ADMINISTRATIVE

On April 19, 1968, the Washington Field Office initiated a check of files of the Passport Office, United States Department of State, concerning JAMES EARL RAY, and nothing identifiable with RAY was located. A further check is underway at the Washington National Record Center at Suitland, Maryland, in retired passport files.

In order to cover the possibility that subject RAY may have recently been issued a passport and the record thereof had not been received in Washington, [REDACTED] Passport Office, sent a teletype message to all passport agencies. The Passport Office in Honolulu was checked telephonically with negative results. On April 19, 1968, Mr. ROBERT D. JOENSON, Acting Director, Passport Office, telephonically advised SA [REDACTED] that all passport agencies had teletyped Washington that their records are negative concerning RAY.

Mr. JOENSON further advised that he had issued instructions whereby the Duty Officer of the Passport Office was alerted concerning RAY and instructions were made to all passport agencies to refer immediately to the nearest FBI office any information concerning RAY and his intended travel.

The period of this report precedes the last period date of the last report, as this report contains investigation which for reasons of brevity were not included in the last report.

Leads for other offices continue to be set out by more expeditious means than by report, and it would serve no purpose to list such leads in this report.

It should be noted that in the interviews with persons who were at Jim's Grill, 418 South Main Street, on the night of 4/4/68 at about the time of the murder, they report seeing a white Mustang parked almost in front of Jim's Grill. The owner of this Mustang has not been located and has not voluntarily come forth. It is not believed that this Mustang is pertinent to this investigation and should not be confused with the Mustang that was parked just south of Canipe Amusement Company, 424 South Main Street, in which car it is believed the subject fled from the scene. The crime scene diagram on page 4 of referenced Memphis report indicates the positions, or what is believed to be the approximate positions, of the two white Mustangs as mentioned above.

INFORMANTS

All offices have been requested to maintain contact in this matter with criminal, security, and racial informants.

The Memphis Office has maintained contact with informants, none of whom have been able to furnish any positive information regarding the subject or his whereabouts.

Photographs of JAMES EARL RAY taken in 1955, 1960, and 1966, and of the bedspread recovered at Memphis on April 4, 1968, were shown to Mr. CHARLIE QUITMAN STEPHENS, Apartment 6B, 422½ South Main Street, Memphis, Tennessee. STEPHENS said the 1955 and 1960 photographs of RAY were not familiar to him, but he advised the 1966 profile photograph of RAY appearing in Wanted Flyer 442-A, April 19, 1968, and Identification Order 4182 dated April 20, 1968, looked like the man he saw in Apartment 5B on April 4, 1968, talking to Mrs. BESSIE BREWER. STEPHENS said he only saw the man's profile in the boarding house and as a result could only say the profile photograph of RAY in 1966 looked very much like the above mentioned man in Room 5B.

STEPHENS said he had never seen the bedspread or any similar bedspread either at the rooming house or anywhere else.

Reverend KYLES recalled that Dr. KING actually returned to Memphis on Wednesday morning, April 3, 1968, with several of his staff associates including the Vice President of SCLC, Reverend RALPH D. ABERNATHY, and his administrative assistant BERNARD LEE. They all checked into the Lorraine Hotel and Motel, 406 Mulberry Street, Memphis, and actually KYLES had rented rooms for some of the SCLC staff members under his name. He pointed out that actually he was registered in Room 312 of the Lorraine Motel as of April 3, 1968, although he did not physically occupy this room and did not now recall the exact SCLC individual who occupied Room 312. He recalled that Dr. KING occupied Room 306, as did Reverend RALPH D. ABERNATHY.

He recalled that Dr. KING and his staff remained in Memphis on the night of April 3, 1968, and also remained in Memphis on April 4, 1968. In addition, he pointed out that there had been widespread publicity in not only the Memphis news media, including the two daily white newspapers, but also on virtually all of the radio and television stations concerning the presence of Dr. KING and his staff in Memphis and of the fact that they were staying at the Lorraine Motel. He stated he could not recall the specific radio broadcast but there was at least one broadcast, possibly more, which even gave the room number, namely Room 306, in which Dr. KING was staying in Memphis, and that this information was readily available to anyone who tended to read the newspaper or took the time to listen to the radio news broadcasts. In other words, he said it was no secret as to where Dr. KING was staying.

Reverend KYLES recalled that he personally went to the Lorraine Motel at approximately 2:30 p.m. on April 4, 1968, and recalled that the Operation Breadbasket band, a singing group of the SCLC, was rehearsing in one of the rooms in the motel, this group being led by BEN BRANCH, a former music teacher of Memphis, Tennessee. KYLES joined this group and they all sang various hymns and SCLC songs until approximately 5 p.m. At this point, Reverend KYLES went to Room 306 of the Lorraine Motel to visit with Dr. MARTIN LUTHER KING, JR., and Reverend RALPH D. ABERNATHY. He pointed out that he had earlier invited Dr. KING and Reverend ABERNATHY to his home at [REDACTED] for a "soul dinner" on the evening of April 4, 1968, pointing out

that Dr. KING and Reverend ABERNATHY both savored "soul food," which would normally consist of neck bones, chitterlings, turnip greens and black-eyed peas, and that his wife had consented to cook such a dinner for Dr. KING and his group. He pointed out that both KING and ABERNATHY had been reminded by him earlier that dinner was to be at approximately 6 p.m.

