SUBJECT: FREEDOM OF INFORMATION ACT (FOIA) REQUEST of Harold Westberg
RE: YURI NOSENKO

Attached is a copy of the FOIA request and pertinent files and/or excised documents which appear subject to disclosure.

Addendum should include total Agent time expended in the review.

Please make every effort to insure that this memorandum, with its attached documents, is returned to the FOIA Section within (3) working days.

Questions on this matter should be discussed with Nell Kennedy, Room 5443 JEH, extension 4798.

RECOMMENDATION(S): (only items checked apply)

(1) 1. That the Intelligence Division(s)

review the excised document(s) to insure sufficient deletions have been made. Please explain briefly the reason for any additional deletions requested. If the materials proposed for disclosure are from a classified serial, insure that all portions which justified the classification have been deleted.

(1) 2. That the Intelligence Division:
(1) a. Review the classification of serial(s) 105-82555-2463

to insure documents should remain classified, indicating on the file copies which paragraphs are classified; which paragraphs, if any, are unclassified; and those which have been declassified in their entirety. Addendum should note any newly declassified serials.

() b. Review the balance of the file to determine if currently unclassified serials warrant classification. Newly classified serials should also have indicated on the file copies the classified and unclassified paragraphs. Addendum should note any newly classified serials.

The Freedom of Information Section has referred a report made at Washington, D. C., dated 3/11/64, in this case to review page one for release. FOI requested that this page be reviewed to determine if it should be declassified.

Page one and part of page two is a portion of the synopsis of a report dealing with information furnished by Yury Nosenko concerning the stay of Oswald in Russia. The information furnished by Nosenko was included in the details of the report which has already been made public. There appears to be no objection to the release of the synopsis of the report as it pertains to the Nosenko information.

Time spent on this review was 45 minutes.
