

Test Refutes Ruby Tie to Oswald, Lawyer Says

LA-7720

DALLAS (AP)—A lawyer for Jack Ruby said Sunday Ruby "emphatically denied" in a lie detector test Saturday that there was any connection between him and Lee Harvey Oswald.

Defense attorney Joe Tonahill, in confirming that the polygraph test was given Ruby in the Dallas County jail, said Ruby had requested the test when he talked with Chief Justice Earl Warren of the Supreme Court.

Warren, who heads a Presidential commission investigating the assassination of President John F.

Kennedy, visited Ruby in his cell June 7.

Tonahill said the test was ordered by the chief justice.

Ruby is under death sentence for gunning down Oswald, accused slayer of Mr. Kennedy.

"If there was any doubt in the mind of the Warren commission that maybe Ruby knew Oswald, this test

has utterly dispelled it," Tonahill said.
