KING for approximately two years. While LOENNEKE was looking through the peephole of the window, he saw DR. KING standing and leaning against the rail, looking down to the parking lot, saying something to another Negro male. Individuals by the name of BABY JESUS and Reverend BEVEL were standing to the extreme right of DR. KING. LOENNEKE stated that as DR. KING turned slowly to his left to say something to the individual below was when the shot was fired. LOENNEKE advised that it appeared to him as though DR. KING was looking at something or someone that fired the shot. LOENNEKE immediately turned to Police Officer RICHMOND, and stated, "DR. KING has been shot." He stated that Officer RICHMOND went in a state of shock at the sound of this news, and did not take any immediate action.

LOENNEKE stated that he then ran through the apparatus floor, telling other police officers that DR. KING had been shot. He then went through the lunchroom of the engine house telling

the officers in that location that DR. KING had been shot. All police officers, upon hearing the news that DR. KING had been shot, immediately rushed out the door and proceeded in all directions in order to surround the motel in which DR. KING was staying.

LOENNEKE further advised that after he informed the police officers that DR. KING had been shot, he went out the front door of the station onto Main Street, but did not observe anyone running on Main Street or any pedestrian traffic whatsoever. In addition, he stated that he did not see a white Mustang on Main Street after the shooting nor did he hear the sound of an automobile leaving in a hurried manner.

LOENNEKE stated that while he was looking through the peephole, both before and immediately after DR. KING had been shot, he did not see any person on Mulberry Street wearing a light jacket or pull-over shirt with a hood on it. He stated that just prior to the time DR. KING was shot, two Negro females were standing on the second floor balcony, a short distance from DR. KING. LOENNEKE advised that at the time DR. KING was shot, these women started hollering in excitement, and appeared to be in a state of shock. He stated that both women, after realizing what had happened, then began to attempt to administer help to DR. KING. He also advised that there was a white man, without a suitcoat and wearing black horn-rimmed glasses, who approached the body of DR. KING, and then left to obtain more towels, which were being used to stop the blood coming from DR. KING's body. LOENNEKE stated that he had seen this white man previously that date with DR. KING, and assumed that he was in DR. KING's party. Approximately thirty seconds after the shot had been fired, a Negro male appeared on the balcony, and started taking photographs of DR. KING's body. LOENNEKE thought this odd at the time because the individual made no attempt to assist DR. KING, but was more concerned with the taking of the pictures.

LOENNEKE further stated that at the time the shot was fired, he saw only one man in the courtyard or parking lot beneath DR. KING's balcony, and this man he assumed was DR. KING's personal chauffeur.

LOENNEKE advised that to the best of his knowledge, the shot that was fired came from the left of the firehouse and from a position which could not be seen from the window from which

Mr. GUY WARREN CANIPE, JR., [REDACTED], Memphis, Tennessee, telephone number [REDACTED], owner of Canipe Amusement Company, 424 South Main Street, Memphis, Tennessee, telephone number 525-0439, furnished the following information to [REDACTED], Homicide Bureau, Memphis Police Department, and Special Agent [REDACTED].

He has been in business in the South Main Street area for the past twenty years. His store had been closed and unattended most of the day, April 4, 1968, he having been with Mr. EDWIN BODENHEIMER, [REDACTED], Memphis, one of his competitors and a close friend, during the day. He had left his store around 9:00 or 9:30 A.M. and did not return until after 5:00 P.M.

Soon after he returned, two Negro males came into his store and started looking at phonograph records on some shelves on the south side of the store near the front door. He had been playing records on a "jukebox" located toward the front of the store. He did not hear a shot or noise which he thought might be a shot anytime around 6:00 P.M. One of the Negro men was overheard by him subsequently to say that he, the customer, did hear a shot.

Sometime around 6:00 P.M. (although he has no way of fixing the time), he heard a "thud" in the vicinity of the front door of his store. He looked up to observe a bundle lying in front of the door to his store. He pointed out that the front door of his store is offset or located in a recess off the sidewalk. Almost simultaneously as he looked up after hearing this "thud," he saw a white man walking south on the sidewalk in front of his store.

After hesitating momentarily, Mr. CANIPE walked out onto the sidewalk, looking in both directions to see what happened to the man who obviously had dropped this bundle. As he did this, a white small car, possibly a compact, pulled away from the curb on the east side of Main Street at a point just south of his store. There was only one man in the car, namely the driver.

by SA [REDACTED] Date dictated 4/9/68

When Mr. CANIPE looked north on Main Street he saw a Deputy Sheriff walking rapidly on the sidewalk on the east side of Main, approaching Mr. CANIPE, this Deputy having his revolver drawn. Mr. CANIPE, concluding that something unusual had just occurred, immediately stepped back into his store. This Deputy proceeded south on the sidewalk past his store, not stopping. A short time later after other officers had arrived, he saw this same Deputy and talked to him. He does not know his name.

