# Memorandum

TO : FILE (44-1639)

DATE: 12/19/63

FROM : SAC SHANKLIN

SUBJECT: JACK L. RUBY, aka;  
LEE HARVEY OSWALD, aka - VIC. (Deceased)  
CR

Inspector JAMES R. MALLEY stated there was an article in the New York newspaper to the effect that the FBI was going to interview RUBY again. He stated obviously BELLI had been putting out this information. The Director had put a notation on this, "Why?" It is noted that the Director had previously approved this interview.

Mr. MALLEY stated they were going to probably make a recommendation: (1) That we not conduct the interview but if BELLI contacts us, we could tell him that we have secured the information, or (2) That we might send up a couple of questions that we might want to ask RUBY and just submit these questions to the Attorney for any answers he might give. In the meantime, we are not to conduct the interview.
