Mr. Harold Tyler, Jr.  
Deputy Attorney General  
U. S. Department of Justice  
Washington, D. C. 20530

Dear Mr. Tyler:

Your letter of December 1, 1975, is apparently intended to give the appearance of good faith compliance with Mr. Harold Weisberg's April 15, 1975, request for the disclosure of certain records pertaining to the assassination of Dr. Martin Luther King, Jr. Unfortunately, this is achieved by rephrasing Mr. Weisberg's request so as to exclude most of the records sought.

For example, Mr. Weisberg's April 15 request specified that he wants the results of any ballistics tests performed in connection with the investigation into Dr. King's assassination. Yet you restated his request in a manner which excludes all ballistics tests except those performed on the bullet removed from Dr. King and the rifle placed at the scene of the crime. However, as his request clearly states, Mr. Weisberg wants all ballistics tests and reports, not just those performed on the murder bullet and the rifle placed at the scene.

In response to Mr. Weisberg's request for the ballistics evidence, you provided him with three distorted color photographs of the bullet removed from Dr. King. Mr. Weisberg wants all photographs taken for ballistics purposes, including all photographs taken with the aid of a comparison microscope and all blowups of any photograph.

With respect to Mr. Weisberg's request for all photographs taken at the scene of the crime, Mr. Weisberg defines this term broadly to include all of the buildings and areas in the immediate vicinity of the crime site. It would include, for example, photographs taken of or at the Lorraine Motel, Canipe's Amusement Center, the parking lot, the fire station, the rooming house at 418 1/2 to 422 1/2 S. Main Street, and any areas in between or adjacent thereto. It also includes photographs of the interior of any of these buildings and of any objects found in them.

When I spoke with Mr. Volney Brown two or three months ago, he said that the Department would have no objection to a procedure which would allow Mr. Weisberg to examine these photographs first, then

select which ones, if any, he wishes to have copied for him. This, of course, will save everybody time and money.

I would appreciate it if this examination of the King assassination materials could be arranged for the earliest possible mutually convenient date. Mr. Weisberg is suffering from a serious case of phlebitis and no longer travels to Washington as frequently as he did in the past. This is why I phoned Mr. Wiseman on December 22nd to ask if he could arrange for Mr. Weisberg to view the photographs of the scene of the crime and the excluded ballistics materials on the afternoon of December 23rd when Mr. Weisberg was coming to D.C. for a medical appointment. Mr. Wiseman informed me, however, that the FBI agent responsible for assembling the King assassination documents had told him that it would not be possible to reassemble them in time for Mr. Weisberg's visit the following afternoon. Hopefully, Mr. Weisberg's examination of these materials will be arranged to coincide with his next trip to D.C.

With respect to the ballistics materials sought by Mr. Weisberg, he has asked me to inform you that as of this date he has still not received the results of the ballistics comparisons which the FBI did perform. He further states that, notwithstanding Mr. Shea's letter of December 23, 1975, what has been provided him of the spectrographic and neutron activation analyses is incomplete and does not meet the normal standards for such tests.

You state that the photographs and sketches of suspects in the assassination of Dr. King portray only James Earl Ray "as there never were any other suspects in the case." If you are not already aware of it, I think you should be informed that on April 17, 1968, FBI Special Agent Joseph H. Gamble filed a conspiracy complaint with the U.S. Commissioner in Birmingham, Alabama. If, as you say, there never were any other suspects in the case, doesn't this constitute abuse of process?

I should also inform you that Mr. Weisberg and I have seen a sketch of at least one other suspect in the murder of Dr. King. In view of this, I suggest that you have the FBI make a further check of its files to see if it cannot find additional photographs and sketches of suspects in the assassination of Dr. King.

In reply to Mr. Weisberg's request for "all information, documents, or reports made available to any author or writer," you state that no information, documents, or reports made available to any author or writer "can be identified as such in our records." Assuming this to be true, it still dodges the issue by the use of semantics. As I indicated to Mr. Volney Brown when we spoke about this a couple of months ago, I think it is relatively simple for you

to ascertain what materials are included within this request if you will just make a few inquiries of the appropriate authors, writers, and FBI officials.

The alternative, of course, is to proceed to take depositions and testimony from these officials and writers and let the district court determine the matter. I think this is unnecessary, since the fact that FBI materials were made available to writers and authors is incontestable. I note, for example, that in his book The Strange Case of James Earl Ray, Clay Blair, Jr. thanks the FBI for its assistance. In addition, Mr. Weisberg informs me that some of the writers listed in his information request have copies of such evidence as the autopsy photographs which have been denied James Earl Ray's defense and that they have flashed FBI reports on the King assassination in order to impress people. Moreover, one of the writers mentioned in Mr. Weisberg's request has obtained copies of the bank records of Ray's sister, Carol Pepper.

In closing, let me apologize for the delay in responding to your letter. I work entirely alone. I have no secretary or law clerk to assist me and must of necessity do my own typing and filing. Recently I have been very pressed for time and this accounts for the delay. However, Mr. Weisberg did write both you and Attorney General Levi about these and other matters soon after he received a copy of your letter and I trust you paid him close attention.

Sincerely yours,

  
Jim Lesar
