Frederick, MD 21702

Dear Mr. McKnight:

This is in reference to your service order for photographic prints from the JFK Assassination Records Collection.

We have enclosed the prints that you requested, Warren Commission Exhibit 900 and Shaneyfelt Exhibit 24A. Please note that Warren Commission Exhibit 900 may have a copyright concern. We have a note in our files that indicates Associated Press has the copyright for this photograph. By law, NARA can provide single copy prints of the photographs in our collection for reference use. If a researcher decides to publish a photograph or use a photograph in a broadcast program, it is his or her responsibility to determine if the photograph is protected under copyright law.

Sincerely,

A handwritten signature in blue ink, appearing to read "Matt Fulgham".