He recalled that during the approximate period from 5:30 p.m. to 5:55 p.m., April 4, 1968, that Dr. KING, Reverend ABERNATHY and Reverend KYLES sat and talked in Room 306 as Dr. KING and ABERNATHY dressed in preparation for the dinner appointment. At a time estimated by KYLES as being 5:55 p.m., or thereabouts, Dr. KING walked out of Room 306 of the Lorraine Motel, the door of which faces west and overlooks a swimming pool and parking area onto Mulberry Street, which is a narrow north-south street in Memphis. Dr. KING's room, 306, was on the second floor and as one walks out of the room there is a balcony and walkway area, the balcony having an iron rail approximately three feet high to keep one from falling off the balcony. Dr. KING, KYLES recalled, stood on the balcony and was speaking with various people standing in the parking area of the motel directly beneath him. One of the persons with whom Dr. KING was speaking was Reverend JESSE JACKSON, an SCLC staff member from Chicago, Illinois. KYLES recalled leaving Room 306 and going out and talking with Dr. KING, telling him not to bring too many people to his house or there would not be enough food to satisfy all of them. KYLES also recalled that SOLOMON JONES, a local Negro who works for one of the funeral homes, had been Dr. KING's chauffeur while in Memphis and that KING may have made some comment to JONES about getting the car ready for their trip to the KYLES residence.

Reverend KYLES also recalled that at about this period of time Reverend ABERNATHY had applied shaving cream to his face preparing to take a quick shave before departing to dinner and that KYLES and KING were standing side by side on the balcony and he also recalled that KING spoke to CHAUNCEY ESKRIDGE who is an attorney for SCLC and who was in Memphis with the SCLC staff.

Others recalled by KYLES being on the ground level within viewing and listening distance of Dr. KING were Reverend JAMES L. BEVEL, also of the SCLC staff and who has recently been living in Chicago, and several young Negroes, names not recalled, who had been hanging around and supporting the sanitation workers strike. He pointed out that he would put these folks in the category of "hero worshipers" who liked to be around KING and other important personages.

At this point, KYLES estimated the time as being approximately 6 o'clock p.m., and stated that he, KYLES, started to walk north on the balcony walkway toward the old Lorraine Hotel portion of the establishment for the purpose of getting his car, which was parked on the parking lot. He recalled looking down and saying something to CHAUNCEY ESKRIDGE who was standing on the ground and estimated that he had walked approximately four door lengths north of Room 306 when he, KYLES, heard a loud but possibly muffled sound. At first he thought it was a noise from the immediate area possibly caused by the backfiring of an automobile or possibly even a loud firecracker which had exploded in the immediate vicinity.

He was next conscious of seeing Reverend JAMES L. BEVEL who had been standing on the ground north of Room 306 running to the motel area ostensibly for cover and recalled some unknown individual yelling in a loud voice, "They've shot MARTIN!" At this point he turned around and looked back south toward the entrance of Room 306 and was next conscious of seeing Dr. KING's prone body. KING was resting on the balcony floor with his back to the floor, his face facing upward, his feet partially protruding through the grill work of the iron railway, and his head headed in a southeasterly direction toward the passageway just south of Room 306.

KYLES continued that he took a quick glance at KING's prone body after reaching same and saw a gaping hole in what he recalled to be the right side of KING's face in the area of his cheek bone and protruding downward into his neck area. He stated that he was not familiar with guns or gun wounds but he subconsciously realized that the

noise which he had heard had undoubtedly been that of a gunshot which had wounded Dr. KING. He pointed out that KING's eyes appeared to be open and that he personally felt KING may still have been alive. He was not conscious of anyone else near KING's body at this time and pointed out that he went into a state of shock and ran rather hysterically into Room 306 where he attempted to use a telephone for the purpose of calling an ambulance. In the meantime, ABERNATHY had run out of Room 306 with shaving cream still on his face in an effort to see what had happened to Dr. KING. KYLES pointed out that in his confusion he was unable to pick up the phone properly to call the motel switchboard to ask for an ambulance and recalled ABERNATHY running back into the room and telling him to settle down and gain his composure as everything would be all right.

KYLES came back out of the room to the vicinity of KING's body and was next conscious of seeing several uniformed Memphis Police officers running on foot toward the vicinity of KING's body and recalled some of them yelling, "What happened?" He stated that he recalled yelling at some of the police officers to call an ambulance. He was next conscious of Reverend ABERNATHY leaning over KING's prone body attempting to talk with KING or to get some response from him and could recall hearing ABERNATHY say, "MARTIN, can you hear me?"

Reverend KYLES recalled running into Room 306 and grabbing up a bedspread off one of the beds which he brought out to use to cover KING's body. He recalled that a white male employee of the United States Justice Department, name not recalled, who had been staying at the motel brought a towel which someone held over the large gaping wound on the right side of KING's face.

Within a few moments an ambulance arrived to take KING's body to a hospital and he recalled that a JOSEPH LOUW, an African who is a photographer and who was staying at the motel, took some pictures in the immediate vicinity and that many of the people who by this time had come to the balcony seemed to point toward the west side of Mulberry where there is a thicket of bushes and empty land bordered further on the west by the back side of some old two-story brick buildings which face on Main Street and indicated in

ME 44-1987

6

their pointing and comments that the shot probably came from that general direction. In other words, the shot came from the west toward the east.

Thereafter, according to Reverend KYLES, an ambulance crew took Dr. KING's body to the St. Joseph Hospital.

