

*King - Bulky - Lab*

To ~~John~~ Shen from Harold Weisberg  
King assassination records  
Laboratory bulki<sup>e</sup>s

2/15/80

Today I reread your 1978 reports.

You offered me the entire Lab bulky at no cost.

I don't recall whether I accepted your offer. Because I have not received these records I presume I didn't write and ask for them.

However, I would appreciate them because, as you said, I had gotten only about 100 pages.
