

The Hill Expects Long Hot Summer

WAT 1/11/63
BY BILL HENRY

What They're Talking About

Hold onto your seats folks—the avalanche of John F. Kennedy books is just about ready to be turned loose on us. They'll be coming for some time, too—it is understood that the one story of the assassination, made more of less "official" by Mrs. Kennedy's sponsorship, may not appear from the pen of William Manchester for quite some time, however. **END**
