Subject: Hoover/LBJ close the case w/ Oswald's death (11/25)

CD-1 was a diatribe against Oswald. On 11/23 Hoover not "very, very certain about evidence in the case against Oswald" . . . This changes with his death. Turn to Katz memo (see Hal's file) p/ 11 of DiE on Buggsie, Part 7, p. 11 where LBJ tells Russell that it will not take up all his Senate time. "All you have to do is evaluate a Hoover report he's already written. I need time of this exchange. See Summers, "Ghosts of November," p. 90 in Vanity Fair, 12/94). . . also expand on this with look at Hal's essay of the Katz Memo. . .see my files-----  
-----There are a raft of excellent first hand comments from FBI agents (Larry Keenan being one) about the clamp down on the case (Oswald was the sole assassin) from HQers. . . .Reports from the field were rewritten at SOG to conform to the official FBI solution as presented in CD 1 These are found in Summers' "Ghosts". . . .see DiE pp. 12/13

Subject: Minox camera. . . DiE on Buggsie, pp. 24-25 of Part 7

Subject: Oswald as FBI asset. . .DiE (P. 7 on Buggsie) pp. 26-27 on Wm Walter and Oswald's arrest in New Orleans on August 9<sup>th</sup>. . . .Upshot from Walter testimony that Oswald was a security asset of the FBI. . . Joan Mellon has a word on this in her book . . .

Subject: Oswald As Sole Suspect: DiE on Buggsie Part 8

Early Evidence (Flow Sheets), p. 2

DiE makes case that since LHO was murdered before he had a trial where the evidence was tested that the WC official proceedings would be open so the American people could be satisfied as to his guilt or innocence. . . . (Not the behind the scenes executive session stuff. . . Good language to that effect on p. 2\*\*\*\*\*

| Press was adjunct to the business of the public lynching of Oswald.. . He cites examples on p. 2 He cites the Wash Post on 12/1/'63 nailing Oswald as the lone shooter. . .Time magazine on 12/13/'63 that Oswald in his "own lunatic loneliness was indeed the sole assassin. . . ."

DiE in Part 9 on Bugliosi p. 14 makes note about Cadigan's original deposition he noted that some of the evidence (actually DiE does not allude to the massiveness of this haul. . . .But he notes that this part of Cadigan's testimony before Dulles was stricken from the record. . . .He cites Armstrong, p. 908. *I have this in my Malcolm files. . . .*

DiE in Part 10 on Bugliosi

PP. 2-3 cites re: fortuitous evidence shows up to provide basis that Oswald was actually in Mexico City. . . .These examples are tied to Priscilla Johnson's time spent with Marina. . . .and the other enabler was Ruth Paine. . . Examples cited. . . pp. 2-4

DiE on Bugliosi, Part VI P. 2 on Fritz & lack of formal training IN forensics . . . .

PP. 3-4 on the way Wade ran his office. . . .

PP. 4ff He deals in detail with Oswald and the alleged paper bag.. . Troy West's testimony.. .and Dougherty. . . As DiEugenio continues he brings in Pat Speer's treatment of this issue beginning on page 7. Also cited is Griggs "No Case to Answer" and his take on the paper bag. I should review. . . P. 8 DiE cites work by Speer on the paper bag that I should review if I get into this specific aspect

### Early Evidence (Flow Sheets, P. 3)

evidence. . . DiE continues w/ the saga of the bag until p. 12. Makes interesting point: Quoting Roger Feinman who wrote (check w/ Hal's files) that the authorities only had Brennan to place Oswald on the 6<sup>th</sup> floor. . . and his testimony was so improbable that the authorities needed something stronger. . .so the paper bag was essential. . . .\*\*\* I might want to go with this. . . .

Also note to myself. . . .These same pages make a case for the DP coming down hard on Frazier. . . . . (My point is that in addition to Oswald the other suspect in the shooting was Frazier. . . .or at least he was initially treated that way. . . .Implied here is that the paper bag was all a construction to push Oswald into the frame. . . See pps 8-12. . . . And look into Griggs work on this. . . .

See my notes from DiEugenio on Bugliosi for Part 2 under "Oswald as Sole Suspect" on separate sheet. . . pages from DiE Part 2 are 9 & 10\*\*\* worth a review. . .