After additional officers arrived, their attention was called to the bundle lying to the front of CANIPE's store.

As to the contents of the bundle or package which he observed, he pointed out that it appeared to be a rather large pasteboard box about the size he would expect a shotgun or rifle to be shipped in. The top of this box was ajar and he observed a portion of a gun barrel. There was some type cloth over the top of this bundle, which cloth was green in color and which impressed him as possibly being a curtain of some kind. In observing this bundle he noticed that the pasteboard box had the word "Browning" on it. He also saw some type of suitcase or brief case underneath the cloth.

As to the parking situation in front of his store, Mr. CANIPE furnished the following information:

In front of his store on the east side of Main there are three parking spaces between a fire plug and a driveway south of his store. He usually is able to park in one of these spaces. However, when he arrived at his store after 5:00 P.M., April 4, 1968, all three of these spaces were filled and he had to park his 1962 red station wagon at a point south of the above mentioned driveway. He does not recall noticing the make and model of the three cars parked in these spaces, but he is certain that there was a white smaller car, possibly a Valiant or Comet, parked in the parking space nearest his door (which will be referred to as parking space number one). He does not recall the cars parked in spaces two and three south of this white car.

He is certain in his own mind that the white small car he saw pull away from the curb as he looked out of his door, as outlined above, was parked in either number two parking space or number three parking space, but he does not know which of these spaces this car was parked in. He cannot

ME 44-1987

3

further describe the car that pulled away, but he heard one of the Negro male customers tell the Police that this car that pulled away was a Mustang. He definitely knows the car was white and was sure that the car was a smaller car, possibly a compact car, rather than a full-size average American car such as a standard model Ford or Chevrolet. He stated that it would be his judgment that the car was at least a 1965 or later model. He did not observe the license plates at all.

Based upon the period of time which elapsed from the time he heard the "thud" near his front door until the time he walked out of his front door and saw the white small car pulling away, coupled with the fact that he did not see a man proceeding south on the sidewalk as he looked south, Mr. CANIPE feels that the man who had dropped or thrown the bundle in front of his store was the man driving the white small car away from the curb, as outlined above. He only knows that this man in the small white car drove north on Main past his front door. He does not know whether the car turned off Main Street at the next block or whether it continued to proceed north on Main Street. He does not think that the car was traveling unusually fast and he did not hear the tires "screech" as the car left.

As to a description of the man who dropped the bundle and walked south on Main past his store, Mr. CANIPE stated that he only had the opportunity to view this man momentarily, seeing the back of this man. He stated he saw the man's back and the man's left side only. He stated he did not see the man's face unless possibly he got a fleeting glance at the left side of the man's face. Mr. CANIPE furnished the following description of this man:

Race:	White
Sex:	Male
Age:	25 - 30, possibly older
Height:	5'10" - 6' (at first placed height at 6 feet but on reflection stated man might be shorter and in no event could he be certain as to approximate height)

Weight: 175 - 200 pounds
(at first estimated weight
at 170 - 185, stating if
man is as tall as 6 feet
then he might weigh as much
as 200, as he gained
impression man was "chunky")

Build: "Chunky"

Hair: Dark, cut normally
(definitely bareheaded)

Dress: Gained impression man wearing
dark colored suit

Over-all Impression: Very clean, neat in appearance,
clean cut.

Mr. CANIPE advised that no one was in his store at the time of the above related incident other than the two Negro males, one of whom has been purchasing records from him in the past, the other not being recalled as a former customer. He stated that he cannot recall any other persons in the immediate vicinity at the time, and the next person he saw after seeing the unknown man who dropped or threw down the bundle was the above mentioned Deputy Sheriff who was walking rapidly on the east side of Main Street toward CANIPE's store, having his gun drawn, when Mr. CANIPE looked out the door as outlined above. He described this Deputy as a white male, age twenty to thirty, bareheaded, 5'10", 165 pounds, wearing a Sheriff's Office uniform and definitely having the Shelby County Sheriff's Office insignia on his arm,

