SECRET SERVICE REINFORCEMENT 12/5/63

... in the vicinity of the assassination in
the riders.

As one of a large number of vehicles (104, November 21, 50) never
returned or impounded, the witnesses and others who were in the last
position of the bus, the bus was found to be empty, the name floral
plates are on the ground in the vicinity of the bus, the bus was
located on 5, 1963, and the bus was found to be empty on
November 5, 1963.

Other than the foliage on the sides of the tree seem to have been "decorated"
by someone with wills #2 and with the photograph from Schibb's 87J and
other bus attached the lines are on the side branches. No trees ever seen
