

*X* **Oswald on Trial** *Newsweek 8/30/63*  
A London committee is planning to sponsor a public mock trial of Lee Harvey Oswald, based mainly on the writings of Mark Lane and Hugh Trevor-Roper. According to David Ensor, one

of three left-wing British M.P.'s on the committee, the group will meet when Parliament re-assembles in October. A U.S. official in London commented: "If Oswald's trial is based on Lane's writings, it will certainly be a mockery."
