

Oswald As Agent (Who Was Oswald)

1. P.D. Scott's From his "9/11, JFK, and War." He notes on note 46 that W. Marvin Gheesling was the FBI HQ Supervisor who removed the stop on Oswald. . . .see his source on maryferrell site. . . .
2. Record of Oswald's attempt to call John Hurt on 11/23 Hurt was director or part of the US false defector program run thru ONI hqers NC
3. Oswald's employment for Jagers-Chiles-Stovall Co. (Oct. 1962-May 1963). The company printed maps of (Castro's) Cuba. . . Dates corresponding in Oct. with the Cuban Missile Crisis. . . .Good job for a US defector. . .
4. Liebler file RG272,Box 12 entry 44 of files of staffer Liebler. . . Interview with Donovan says Oswald has "secret" clearance (p. 3)
5. Set of docs (whokilledjfk.net) Individual page cites. (p. 11)) Col. Folsom to9 WC notes that qualification "marksman" indicates a rather poor shotExpert and sharpshooter all topped MarksmanOswald qualified as Marksman . . (p. 14) notes just what JCS (above 3) the type of maps and photos was sent to JCS at some point. . . .Oswald had access. And other sensitive material (see attached)
6. Series of clues re: Suggesting that Oswald might have been a CIA asset. . . .might want to access this Maryferrell doc. and follow up some of the items.
7. Rosen to Elmont 11/23/'63 This refs to list supplied FBI by A. Yarmolinsky of names of other defectors at about the time Oswald 'defected.'" Note Hoover quandary of SD allowing defectors to return to the USA. . . .(false defectors like Oswald). . . . See Melanson's "Spy Saga."
8. John S imkin on the "Defector Program" has good bio sketch of other "defectors" to the Soviet Union in 1959 . .the same year Oswald "defected." All implied as part of the US false defector program . .
9. Joan Mellen piece on false defector program. Maybe worth a review.