Mr. BERNELL FINLEY, [REDACTED], Memphis, Tennessee, home telephone number [REDACTED] who stated that he is an [REDACTED] Memphis, Tennessee, telephone number [REDACTED], was interviewed at his home by [REDACTED], Homicide Bureau, Memphis Police Department, and Special Agent [REDACTED]. He furnished the following information:

He got off work at approximately 5:20 P.M., April 4, 1968, and he and a fellow employee, JULIUS GRAHAM, drove in Mr. FINLEY's car, a 1964 white, four-door Rambler, directly to Canipe Amusement Company, 424 South Main Street, where they wanted to look over some old phonograph records. As they proceeded north on South Main Street to the vicinity of this store, they observed that all of the parking spaces in the block in front of CANIPE's store on the east side of Main were filled with automobiles. They continued north on South Main to Huling Street, turning right and parking Mr. FINLEY's car near a driveway under construction in the first block east of Main Street. They walked directly to Canipe Amusement Company. He estimated they arrived there about 5:30 P.M. There were no customers in Canipe Amusement Company other than Mr. FINLEY and Mr. GRAHAM. The two of them proceeded to look at old records in shelves on the south side of the store near the front of the store. The owner, Mr. CANIPE, was playing the "jukebox."

Sometime around 6:00 P.M., Mr. FINLEY heard a noise that sounded like a shot. He does not know whether Mr. GRAHAM or Mr. CANIPE heard this noise, as they said nothing and he said nothing. He attached no particular significance to hearing this noise at the time, but continued to look at records. Shortly thereafter and certainly within a matter of just a minute or so, he heard a second noise near the front door of CANIPE's store. He, Mr. GRAHAM, and Mr. CANIPE all immediately looked to the front door where they saw a box or package or bundle lying immediately in front of the door of this store. As his attention was attracted

to this box or package, he also saw a man walking rapidly south on the sidewalk on the east side of Main, it being obvious that this was the person who had dropped or thrown the package in front of CANIPE's store, there being no one else around in that area and the box or package not having been there earlier.

Mr. FINLEY recalls that Mr. CANIPE walked up to the door and Mr. FINLEY followed him. Mr. CANIPE opened the door and started outside but immediately backed up and said, "Get back, there's some kind of trouble out here and I don't want no part of it." Immediately thereafter, Mr. FINLEY saw a Deputy Sheriff walking rapidly on the sidewalk south on Main, with his gun drawn, this Deputy not stopping but continuing south on Main in the same direction in which the above mentioned unknown man had walked. A few minutes thereafter he saw this same Deputy in front of CANIPE's store with his gun still drawn looking up as though he were trying to observe the upper stories of the buildings in the vicinity. A number of other officers arrived immediately thereafter, all of them being on foot.

Just about the time that Mr. CANIPE started out of the front door of the store, Mr. FINLEY heard the "screech" of tires and looked up to see a white Mustang speeding north on Main past CANIPE's store.

Mr. FINLEY explained that there was a car parked in front of CANIPE's store and therefore he did not get a full view of the car which had sped away, but he did see the rear portion of the roofline, as well as the trunk of the speeding car, and there is no question in his mind that this was a white car and there has been no question in his mind but what the car was a Mustang.

At the time this car sped away, Mr. FINLEY stated that he did not associate the speeding white Mustang with the man who had dropped the box or package, but after he learned what had occurred and after reflecting on the matter, he is now of the opinion that the man who dropped the package and walked south on the sidewalk past CANIPE's store was probably the man who got into the white Mustang and sped away from the area, going north on Main. As nearly as he can recall the sequence of the events, this white Mustang sped away from the curb moments before the Deputy Sheriff walked south past CANIPE's store.

As to the cars in the parking spaces in front of and to the south of CANIPE's store on the east side of Main, Mr. FINLEY advised that the car in the first position (that is, the car in front of CANIPE's store) was there when he first arrived at CANIPE's store and was there when he eventually left the area. He stated that after he had been questioned by Police and left CANIPE's store, there were no other vehicles immediately behind the car in front of CANIPE's store. He stated he was not in position to tell whether the speeding white Mustang pulled away from a parking space immediately behind the car which remained parked in front of CANIPE's store, or whether possibly it pulled away from a parking space farther south of this point.

Mr. FINLEY stated that he simply did not observe whether there were one or more occupants in the speeding Mustang, and he did not observe the license plates on this Mustang. He stated that the Mustang was one of the standard varieties and not the "Fastback" variety of Mustang.

Mr. FINLEY stated that the first person he saw in the area after his attention was first attracted by the dropping of the box was the above mentioned Deputy Sheriff with a revolver in his hand, and he knows of no one other than himself, Mr. CANIPE, and Mr. GRAHAM who saw the man in question and who saw the white Mustang speed away from the area, going north on Main.

