

**Ruby Appeals
Death Sentence
Before Court**

AUSTIN, Tex. (UPI)—The Court of Criminal Appeals reconvenes today and Jack Ruby's appeal of his death conviction is one of the cases under submission.

"I don't know how many of those they'll hand down today or if the Ruby appeal will be among them," said court clerk Glenn Haynes.

"It could come Wednesday or any day leading Wednesday," he said.

Ruby was convicted of slaying Lee Harvey Oswald, accused of assassinating President John F. Kennedy.
