

(Vol. 5 - PG. 180) MRS. KENNEDY:

"I was looking this way, to the left, and I heard these terrible noises. You know. And my husband never made any sound. So I turned to the right. And all I remember is seeing my husband, he had this sort of quizzical look on his face, and his hand was up, it must have been his left hand. And just as I turned and looked at him I could see a piece of his skull and I remember it was flesh colored. I remember thinking he looked as if he had a slight headache. I just remembered seeing that, no blood or anything.
