TO : MR. JENKINS

FROM : D.W. MOORE, JR.

SUBJECT: QUINN MARTIN PRODUCTIONS
 AND WARNER BROTHERS
 FBI MOVIES FOR CBS-TV

DATE: 4/23/75

Heim

By memorandum 4/18/75, Heim to Moore, captioned as above (attached), it was recommended and approved that Mr. Murphy in my office advise Mr. Martin that we would be unable to cooperate with him in doing a film based upon the assassination of President John F. Kennedy, as the next movie in the series of films regarding landmark FBI investigations which Quinn Martin Productions and Warner Brothers are producing for CBS-TV.

Mr. Martin was contacted today and when advised of the numerous reasons which would preclude our official cooperation with him, as enumerated in referenced memorandum, Mr. Martin stated that he could certainly understand the reasons for Mr. Kelley's decision in this matter and would have responded the same way if their roles were reversed. He stated that this would certainly have no bearing on the splendid relationship between the FBI and Quinn Martin, as well as CBS, and he was hopeful that he could continue to favorably portray the FBI in other landmark cases. He stated he would confer with his associates as well as those with CBS-TV on other possible productions of TV movies based upon FBI cases and he would be back in touch with us. He requested that his best wishes be extended to Mr. Kelley.

RECOMMENDATION:
