Specimens received from Newark, 4/13/68

Q134 Enrollment Form [REDACTED] in the name "Eric S. Galt"

Q135 [REDACTED] form [REDACTED] bearing the signature "Eric S. Galt"

Result of examination:

The "Eric S. Galt" signatures on Q128, Q130, Q131, Q132 and Q135 were prepared by the writer of the signatures in this name appearing on items previously submitted in this case.

The typewritten impressions appearing on Q127, Q128, Q130, Q131, Q132 and Q135 were found to be the same style of type but the lack of identifying defects precluded a determination as to whether the same typewriter prepared all of these items; however, no significant differences were noted between the impressions appearing on these items. The style of type appearing on these specimens conforms to a standard for Royal pica style of type spaced ten letters to the inch. This style of type also appears on a typewriter sold under the Singer name.

It was determined that the hand printing appearing the Q133 order blank and the Q134 enrollment form was prepared by the same individual. No questioned hand printing appears on the other items received.

Indented impressions were noted on the reverse side of the Q128 letter. The names "Ray," "Galt" and "Rily" and numerals "ET3623" were some of the notations interpreted on this item.

Q215 White envelope postmarked "Montreal, P.Q., VII, 1967," bearing return address "Eric S. Galt 2589 - Rue Notre Dame Est. Montreal, Canada, Quebec" and hand printed address [REDACTED]

Specimen received 4/15/68, from FBI, Chicago

K35 Nine sheets of paper bearing known handwriting and hand printing of GINGER NANCE

Result of examination:

It was concluded that the hand printing appearing on the Q215 envelope was prepared by the individual responsible for the preparation of the hand printing on [REDACTED] and the Superior Bulk Film Company order blank which were previously submitted in this matter.

No significant indented impressions were noted on this envelope.

Except for the word "broult" it was concluded that the questioned writings on Q118 (torn "Kleenex box") were prepared by GINGER NANCE, K35. Similarities were also noted between the word "broult" and the known writings of NANCE but the lack of known writing precluded a definite opinion from being reached.

Qc288 Photocopy of Canadian Money Order #C 31,600,868, in
the amount of \$17.50, signed "Eric Galt"

Result of examination:

Although the photocopy, Qc288, lacks the quality necessary for a satisfactory comparison, some differences were noted between the writing appearing on the face of this item when compared with the writings appearing on specimens submitted in this case.

Some features noted on Qc288 which might give an indication of its place of purchase are a stamp with the wording "Montreal 28 VII 67;" the number of the money order, "C-31,600,868;" the printed name "Hector Cormier" at the bottom of the money order and the initials "M." or "N." "D." on the bottom line to the right of the printed Cormier name.