Reverend KYLES looked at a series of photographs which appeared in "Life Magazine," issue of April 12, 1968, some of which were taken immediately after the shooting of Dr. KING and prior to the arrival of the ambulance and which depict Dr. KING's prone body lying face up on the concrete walkway on the second floor balcony of the Lorraine Motel and taken by Photographer JOSEPH LOUW. He stated that the only people that he could identify by name in the early photographs prior to the arrival of the ambulance were Reverend ANDREW YOUNG of the SCLC staff and some local unidentified Negroes who were apparently assisting in an effort to render immediate first aid to Dr. KING. Reverend KYLES pointed out that these photographs must have been taken almost immediately following the shooting of Dr. KING because they do not show the bedspread over KING's body.

He stated that very few people actually were cognizant of the fact that Dr. KING was to be a dinner guest at his home on the evening of April 4, 1968; that among the guests who had been invited to his recollection were Dr. KING, his brother, Reverend A. D. WILLIAMS KING, and two of the latter's companions, Mrs. LUKIE WARD and Mrs. GEORGIA M. DAVIS, both of Louisville, Kentucky; and that Reverend ABERNATHY was to have been there, as was CHAUNCEY ESKRIDGE. He stated that Reverend ANDREW YOUNG and HOSEA WILLIAMS, both of the SCLC staff, were also to be his dinner guests on that evening.

He stated that to his recollection there had been no publicity concerning the fact that KING and his small party were to be his dinner guests and that it appeared to be a mere coincidence that Dr. KING walked out in front of the doorway of Room 306 and stood there some four to five minutes prior to the time that he was shot.

Reverend KYLES stated that he had searched his memory during the intervening time subsequent to Dr. KING's being shot and that at no time could he recall seeing anyone to the west or northwest from which direction he is now convinced the shot came. He saw no one looking out any of the windows in the buildings facing Main Street, the rear entrances of which would have faced the Motel; and he saw no one on the ground below.

He stated that he talked with CHAUNCEY ESKRIDGE shortly after the shooting and that ESKRIDGE who was on the ground level in the parking area in front of the Motel stated that after the shot he, ESKRIDGE, had run west from the Motel to the middle of Mulberry Street but that he did not see anyone with any firearm either on the ground or in any of the buildings. Reverend KYLES recalled that SOLOMON JONES has been reported to have stated that he saw someone possibly with a white headpiece in the ground area just west of the west side of Mulberry Street behind the bushes and possibly saw someone drop something in that area.

Reverend KYLES stated that in fairness to JONES, JONES could not have seen the ground area which he had originally described because of the fact that there is a brick retaining wall which surrounds the swimming pool and that JONES would have been behind this wall when KING was shot and could not have seen behind the bushes on the west side of Mulberry Street as this wall is about eight feet tall.

Reverend KYLES concluded that none of his acquaintances in the SCLC or other acquaintances in Memphis who have been close to the Negro movement can recall anything concerning any suspicious movements in the vicinity of the Lorraine Motel immediately preceding or during the time that Dr. KING was shot.

LOYD JOWERS, owner, Jim's Grill, 418 South Main Street, advised that at approximately 3:55 p.m. on April 4, 1968, he arrived at the Grill, and parked directly in back of a white Mustang that was parked on the street directly in front of his Grill. He stated that upon parking the car he went into the Grill where he saw a stranger sitting at the bar having a meal. He stated that it was unusual for him to get any strange customers in the Grill since most of his customers were local people of a steady nature. Mr. JOWERS described the stranger as follows:

Race:	White
Sex:	Male
Height:	5'8" to 5'9"
Weight:	160 pounds
Build:	Heavy
Age:	27 to 30

Mr. JOWERS stated that in his estimation, this individual acted strangely because he seemed very calm when everyone else at the Grill and in the area was excited over the shooting. In view of the fact that he felt the individual was acting strange and also because he was a stranger in the area, Mr. JOWERS called the Police, and told them that he had a man of a suspicious nature at the Grill. He said he would estimate it was approximately 5:05 p.m., when he walked in front of a Mustang automobile which was parked close to Jim's Grill. He explained there is a fire plug on the east side of South Main Street very close to the entrance of Jim's Grill. He stated immediately to the north of the fire plug was parked a white Cadillac that is owned by the owner of Jim's Grill. He said immediately in front of this Cadillac, which would be the second space north of the fire plug, was parked a Mustang. He stated he is familiar with Mustangs and knows this was a Mustang automobile. He said he felt that this was a white car that appeared to be dirty and not recently washed. He said this car did not have hubcaps, had black tires, but he did not notice the interior of the car. He said he did not look at the license, but glanced down and there was no front license plate. He said also he noticed in the window there was no city of Memphis sticker in this window. He said he does not recall that anything else was hanging from hangers or the rear view mirror of this car.

Mr. WOOD stated he entered Jim's Grill and began playing shuffle board and pinball machine located inside the grill. WOOD explained the shuffle board is located in the northwest corner of this building and that it is close to the front window of Jim's Grill. He stated, however, he was interested in playing shuffle board and the pinball machine and did not look out the window while he was playing either machine. WOOD stated that after the door was locked they ceased playing pinball and shuffle board and looked out the window. He said this was shortly after 6:00 P.M., and he noticed at that time the white Mustang that had been parked in front of the grill was gone. He added he recalls that a ~~Mustang~~ owned by JIMMY WALKER was parked just south of the fire plug and that just north of the Mustang was parked a white Lincoln Continental automobile. He said in front of the Lincoln was parked a white Rambler and added there were no cars parked in front of the Rambler to the corner of the intersection of Huling and South Main. Mr. WALKER advised he left work about 5:15 p.m., on April 4, 1968, and drove his 1962 white Fairlane Ford to the area of Jim's Grill located at 418 South Main Street, Memphis. He stated he arrived at the area of Jim's Grill at approximately 5:20 p.m., and attempted to park in his usual parking place that is near the entrance to Jim's Grill. He said when he pulled up he noticed JOWERS' Cadillac parked in the first parking space just north of the fire hydrant that is near the entrance of Jim's Grill. Records of St. Joseph Hospital, Memphis, Tennessee, contain the following information concerning the admittance and treatment of DR. MARTIN LUTHER KING, JR. on the evening of April 4, 1968:

