Dear Miss

Reference is made to your letter dated December 6, 1965, to Special Agent Lyndal L. Shaneyfelt regarding the labeling of two of the Zapruder frames numbers 314 and 315 of Commission Exhibit 885 in Volume 18 of the "Hearings Before the President's Commission on the Assassination of President Kennedy."

You are correct in the observation that frames labeled 314 and 315 of Commission Exhibit 885 are transposed in Volume 18 as noted in your letter. This is a printing error and does not exist in the actual Commission Exhibit. For your information the slides from which Commission Exhibit 885 was prepared are correctly numbered and are being shown in their correct sequence.

The National Archives is aware of this printing error; however, I do appreciate your interest in this matter.

Sincerely yours,

*J. Edgar Hoover*
