

Pixs For "Breach of Trust" are from
From Holly Avenues - Weisbug
Arlow

1. Bullet on Elm Street - Bullets found in
the crap - was it from TSBP or some other
place location. This was not the curbstone

Clay
Folder #1 - How many photos?

2. Curbs Stone photos Folder #2

Tom Dillard (identify) painting to look
in the curbstone where James Tague was
standing (location of weird)

3. The curbstone again it was patched -
guess this pic found in archive - picture
taken by Shank. Folder #2

NOT: Do I want a map of Ducley
plaza?

Houston Street, few seconds before the
fire got dangerous. Folder #4
6. SS Agent Clint Hill ~~reached~~ to Restroom
Jackie ~~found~~ the first fire hady on she was
Reed Reaching to ~~retrieve~~ a piece of her husband's
skull. This was seconds ^{retrieve} after the fatal head
shot.
7. Composite of JFK's shirt and Bullet hole,
the nick in his tie, and FBI photo of JFK's
collar. Folder #5
8. CS 395 - FBI picture of JFK's Tie. IT
was a scalpel not a bullet two accounts
for the ~~cut~~ cut.

9. This picture of JPA's shirt reveals
the original state of the tar were made by
tagged
a scapel and not an empty bullet.
Folder #5

10. Based on C.E. 399 (The "Magic Bullet")
showing a large crater. SA Robert Frazier
noticed that he scooped a sample from this
bullet. (See Coramini + Sempra alteration)
