# Memorandum

TO : SAC (89-69)

FROM : SAC H. G. MAYNOR

SUBJECT: ASSASSINATION OF PRESIDENT  
JOHN F. KENNEDY, 11/22/63,  
DALLAS, TEXAS

~~SECRET~~  
~~CONFIDENTIAL~~

DATE: November 25, 1963

At 2:15 PM, November 25, 1963, SAC GORDON SHANKLIN called from Dallas, Texas and advised they may have additional information concerning the use of the name HIDEEL. He advised that in going through the material picked up by the Dallas Police Department, a vaccination certificate made out to LEE H. OSWALD, which looked authentic, was found. This certificate reflected a primary vaccination, type not specified, and was dated June 8, 1963 from the U. S. Department of Health, Education and Welfare Department, New Orleans, Louisiana. The certificate was signed by a rubber stamp in the name of Dr. A. J. HIDEEL. There is a little writing over the stamp which looks like "ART HIDEEL." The address given was Post Office Box 30018, New Orleans, Louisiana, while it is noted the address of OSWALD's Box Number is 30061, New Orleans. It was suggested that the material belonging to OSWALD be gone through thoroughly in order to determine whether a rubber printing outfit from the tencent store was found, as OSWALD may have forged this vaccination certificate. (u)

It was also noted that the draft card in OSWALD's possession made out in the name HIDEEL was a very poor forgery. There is no such number, no such register as that board, and no such number that could have been at the board anyway. (u)

The FBI Laboratory has stated the handwriting on the order for the gun in the last name of HIDEEL is OSWALD's handwriting. The order for the weapon is dated March 12, 1963, shipped March 20, 1963 from Chicago, before OSWALD ever got the vaccination on June 8, 1963. (u)

SAC SHANKLIN advised that Assistant to the Director BELMONT has taken a special interest in whether or not there is any such person as HIDEEL, whether or not he has been identified, and if so, who is he. (u)

New Orleans had identified a boy who was on the street distributing handbills for FPFC with OSWALD and was photographed once by a New Orleans television station. The boy was drawn into this thing when OSWALD came into an employment office where the boy was seeking information about a job, and requested if anyone was interested in making a few bucks helping him (OSWALD) pass out handbills. The boy helped OSWALD distribute these bills, noticed a policeman seemed to take interest, and then noted these were FPFC bills. The boy backed out immediately. (S)

One of the change of address cards, mentioned in New Orleans teletype to Dallas and Bureau, dated indicated OSWALD had changed mailing address for himself and his wife and someone named HIDELE when he was manuevering boxes and cancelling out business here in New Orleans. However, people around OSWALD's residence never saw any other individual around there, and OSWALD apparently listed this name as name to be changed as far as the Post Office box was concerned. (S)
