On November 22, 1963, I, SA VINCENT E. DRAIN, contacted Chief of Police, JESSE E. CURRY relative to the following listed items of evidence which had been collected by the Dallas Police Department in their investigation of the assassination of President JOHN F. KENNEDY on November 22, 1963. Chief of Police CURRY, accompanied by Lieutenant CARL DAY, made available these items for examination by the FBI Laboratory. Chief CURRY made available the following listed items which were received from Captain WILL FRITZ and Lieutenant CARL DAY of the Dallas Police Department, Dallas, Texas:

1. Live round rifle shell 6.5 millimeter, which was found in rifle, Serial Number C 2766, which was believed to be the gun used in the above assassination.
2. Spent hulls of 6.5 millimeter shell believed to have been fired in rifle, Serial Number C 2766, believed to have been the gun used in the assassination. (2 spent hulls)
3. One blanket found at the scene where the rifle was located, which may have been the blanket used as a cover for carrying this rifle.
4. One shirt taken from suspect LEE HARVEY OSWALD.
5. Brown paper which was found at what was believed to be the point of firing of the fatal bullets used in the assassination. This paper possibly may have been used to carry above rifle to the scene of the building from which it was fired.
6. Sample of brown paper used by Texas School Book Depository and sample of paper tape used by Texas School Book Depository,
7. Fragments of spent bullet found in the body of Governor JOHN CONNALLY.