As to the box or package dropped or thrown down by the unknown man, Mr. FINLEY stated that he observed a pasteboard box about 4 feet x 6 or 8 inches x 3 or 4 inches, having a tag of some kind on it, the top to this box being partially off to the point where he could see from one foot to 18 inches of the barrel of a gun. Eventually he observed that this gun was a rifle with a scope on it. There was some type of luggage, approximately 2 feet x 1½ feet x 6 or 8 inches, larger than an attache case, and some type of cloth folded over both of these items.

Mr. FINLEY stated that after the above mentioned armed Deputy Sheriff walked past CANIPE's store and after some other officers had arrived and were in front of CANIPE's store, Mr. CANIPE motioned to the officers from inside CANIPE's store, attracting the attention of one of them and pointing out the items left in front of the store and explaining to them what had occurred.

 to [REDACTED] Homicide Bureau, Memphis Police Department,

He accompanied Mr. BERNELL FINLEY from their place of employment to Canipe Amusement Company, 424 South Main Street, Memphis, where they arrived about 5:30 P.M. on April 4, 1968. He recalls that as they approached the store, proceeding north on Main Street, there were no parking spaces on the east side of Main in the block in front of this store. He also recalls that as they were looking for a parking space there definitely were two white cars in the parking spaces in front of and to the south of Canipe Amusement Company. The second of these two white cars, or the one slightly south of the CANIPE store was definitely a white Mustang. He believes the other white car, the one in front of CANIPE's store, was probably a white Rambler. He cannot remember a third car being parked behind the Mustang. The Mustang he saw as they approached the store looking for a parking place was the ordinary variety of Mustang rather than the late model "Fastback" variety. He did not notice the license plates on this Mustang.

Mr. GRAHAM eventually parked Mr. GRAHAM's car on Huling Street, east of Main Street. Mr. GRAHAM and Mr. FINLEY thereafter walked to CANIPE's store and started looking at phonograph records in shelves on the south wall of this store near the front of the store. Mr. GRAHAM did not hear a shot or any other unusual noise while looking at records until he heard the noise caused by a man dropping a package on the sidewalk immediately in front of the front door of CANIPE's store. He stated, however, that he saw the man who dropped this package before he heard the noise. He happened to be looking toward the front door, his attention

having possibly been attracted by the footsteps of a running man. He is not sure but he believes he heard the footsteps of a man running and therefore looked toward the front door. Almost simultaneously as he looked up and saw a man carrying a large package of some kind, this man, who was walking south on the sidewalk immediately in front of CANIPE's store, stepped to the left and dropped the bundle in the recess in front of CANIPE's store and continued south on Main Street. Mr. GRAHAM stated that in his opinion this man was running rather than walking fast.

Mr. GRAHAM advised that the attention of both Mr. CANIPE and Mr. FINLEY was attracted by what had occurred when the man dropped the package, and all three of them started looking toward the front of the store and at the items which had been dropped. Mr. CANIPE started out of the front door, and as he recalls, "leaned" out of the front door looking in either direction, following which Mr. CANIPE came back in the store and made some remark about some trouble outside. Immediately after this a Deputy Sheriff walked south on the east side of Main, immediately in front of CANIPE's store, this Deputy passing the store and not stopping. He saw no other persons in the vicinity until some additional officers arrived on foot. Mr. GRAHAM later saw the same Deputy Sheriff who had walked past the store in the area in front of the store, still with his gun drawn. Eventually Mr. CANIPE was able to get the attention of one of the officers outside and pointed out the items in front of the store and the circumstances surrounding the presence of these items. Mr. GRAHAM observed a part of a gun barrel inside a large pasteboard box and also observed what appeared to him to be some type of green matting or cloth which appeared to be wrapped around the box containing the gun.

Prior to the time the armed Deputy first ran south past CANIPE's doorway, Mr. GRAHAM heard tires "screech" and observed a white Mustang to speed north on Main. The other white car, which Mr. GRAHAM believed to be a white Rambler, which had originally been parked in front of CANIPE's store, was still parked there at this time, and therefore his view of the car speeding away was partially obscured; however, Mr. GRAHAM is positive that the car which sped away was a white Mustang and there is no question in his mind but what it was the same Mustang he had seen earlier when he and Mr. FINLEY arrived in the vicinity of CANIPE's store, as outlined above. He stated he did not observe whether there was one or more people in this speeding Mustang.
