## Film Donated to Kennedy Library

The National Broadcasting Co. has presented a film copy of NBC News' complete television coverage of the events following the assassination of President Kennedy to the John F. Kennedy Library.

Presentation of the film was made by William R. McAndrew, president of NBC News, to David Powers, a close friend of the late President Kennedy and a former member of the White House staff.

NBC's coverage of the events, beginning with the assassination of President Kennedy on Nov. 22, 1963, and continuing through the funeral, spanned four days and totaled 71 hours, 36 minutes.

Until the completion of the Kennedy Library in Cambridge, Mass., the film will be placed in the National Archives Building in Washington, D.C.
