

## Oswald Map (EE ( F.7

1. Dallas Morning News Story (Ray Marcus collection) This is story on map appeared 11/25/'63 . Point here is that paper learned on this may “from a reliable source.” (Was this Alexander. . .Assistant DA or someone else from DA’s office...just speculation). . . Note \*\*\* “Map was “major evidence” according to Curry “it definitely linked Oswald to the crime.” Key Stone Cops. . .Barney Fife in action. Wade remarks that had Oswald gone to trial Wade use this to as “Exhibit A” in his case against Oswald . . . .\*\*\*This is so egregious that I have to plug it into the story. .
2. KEY DOC. Belmont to Tolson 9/23/'64 62-109060-(Section 91) EBF serials 3811-3845.
3. Handley to Rosen 12/3/'63 62-109060-1500 (S.ect. 19) Notes that Ruth Paine gave this map to Lee. Marked on the map were locations in Dallas that were possible sites for employment. One site was Houston & Elm the TSBD (where Oswald get a job). . .The other marks on the map were clearly locations for possible employment opportunities. . . R Paine said she did not mark any locations on the map for Lee. . .
4. Handley to Rosen, 11/29/'63 ^2-109060—1110 (Sect. 14) See end of page 2 where Handley says “the purpose . . . of the map was probably to seek employment as stated by Mrs. Paine.” \*\*\*\*\* exonerates Oswald again . . .
5. SAC, Houston to Director, FBI, 11/26/'63 62-109060-1010 (Sect. 13) Notes that Fritz made map available. . .to the press certainly . . .When (possible on 11/25 day after Oswald’s death . . .Notes that the one mark locating Elm and Houston Streets . . .and the location of the TSBD was featured in the press stories. . .It notes that map could very well be a handy guide for finding one’s way around Dallas . . . .
6. FBI document from Bardwell D. Odum 11/29/'63 105-82555-505 (Sect. 21) Notes that Ruth Paine gave this map to Lee when she drove him into Dallas on October 7, 1963 so he could find his way around in his search for employment.

Note to Myself: Find documentation re: That Ruth Paine must have received the phone call from Love Field offering Lee a job as bag handler w/

considerably more \$\$\$\$ than he settled for at TSBD. . . .No indication that Oswald ever learned of this job offer. . . .DiEugenio has this cited somewhere.

7. NY Times story 11/26/'63 (RM Vol. 2, #7) Especially see marked off Wade's use of the map to convict Oswald. . .
8. White's marvelous 2-pager on the Map & press stories. . . \*\*\*\*\* Great stuff++