"EMERGENCY ROOM SUMMARY - Dr. Martin Luther King

"The following is an Emergency room Summary on Dr. Martin Luther King who was brought into the Emergency room by an ambulance stretcher at approximately 6:15 p.m. on 4/4/68 immediately following an apparent gunshot wound of the right side of the face and neck.

"At the time of the patient's admission to the Emergency room Dr. Ted Galyon was in attendance in the Emergency room talking to the nurse about an out-patient who had just left the Emergency room. He went directly into Room #1, where the patient was, with Mrs. Steinkirch, Emergency room nurse and finding the patient totally unconscious flat on his back in the supine position with his head turned slightly to the left side. There was a large gaping wound in the root of the neck on the right side which was not actively bleeding at the time of his initial arrival. There was much blood on his clothes, neck and shoulder. His head was partially covered with a towel over the area of the wound.

"Dr. Galyon immediately secured a stethoscope, detected a palpable heart beat and radial pulse and started a cutdown over the left antecubital vein which was done immediately for fluids. These were started while blood was ordered from the Laboratory for resuscitation. A second cutdown was started in the ankle in the saphenous vein by Dr. John Reisser for blood which was infused under pressure. The surgical resident, Dr. Rufus Brown came in at 6:18 p.m. and

because of the massive defect in the wound and no respiration a tracheotomy was started. Dr. Barrasso came in at 6:22 p.m. and completed the tracheotomy and a cuffed endotracheal tube was inserted. Assisted respiration was then carried out on this patient. Following the re-establishment of an airway on this patient, the heart was again auscultated and very little tone could be heard. An EKG was immediately ordered by Dr. Galyon and Dr. Barrasso and the strip showed very poor to no function. Intracardiac Adrenalin was immediately injected and closed chest cardiac massage begun.

"In the meantime, exploration of the neck was carried out by Drs. Barrasso and Galyon who found that the jugular vein on the right was severed. A large artery, which was felt to be probably subclavian, was shredded and sticking up into the wound with very little bleeding at this time. In addition, there was much bubbling and a portion of the right apex of the lung was bulging through the wound.

"On further exploration a defect in the vertebral bodies of C7 to T2 was present with complete loss of spinal cord substance. Dr. Fred Gioia was then called to confirm this diagnosis and attempts to secure closure of the chest cavity by packing and clamping of the vessels was done. A right closed thoracotomy tube was inserted in an attempt to drain the blood from the right chest and re-expand the lung. Immediately on insertion of the tube 1000 cc. of blood was obtained from the right chest cavity. At the time Dr. Gioia confirmed the diagnosis of loss of spinal cord substance. This patient's pupils were massively dilated with no reaction.

"Dr. Joe Wilhite, a chest surgeon, was also called in attendance and consultation. Dr. Julian Fleming came to the Emergency room at our request and an EKG strip was done which showed no function. The cardiac massage was continued with all resuscitative efforts being continued for approximately 50 minutes, during which time we had had no response of any kind of vital signs and patient was pronounced dead at 7:05 p.m. by Dr. Barrasso.

[REDACTED] Inspectional Bureau, Memphis Police Department, Memphis, Tennessee, advised that he and [REDACTED] met Memphis City Engineer ARTHUR C. HOLBROOK, P. E., Tennessee License No. 5173, and a surveying crew at the Lorraine Motel on April 23, 1968, at 8:30 a.m. Certain engineering measurements were subsequently taken.

[REDACTED] advised that an engineer's transit was placed over the spot where Dr. MARTIN LUTHER KING, JR., was shot, the telescope being positioned 59 inches above the balcony floor. This height was based on information contained in the autopsy report of Dr. MARTIN LUTHER KING, JR., which indicated that the missile entered his body at a point 59 inches above the right heel with the head positioned to correspond with the path of the missile. He stated that the point where Dr. KING was standing when shot was indicated to them by Reverend JAMES BEVEL, a representative of the Southern Christian Leadership Conference, who was staying at the Lorraine Motel.

From this position, two triangles were established with a baseline common to the two triangles established and measured. Every effort was made to ensure accuracy. It was determined that the level distance from the second floor rear bathroom window sill of 422½ South Main Street to the point where Dr. KING was standing on the balcony of the Lorraine Motel was 206.36 feet and the in-line distance from the window sill to the point where Dr. KING was standing was 207.02 feet. The window sill at the rear of 422½ South Main was determined to be 16.63 feet higher than a point 59 inches above the floor of the balcony of the Lorraine Motel at the location Dr. KING was standing when he was shot. The downward angle of the direct in-line distance from the second floor window sill at the rear of 422½ South Main to a point 59 inches above the balcony of the Lorraine Motel at the point where Dr. KING was standing was determined to be 4 degrees 36 minutes 25 seconds.

Reverend KYLES recalled that Dr. KING actually returned to Memphis on Wednesday morning, April 3, 1968, with several of his staff associates including the Vice President of SCLC, Reverend RALPH D. ABERNATHY, and his administrative assistant BERNARD LEE. They all checked into the Lorraine Hotel and Motel, 406 Mulberry Street, Memphis, and actually KYLES had rented rooms for some of the SCLC staff members under his name. He pointed out that actually he was registered in Room 312 of the Lorraine Motel as of April 3, 1968, although he did not physically occupy this room and did not now recall the exact SCLC individual who occupied Room 312. He recalled that Dr. KING occupied Room 306, as did Reverend RALPH D. ABERNATHY.

He recalled that Dr. KING and his staff remained in Memphis on the night of April 3, 1968, and also remained in Memphis on April 4, 1968. In addition, he pointed out that there had been widespread publicity in not only the Memphis news media, including the two daily white newspapers, but also on virtually all of the radio and television stations concerning the presence of Dr. KING and his staff in Memphis and of the fact that they were staying at the Lorraine Motel. He stated he could not recall the specific radio broadcast but there was at least one broadcast, possibly more, which even gave the room number, namely Room 306, in which Dr. KING was staying in Memphis, and that this information was readily available to anyone who tended to read the newspaper or took the time to listen to the radio news broadcasts. In other words, he said it was no secret as to where Dr. KING was staying.

Reverend KYLES recalled that he personally went to the Lorraine Motel at approximately 2:30 p.m. on April 4, 1968, and recalled that the Operation Breadbasket band, a singing group of the SCLC, was rehearsing in one of the rooms in the motel, this group being led by BEN BRANCH, a former music teacher of Memphis, Tennessee. KYLES joined this group and they all sang various hymns and SCLC songs until approximately 5 p.m. At this point, Reverend KYLES went to Room 306 of the Lorraine Motel to visit with Dr. MARTIN LUTHER KING, JR., and Reverend RALPH D. ABERNATHY. He pointed out that he had earlier invited Dr. KING and Reverend ABERNATHY to his home at [REDACTED] for a "soul dinner" on the evening of April 4, 1968, pointing out

that Dr. KING and Reverend ABERNATHY both savored "soul food," which would normally consist of neck bones, chitterlings, turnip greens and black-eyed peas, and that his wife had consented to cook such a dinner for Dr. KING and his group. He pointed out that both KING and ABERNATHY had been reminded by him earlier that dinner was to be at approximately 6 p.m.

He recalled that during the approximate period from 5:30 p.m. to 5:55 p.m., April 4, 1968, that Dr. KING, Reverend ABERNATHY and Reverend KYLES sat and talked in Room 306 as Dr. KING and ABERNATHY dressed in preparation for the dinner appointment. At a time estimated by KYLES as being 5:55 p.m., or thereabouts, Dr. KING walked out of Room 306 of the Lorraine Motel, the door of which faces west and overlooks a swimming pool and parking area onto Mulberry Street, which is a narrow north-south street in Memphis. Dr. KING's room, 306, was on the second floor and as one walks out of the room there is a balcony and walkway area, the balcony having an iron rail approximately three feet high to keep one from falling off the balcony. Dr. KING, KYLES recalled, stood on the balcony and was speaking with various people standing in the parking area of the motel directly beneath him. One of the persons with whom Dr. KING was speaking was Reverend JESSE JACKSON, an SCLC staff member from Chicago, Illinois. KYLES recalled leaving Room 306 and going out and talking with Dr. KING, telling him not to bring too many people to his house or there would not be enough food to satisfy all of them. KYLES also recalled that SOLOMON JONES, a local Negro who works for one of the funeral homes, had been Dr. KING's chauffeur while in Memphis and that KING may have made some comment to JONES about getting the car ready for their trip to the KYLES residence.

Reverend KYLES also recalled that at about this period of time Reverend ABERNATHY had applied shaving cream to his face preparing to take a quick shave before departing to dinner and that KYLES and KING were standing side by side on the balcony and he also recalled that KING spoke to CHAUNCEY ESKRIDGE who is an attorney for SCLC and who was in Memphis with the SCLC staff.

Others recalled by KYLES being on the ground level within viewing and listening distance of Dr. KING were Reverend JAMES L. BEVEL, also of the SCLC staff and who has recently been living in Chicago, and several young Negroes, names not recalled, who had been hanging around and supporting the sanitation workers strike. He pointed out that he would put these folks in the category of "hero worshipers" who liked to be around KING and other important personages.

At this point, KYLES estimated the time as being approximately 6 o'clock p.m., and stated that he, KYLES, started to walk north on the balcony walkway toward the old Lorraine Hotel portion of the establishment for the purpose of getting his car, which was parked on the parking lot. He recalled looking down and saying something to CHAUNCEY ESKRIDGE who was standing on the ground and estimated that he had walked approximately four door lengths north of Room 306 when he, KYLES, heard a loud but possibly muffled sound. At first he thought it was a noise from the immediate area possibly caused by the backfiring of an automobile or possibly even a loud firecracker which had exploded in the immediate vicinity.

He was next conscious of seeing Reverend JAMES L. BEVEL who had been standing on the ground north of Room 306 running to the motel area ostensibly for cover and recalled some unknown individual yelling in a loud voice, "They've shot MARTIN!" At this point he turned around and looked back south toward the entrance of Room 306 and was next conscious of seeing Dr. KING's prone body. KING was resting on the balcony floor with his back to the floor, his face facing upward, his feet partially protruding through the grill work of the iron railway, and his head headed in a southeasterly direction toward the passageway just south of Room 306.

