

Mr. James K. Hall, chief  
FOIPA Section  
FBI HQ  
Washington, D.C. 20535

2/25/84

Dear Mr. Hall,

Enclosed is a copy of my today's letter to Jim Lesar in which I address your letter of the 21st to me and of the 16th to him.

As you will see, I state that you have misrepresented, evaded and been untruthful and in all of this managed not to respond when you say you do.

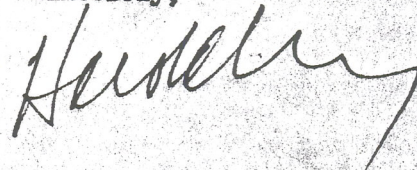

I also enclose a copy of my today's letter to Mr. Dan Metcalfe in which I renew the appeals to which you did not respond when he referred them to you.

There seems to be no point in my asking you to do your duty, to earn your pay, to abide by law and regulation because your record makes it clear that at least with regard to me you have no such intention. Neither has the FBI.

But if you believe that I have erred in any way, I will welcome specification from you.

Meanwhile, I renew the requests I made in the correspondence you do have and do know about and did understand that is the subject of my 1/23/84 appeal to Mr. Metcalfe to which you did not respond.

Sincerely,

Harold Weisberg
