SUBJECT: ASSASSINATION OF THE PRESIDENT

22

Lo - Oswald

Maxwell Ruby

Relative to the Director's question as to how long we estimate the investigation in this matter will take, we plan to have the report on this matter, and on the Jack Ruby matter, this Friday, 11/29/63.

The investigation in both cases will, however, continue, because we are receiving literally hundreds of allegations regarding the activities of Oswald and Ruby, and these, of course, are being run out as received. I think this will continue, and in the absence of being able to prove Oswald's motive and complete activities, we must check out and continue to investigate to resolve as far as possible any allegations or possibility that he was associated with others in this assassination. Likewise, we have to continue to prove the possibility that Jack Ruby was associated with someone else in connection with his killing of Oswald.

Conspiracy not off the books

All leads are being handled telephonically or by teletype, as they arise. We are continuing to work on the report today and tomorrow, and will have it to the Director on Friday.