KYLES continued that he took a quick glance at KING's prone body after reaching same and saw a gaping hole in what he recalled to be the right side of KING's face in the area of his cheek bone and protruding downward into his neck area. He stated that he was not familiar with guns or gun wounds but he subconsciously realized that the

noise which he had heard had undoubtedly been that of a gunshot which had wounded Dr. KING. He pointed out that KING's eyes appeared to be open and that he personally felt KING may still have been alive. He was not conscious of anyone else near KING's body at this time and pointed out that he went into a state of shock and ran rather hysterically into Room 306 where he attempted to use a telephone for the purpose of calling an ambulance. In the meantime, ABERNATHY had run out of Room 306 with shaving cream still on his face in an effort to see what had happened to Dr. KING. KYLES pointed out that in his confusion he was unable to pick up the phone properly to call the motel switchboard to ask for an ambulance and recalled ABERNATHY running back into the room and telling him to settle down and gain his composure as everything would be all right.

KYLES came back out of the room to the vicinity of KING's body and was next conscious of seeing several uniformed Memphis Police officers running on foot toward the vicinity of KING's body and recalled some of them yelling, "What happened?" He stated that he recalled yelling at some of the police officers to call an ambulance. He was next conscious of Reverend ABERNATHY leaning over KING's prone body attempting to talk with KING or to get some response from him and could recall hearing ABERNATHY say, "MARTIN, can you hear me?"

Reverend KYLES recalled running into Room 306 and grabbing up a bedspread off one of the beds which he brought out to use to cover KING's body. He recalled that a white male employee of the United States Justice Department, name not recalled, who had been staying at the motel brought a towel which someone held over the large gaping wound on the right side of KING's face.

Within a few moments an ambulance arrived to take KING's body to a hospital and he recalled that a JOSEPH LOUW, an African who is a photographer and who was staying at the motel, took some pictures in the immediate vicinity and that many of the people who by this time had come to the balcony seemed to point toward the west side of Mulberry where there is a thicket of bushes and empty land bordered further on the west by the back side of some old two-story brick buildings which face on Main Street and indicated in

ME 44-1987

6

their pointing and comments that the shot probably came from that general direction. In other words, the shot came from the west toward the east.

Thereafter, according to Reverend KYLES, an ambulance crew took Dr. KING's body to the St. Joseph Hospital.

Reverend KYLES looked at a series of photographs which appeared in "Life Magazine," issue of April 12, 1968, some of which were taken immediately after the shooting of Dr. KING and prior to the arrival of the ambulance and which depict Dr. KING's prone body lying face up on the concrete walkway on the second floor balcony of the Lorraine Motel and taken by Photographer JOSEPH LOUW. He stated that the only people that he could identify by name in the early photographs prior to the arrival of the ambulance were Reverend ANDREW YOUNG of the SCLC staff and some local unidentified Negroes who were apparently assisting in an effort to render immediate first aid to Dr. KING. Reverend KYLES pointed out that these photographs must have been taken almost immediately following the shooting of Dr. KING because they do not show the bedspread over KING's body.

He stated that very few people actually were cognizant of the fact that Dr. KING was to be a dinner guest at his home on the evening of April 4, 1968; that among the guests who had been invited to his recollection were Dr. KING, his brother, Reverend A. D. WILLIAMS KING, and two of the latter's companions, Mrs. LUKIE WARD and Mrs. GEORGIA M. DAVIS, both of Louisville, Kentucky; and that Reverend ABERNATHY was to have been there, as was CHAUNCEY ESKRIDGE. He stated that Reverend ANDREW YOUNG and HOSEA WILLIAMS, both of the SCLC staff, were also to be his dinner guests on that evening.

He stated that to his recollection there had been no publicity concerning the fact that KING and his small party were to be his dinner guests and that it appeared to be a mere coincidence that Dr. KING walked out in front of the doorway of Room 306 and stood there some four to five minutes prior to the time that he was shot.

Reverend KYLES stated that he had searched his memory during the intervening time subsequent to Dr. KING's being shot and that at no time could he recall seeing anyone to the west or northwest from which direction he is now convinced the shot came. He saw no one looking out any of the windows in the buildings facing Main Street, the rear entrances of which would have faced the Motel; and he saw no one on the ground below.

He stated that he talked with CHAUNCEY ESKRIDGE shortly after the shooting and that ESKRIDGE who was on the ground level in the parking area in front of the Motel stated that after the shot he, ESKRIDGE, had run west from the Motel to the middle of Mulberry Street but that he did not see anyone with any firearm either on the ground or in any of the buildings. Reverend KYLES recalled that SOLOMON JONES has been reported to have stated that he saw someone possibly with a white headpiece in the ground area just west of the west side of Mulberry Street behind the bushes and possibly saw someone drop something in that area.

Reverend KYLES stated that in fairness to JONES, JONES could not have seen the ground area which he had originally described because of the fact that there is a brick retaining wall which surrounds the swimming pool and that JONES would have been behind this wall when KING was shot and could not have seen behind the bushes on the west side of Mulberry Street as this wall is about eight feet tall.

Reverend KYLES concluded that none of his acquaintances in the SCLC or other acquaintances in Memphis who have been close to the Negro movement can recall anything concerning any suspicious movements in the vicinity of the Lorraine Motel immediately preceding or during the time that Dr. KING was shot.

