Dear Mr. Weisberg:

This is in response to the part of your letter dated January 22, 1980, pertaining to the assassination of President John F. Kennedy.

In this letter you requested all FBI Headquarter abstracts, indices and ticklers for John F. Kennedy assassination records. We reviewed your previous request dated July 27, 1979, and in that letter you also requested the indices and ticklers. Therefore, your request dated January 22, 1980, is being considered an amplification of your July 27, 1979, request.

We will correspond with you in the near future with regard to the material you requested concerning the Murkin case in the letter dated January 22, 1980.

Sincerely yours,
