The Assassination Number 12

Reopen The Warren Commission

With at least thirteen people dead—from murder, or under suspicious circumstances—we feel it is important to examine every new angle of the murder of President Kennedy. Of these thirteen, most of them knew Ruby or Oswald, or had a chance to speak alone to one or the other of the two accused after Ruby and Oswald played their parts.

A new development has recently been announced in New York. On January 31, 1966, one of the leading auto-graph dealers in the world, Charles Hamilton of New York, sold two letters allegedly written by Jack Ruby. The letters were said to have been smuggled from the Dallas jail. Sale was held at the Waldorf-Astoria Astor Gallery, and this editor bought one letter for \$950.00.

The first paragraph of the notice on page 25 of the catalogue reads:

"106 (KENNEDY AND JOHNSON). JACK RUBY, murderer of LEE HARVEY OSWALD. A. L. (unsigned) in pencil, 33 full pages, 16 mo. (Dallas jail, 1965). - (400.00)

"Astounding confession of international importance, pinpointing LYNDON B. JOHNSON as the real murderer of JOHN F. KENNEDY and the tool of a Fascist conspiracy to liquidate the Jews! Neatly written by Ruby to a fellow prisoner on slips torn from a memo pad, this letter was smuggled out of the Dallas Jail and is unpublished in any form. The ramifications of the letters are so many, touching on such sensitive questions as the assassination of Kennedy and Oswald, the conduct of Dallas and government officials and the Warren Commission, that extensive space is given here to excerpts

"To start my story off, they found some very clever means and ways to trick me and which will be used later as evidence to show the American people that I was part of the conspiracy in the assassination of (the) president, and I was used to silence Oswald. I walked into a trap the moment I walked down that ramp Sunday morning. This was the spot where they could frame the Jew, and that way, all of his people will be blamed as being Communists, this is what they were waiting for. They alone had planned the killing, by they I mean Johnson and others. I guess that is why Oswald was able to escape the building as he did, because they wanted him to escape. That is why there has been so much contradiction and confusion as to the identity of the rifle used, etc.

". . . read the book TEXAS LOOKS AT LYNDON and you may learn quite a bit about Johnson and how he

... fooled everyone about the author Walter Hales. They no doubt have gotten rid of him. He wrote the way Johnson had beat people on various deals. In all the history of the U. S. never has a president been elected that has the background of Johnson. Believe me compared to him I am a Saint.