LOYD JOWERS, owner, Jim's Grill, 418 South Main Street, advised that at approximately 3:55 p.m. on April 4, 1968, he arrived at the Grill, and parked directly in back of a white Mustang that was parked on the street directly in front of his Grill. He stated that he believed that the car had Mississippi license plates on it because they were of an orange or orangish-yellow color. He stated that upon parking the car he went into the Grill where he saw a stranger sitting at the bar having a meal. He stated that it was unusual for him to get any strange customers in the Grill since most of his customers were local people of a steady nature. Mr. JOWERS described the stranger as follows:

Race:	White
Sex:	Male
Height:	5'8" to 5'9"
Weight:	160 pounds
Build:	Heavy
Age:	27 to 30
Hair:	Sandy
Complexion:	Ruddy
Dress:	Wearing a dark suit.

He stated that the man finished his meal and left the Grill, and he could not notice in which direction he walked, but he did not get into the white Mustang, which was parked in front of the Grill.

Mr. JOWERS stated that this same individual returned to the Grill at about 8:00 p.m. on April 5, 1968, and ordered breakfast. Mr. JOWERS stated that in his estimation, this individual acted strangely because he seemed very calm when everyone else at the Grill and in the area was excited over the shooting. In view of the fact that he felt the individual was acting strange and also because he was a stranger in the area, Mr. JOWERS called the Police, and told them that he had a man of a suspicious nature at the Grill. He said that when the stranger

Mr. WOOD advised he left work at approximately 5:00 p.m., on April 4, 1968, and walked alone to Jim's Grill, located at 418 South Main Street, Memphis. He said he walked down Huling Street to South Main and crossed South Main diagonally toward Jim's Grill. He said he would estimate it was approximately 5:05 p.m., when he walked in front of a Mustang automobile which was parked close to Jim's Grill. He explained there is a fire plug on the east side of South Main Street very close to the entrance of Jim's Grill. He stated immediately to the north of the fire plug was parked a white Cadillac that is owned by the owner of Jim's Grill. He said immediately in front of this Cadillac, which would be the second space north of the fire plug, was parked a Mustang. He stated he is familiar with Mustangs and knows this was a Mustang automobile. He said he felt that this was a white car that appeared to be dirty and not recently washed. He said this car did not have hubcaps, had black tires, but he did not notice the interior of the car. He said he did not look at the license, but glanced down and there was no front license plate. He said also he noticed in the window there was no city of Memphis sticker in this window. He said he does not recall that anything else was hanging from hangers or the rear view mirror of this car.

Mr. WOOD stated he entered Jim's Grill and began playing shuffle board and pinball machine located inside the grill. WOOD explained the shuffle board is located in the northwest corner of this building and that it is close to the front window of Jim's Grill. He stated, however, he was interested in playing shuffle board and the pinball machine and did not look out the window while he was playing either machine. He added, however, it is possible he may have looked out the window, but stated he does not recall seeing any activity in the street nor did he see anyone in the Mustang or drive away in the Mustang.

He added he recalls that a ~~Mustang~~ owned by JIMMY WALKER was parked just south of the fire plug and that just north of the Mustang was parked a white Lincoln Continental automobile. He said in front of the Lincoln was parked a white Rambler and added there were no cars parked in front of the Rambler to the corner of the intersection of Huling and South Main.  Memphis, advised he is [REDACTED] for [REDACTED]
 [REDACTED] Memphis, Tennessee.

Mr. WALKER advised he left work about 5:15 p.m., on April 4, 1968, and drove his 1962 white Fairlane Ford to the area of Jim's Grill located at 418 South Main Street, Memphis. He stated he arrived at the area of Jim's Grill at approximately 5:20 p.m., and attempted to park in his usual parking place that is near the entrance to Jim's Grill. He said when he pulled up he noticed JOWERS' Cadillac parked in the first parking space just north of the fire hydrant that is near the entrance of Jim's Grill. He said he usually parks in the next parking space, but found that it was occupied by a white Mustang. He said as a result he had to back up and park in the first space just south of the above-mentioned fire hydrant. He said that he noticed prior to parking that BARRY TUBBS' Lincoln Continental was parked in front of the Mustang and that a white Rambler was parked near the corner and in front of the Continental.

Mr. WALKER stated he recalls that this was a 1966 white Mustang hardtop. He said the interior of the car was dark possibly red or black. He said he did not see the license on the car, but looked at the windows to see if there were any stickers. He said he was particularly aware of stickers because he has a habit of looking in the windows of cars to see if they belonged to a particular college fraternity. He said he does not recall seeing any stickers or antenna on the car. He said, however, there could have been an antenna that he did not notice. He said he did not look at the tires or the hubcaps and cannot furnish any other information concerning tires or stickers other than, as he recalls, the car appeared to be slightly dirty or at least not recently washed. He stated he does not recall looking into the car, but is certain that he would have seen a sticker especially on the rear window if there had been any stickers on the window of this Mustang.

Concerning the Rambler that was parked in front of the Continental, he stated he believes this car belongs to an elderly white man whose name he does not know, but is very likely known by Mr. JOWERS, the owner and operator of Jim's Grill.

Mr. WALKER stated that he was concentrating on playing the pinball machine and the shuffleboard and listening to the jukebox and, therefore, was not aware of any activity that was taking place in that immediate area. He said that sometime later a deputy sheriff came to the door and instructed everyone to stay in the grill. He said the customers in Jim's Grill instructed JOWERS to lock the door so that no one could come in.

