

The Empty Pew

MY PARSONAL OPINION

My opposition to the so-called "gun control law" is a man named ROGER CRAIG.

You don't know Roger, but I do. I'll let you know when he gets killed.

Roger was a deputy sheriff in Dallas County. His testimony could knock the entire Warren Commission's REPORT into limbo!

Yet, right now, ROGER CRAIG is the target of three different assassins. One barely missed his head with a rifle bullet.

He has said the men following looked like some of his old buddies at the Sheriff's Office in Dallas.

He has refused to change his testimony, or to run — except to dodge the bullets.

My admiration and appreciation for Law Enforcement Officers is pretty well known.

And, the gun control law is a good thing, PROVIDING those who are entrusted with enforcing the law uphold our freedoms.

But, when white-hooded police officials participate in cross burnings, when be-badged officers badger Negro voters, when a man has NO APPEAL TO PROTECTION FROM THE LAW, human nature will seek to protect itself.

I agree that the Constitutional provision for keeping arms in one's own home was designed to help support law and order.

Massachusetts used to have a law requiring citizens to carry their weapons to Church.

Our forefathers in the wilderness armed themselves against outlaws, Indians, and rattlesnakes.

But, those who wrote the Constitution also remembered that it was the helplessness of the citizens which made them slaves of the militarists and tyrants of Europe.

I do not own a gun, nor do I intend to.

I oppose the violence which racks our blood-soaked land.

Some of the finest examples of humanity I know are men who bear the badge, billy club and pistol in law enforcement.

But, ROGER CRAIG is running from "Law Enforcement Officers" who are seeking to destroy the truth which alone can make us a free people! WHO FEARS TRUTH HATES FREEDOM.

It is no accident that 1) Every assassination of a major political figure in the last 5 years has helped keep the establishment in power; 2) that those named as conspirators in the death of John Kennedy have refused to sue the editors who named them; 3) that Bobby Kennedy refused "police" protection.

If I am right, Lyndon B. Johnson will be our next President!
