# Oswald Didn't Act Alone, DA Says

## New Orleans Official Claims Plot to Kill Kennedy Developed There

NEW ORLEANS (AP) — Dist. Atty. Garrison said today that President John F. Kennedy's "Arrest" "There were other people besides Lee Harvey Oswald involved," the prosecutor said. "New Orleans was a factor in the planning beyond a shadow of a doubt."

Garrison said an investigation by his office shows the Warren Commission report is inaccurate in stating Oswald acted alone in the assassination of Mr. Kennedy Nov. 22, 1963.

"We already have the names of the people in the initial planning," Garrison said. "We are not wasting our time and we will prove it. Arrests will be made. Charges will be filed and convictions will be obtained."

Garrison said his office had jurisdiction in the case because of a Louisiana law that "forbids conspiracy of any kind."

Asked why he started the probe, Garrison replied: "Last November I began looking into the question because Oswald had spent six months in New Orleans shortly before the assassination."

### New Leads Followed Up

"I went through the 26 volumes of the Warren report and there were some questions raised. As a result,

Garrison said that a prisoner in the Orleans Parish (county) jail possibly has his life in jeopardy as a result of publicity given the probe. He did not name the prisoner. The States-Item said Miguel Torres, a 26-year-old Cuban who formerly lived only a block from Oswald's last known New Orleans address, was brought from Louisiana State Prison at Angola to Orleans Parish Jail Jan. 30. Torres, the account said, is serving a concurrent nine-year term.

began the investigation. The investigation followed a lead which was uncovered.

First disclosure of the probe came Friday in a copyrighted story by the New Orleans States-Item.

"We were making good progress until the publicity," Garrison said. Garrison said the Warren Commission was "composed of the finest type of men" but it "did not have sufficient evaluation machinery."

At an earlier news conference, Garrison said his investigators have