After the door was locked they went to the window and looked out and he said he does not recall seeing the Mustang there at that time. He said he is certain the Mustang was gone because he commented that his car was without a ticket on it. He had parked very close to the fire hydrant and possibly too close to be legally parked. He is certain there was another car parked behind him, but he does not recall make, model or color of that car. Mr. WALKER stated he cannot furnish any additional information concerning the car or any activity that occurred in that area.

Records of St. Joseph Hospital, Memphis, Tennessee, contain the following information concerning the admittance and treatment of DR. MARTIN LUTHER KING, JR. on the evening of April 4, 1968:

"EMERGENCY ROOM SUMMARY - Dr. Martin Luther King

"The following is an Emergency room Summary on Dr. Martin Luther King who was brought into the Emergency room by an ambulance stretcher at approximately 6:15 p.m. on 4/4/68 immediately following an apparent gunshot wound of the right side of the face and neck.

"At the time of the patient's admission to the Emergency room Dr. Ted Galyon was in attendance in the Emergency room talking to the nurse about an out-patient who had just left the Emergency room. He went directly into Room #1, where the patient was, with Mrs. Steinkirch, Emergency room nurse and finding the patient totally unconscious flat on his back in the supine position with his head turned slightly to the left side. There was a large gaping wound in the root of the neck on the right side which was not actively bleeding at the time of his initial arrival. There was much blood on his clothes, neck and shoulder. His head was partially covered with a towel over the area of the wound.

"Dr. Galyon immediately secured a stethoscope, detected a palpable heart beat and radial pulse and started a cutdown over the left antecubital vein which was done immediately for fluids. These were started while blood was ordered from the Laboratory for resuscitation. A second cutdown was started in the ankle in the saphenous vein by Dr. John Reisser for blood which was infused under pressure. The surgical resident, Dr. Rufus Brown came in at 6:18 p.m. and

because of the massive defect in the wound and no respiration a tracheotomy was started. Dr. Barrasso came in at 6:22 p.m. and completed the tracheotomy and a cuffed endotracheal tube was inserted. Assisted respiration was then carried out on this patient. Following the re-establishment of an airway on this patient, the heart was again auscultated and very little tone could be heard. An EKG was immediately ordered by Dr. Galyon and Dr. Barrasso and the strip showed very poor to no function. Intracardiac Adrenalin was immediately injected and closed chest cardiac massage begun.

"In the meantime, exploration of the neck was carried out by Drs. Barrasso and Galyon who found that the jugular vein on the right was severed. A large artery, which was felt to be probably subclavian, was shredded and sticking up into the wound with very little bleeding at this time. In addition, there was much bubbling and a portion of the right apex of the lung was bulging through the wound.

"On further exploration a defect in the vertebral bodies of C7 to T2 was present with complete loss of spinal cord substance. Dr. Fred Gioia was then called to confirm this diagnosis and attempts to secure closure of the chest cavity by packing and clamping of the vessels was done. A right closed thoracotomy tube was inserted in an attempt to drain the blood from the right chest and re-expand the lung. Immediately on insertion of the tube 1000 cc. of blood was obtained from the right chest cavity. At the time Dr. Gioia confirmed the diagnosis of loss of spinal cord substance. This patient's pupils were massively dilated with no reaction.

"Dr. Joe Wilhite, a chest surgeon, was also called in attendance and consultation. Dr. Julian Fleming came to the Emergency room at our request and an EKG strip was done which showed no function. The cardiac massage was continued with all resuscitative efforts being continued for approximately 50 minutes, during which time we had had no response of any kind of vital signs and patient was pronounced dead at 7:05 p.m. by Dr. Barrasso.

"Post mortem X-rays of cervical area were done.

"Final presumptive diagnosis:
Gunshot wound of right side of face and neck with
compound fracture rt. mandible, severance of right
jugular vein and probable severance right subclavian
artery, defect right pleural apex with hemopneumothorax,
defect in C7 - T2 vertebral bodies on right with

[REDACTED] Inspectional Bureau, Memphis Police Department, Memphis, Tennessee, advised that he and [REDACTED] met Memphis City Engineer ARTHUR C. HOLBROOK, P. E., Tennessee License No. 5173, and a surveying crew at the Lorraine Motel on April 23, 1968, at 8:30 a.m. Certain engineering measurements were subsequently taken.

[REDACTED] advised that an engineer's transit was placed over the spot where Dr. MARTIN LUTHER KING, JR., was shot, the telescope being positioned 59 inches above the balcony floor. This height was based on information contained in the autopsy report of Dr. MARTIN LUTHER KING, JR., which indicated that the missile entered his body at a point 59 inches above the right heel with the head positioned to correspond with the path of the missile. He stated that the point where Dr. KING was standing when shot was indicated to them by Reverend JAMES BEVEL, a representative of the Southern Christian Leadership Conference, who was staying at the Lorraine Motel.

From this position, two triangles were established with a baseline common to the two triangles established and measured. Every effort was made to ensure accuracy. It was determined that the level distance from the second floor rear bathroom window sill of 422½ South Main Street to the point where Dr. KING was standing on the balcony of the Lorraine Motel was 206.36 feet and the in-line distance from the window sill to the point where Dr. KING was standing was 207.02 feet. The window sill at the rear of 422½ South Main was determined to be 16.63 feet higher than a point 59 inches above the floor of the balcony of the Lorraine Motel at the location Dr. KING was standing when he was shot. The downward angle of the direct in-line distance from the second floor window sill at the rear of 422½ South Main to a point 59 inches above the balcony of the Lorraine Motel at the point where Dr. KING was standing was determined to be 4 degrees 36 minutes 25 seconds.
