

## Programming Early Evidence –Folder # 6

1. Ok
2. Data Base Doc. Review carefully. . . And focus on pp. 4-6 on Paraffin testing. Point Here: This is a most useful document and needs reviewing in full. . . \*\*\*\*\*\
3. 3. Has NY Times Reporter quoting Dr. Kemo Clark that JFK was struck in the neck and the bullet ranged downward in chest and did not exit!!!! How does Clark hold up when he goes before the WC. . . Who questioned him? Was it Specter?
4. Official whitewash on message w/ cracks in limo window coming from the rear of car.. .
  - 6 Paper bag holding rifle (alleged) was made from TSBD paper. . .I can destroy this contention . . see Hal on Troy West testimony. . . See also long explanation by Hoover that defies any clear understanding or clarity to Rankin's query—which was: was the paper that made up Q10 originated with paper available at the TSBD on 11/21 or some earlier date and therefore available to Oswald so he could construct this alleged paper bag to smuggle the rifle into the building.
  - 10.\* \*\*\*\*\* Gemberling Report 11/30/'63 basically exonerates Oswald of the crime. . . Check closely. . . \*\*\*\*\*
