Re: Outline w/ Session on Strategy of Raids

*1 I want to go over Glatthaar on "Glory" pointing out that he uses the scheme of Internal and External impact on war of the slaves.

Go over the article pointing out the above.

2. Go over strategy of raids:

See notes--

3. Confederate Last Ditch Bid for Independence

The four interlocking parts of this campaign

4. Show parts of Burns' Civil War "The Wilderness and seige of Petersburg (if time). Time: about 27 minutes.

5. Toward the Election of 1864

Point out to class the last pages of Chpt. 25. To wit: Lincoln's drafted but not sent letter he gave to Raymond w/ words "let Jefferson Davis try me"

And especially Lincoln's August 23, '64 "blind memorandum" to Cabinet. What do you think is the meaning of this?
