

OSWALD'S WIDOW HAS NEW HUSBAND JAILED

DALLAS (AP)—Sheriff's officers Wednesday night jailed the 27-year-old husband of Marina Oswald Porter after she said he slapped her in the face and frightened her with a gun.

The couple were married less than three months ago.

Mrs. Porter, the widow of Lee Harvey Oswald, the man who assassinated President John F. Kennedy, also said in an affidavit that Kenneth Jess Porter threatened to kill himself.

She signed the document Wednesday afternoon in the court of Justice of the Peace W. E. Richburg, who then issued a warrant for Porter's arrest.

Richburg said the purpose of the affidavit was to place Porter under a peace bond. He said the electronics firm employe, who was married to the Russian-born widow June 1, would remain in custody either until he made bond or until a hearing on the issue is held.

Richburg did not indicate when such a hearing might be convened. **END**
