Part II Write on one of the following essay questions: [50%]

1. For years historians have been debating the issue of why the Confederacy lost the Civil War. The epitaphs on the CSA's tombstone have ranged from "Died of state rights;" "Died of too much democracy;" "Died of a 'V';" "Died of a theory;" "Died of"

Now you are cordially invited to join in the debate. What do you think were the major reasons that finally brought Ole Dixie down?

2. Compare and contrast President Lincoln's wartime reconstruction policies with those put forward by Republican congressmen in his own party. Which policies do you think were the most politically sound considering that the war was still in progress and still uncertain as to outcome at the time. Why?
