Dear Gary,

My friend Dal McGuirk, 93 Pah Road, Epsom, Auckland 1003, New Zealand, plans a JFK assassination article for the anniversary period. He has asked me for several pictures. One is of that Moorman picture. As you know, you have my print so I cannot have one made for him. If you have an extra print, or if you could please have one made and send it to him, I'll appreciate it and I'll pay you for it.

The others he'd like to have I do have but my copies are packed away with the copy for Whitewash II and I, Post Mortem or both. He would like the side-view pictures of CE 399 and the full Altgens picture. If you can supply prints please let me know the cost.

Dal has a pretty good grasp of the JFK material now. He is a history teacher who is also a writer on military matters.

If you do not have these photos, perhaps Jack has and would be kind enough to send prints of them.

Our best wishes to him.

I've written Marrs. There has not been time for any response to have reached here yet.

If I am correct in thinking that what you expect next month is the enhancement you've been seeking, I hope it turns out to your liking.

Thanks and best wishes,
