File - Day Folder  
Box 6

1. Key doc\*\*\*Dallas Police Reports 1/8/'64 From J.E. Curry. . .Notes 1. That 3 shells at SE corner of 6<sup>th</sup> floor . . . Th e hulls were 6.5 caliber “and no legible prints were found.” Notes Fritz. . .with rifle and ejecting of live shell in the chamber. . . .No prints found on the live shell\*\*\*Notes that Lt. Day took K1 to the Identification Bureau about 2:00 P.M. and locked in evidence box until further checking could be done.” Notes that Day returned to TSBD at about 2:45 p.m. and continued to investigate with other Crime Scene Officers.” QURY: If Drain picked up K1 at 3:40 P.M. presumably Day was still at the TSBD and had no time to go over K1. . . .Explains volumes why the rifle was shipped back to Dallas PD on evening of 11/23. . . Drain returns the rifle. . . .Opportunity after Oswald’s death to get his prints on the alleged murder weapon. . . .The fact that no prints were found on the 3 (3? Was it 3/yes, counting the live round in the chamber strongly points to a set up . . . . ( I need to get exact id of this document. . . Note: Copy of Doc. found in Day File\*\*\*\*/

{Note: Made copy of this file w/ pages from H. Hurt’s “Reasonable Doubt” pp. 106-107 and end notes. . .and refilled with Folder on Day and Lifting Prints in Box 6. . . .
