

Larisa,

Here is my response to the queries re: the manuscript of the Preface.

P. 1 paragraph one. Please remove the edited language "inconvenient facts that might suggest" and keep my assertion that it was a "ongoing conspiracy by the Warren Commission, the FBI and other government agencies to hide the fact that Dallas was the work of more than one lone gunman," (Aside: I have reviewed tens of thousands of govt. documents re: the JFK assassination and I have no doubt that JFK was the victim of a conspiracy. If there is blowback re: this assertion by reviewers so be it I will respond.

This is my one and only "bullheaded" response to your editing.

Query on end note 7. My bad. It should read as follows: For Hoover's statement see Rosen to DeLoach, 11/22/'66, 62-109060-4267, FBI JFK Assassination File.

After note 9 you have "Hoover apparently declined." He did. How about changing it to "Hoover declined Fortas' invitation."

Shine, perishing Republic, shine.

You guys in the rewrite business are pretty damn good. If I lived in Lawrence I'd invited the three of you out to dinner.

Best wishes
