

The Police Department went on record in support of Dist. Atty. Evelle J. Younger's earlier declaration that no credible evidence exists that Sen. Robert F. Kennedy's assassination resulted from a conspiracy. "We have not discovered any concrete or specific information that Sirhan B. Sirhan was influenced by any individual," Dep. Chief Robert Houghton, who was in charge of the police investigation of the shooting, said at a press conference. 5-30-67 L.A. Times
