that he shot officer Tippit. \*\*\*\*\* Interesting. . . why was he suspected of this shooting???

\*\* Note this is new to chron. Sheet. Copy found in EE Box2 folder 7.

11/22/'63 Drain says that call to Dallas for him to bring the evidence collected came at "about 8:00" assume CST. EE file, # 2) Also see Drain account in No More Silence. . 1/29/'64 BUT applies to 11/22 Shanklin to File 100-10461-2949 \*\*\*\*\* He notes that the evidence (calls it "material") was "so hastily sent to the Laboratory (BULAB) that we did not get a chance to review prior to its being forwarded. . . . the point here is the evidence was whisked away from the get-go but Dallas was the office of the crime and should have had access to the evidence for the purposes of overturning leads in the case. But since there was no real investigation this was muted. DFO was working from pictures of the evidence but many of the pictures were "not too good." EE File # 3\*\*\*\*\*

11/22/'63 Rosen to Belmont 62-109060-3, S 1) Notes that Shanklin reported that Dallas police on 11/22 had charged Oswald with the shooting death of Tippit. EE File # 4). Any time given???

Place for anything on Air Force One carrying LBJ back to WDC.(See AF-1 file)

11/22 Belmont to Tolson 105-82555-77 (S. 2) This puts Oswald right in the frame: Oswald being held for Tippit shooting. Belmont notes that FBI Dallas that Oswald was subject of Internal Security—R—Cuba case. Worked at TSBD . . . He left US and went to Russia. . . .Arrested in New Orleans for handing out FPCC. He drinks; beats his wife, who just had baby. This information Belmont received at 3:50 P.M. probably WDC time. \*\*\*\*\*Begs question: Why wasn't Oswald on S.I. and his name turned over to the FBI. (explanation: because he was a FBI source). We get into the whole business of Gale and the in-house investigation. (doc. # 5 of FBI Failure Oswald on S.I.) Box # 4, F. 5. Why alert on LHO removed. See DiEugenio on this.

11/22/'63 This is DeLoach to Mohr 6/4/'64 (62-111371-9) Hoover's account to Manchester. He tells author that FBI immediately entered the case w/out jurisdiction. Hoover pretends that LBJ did not him to take over the case (enter the

case) [might want to check Manchester's exact words] until later that night (11/22) at 7:25 P.M. while he was home watching TV. . .This was the arranged cover story . . .

11/22/'63 Belmont to Tolson (62-109060-1431) Time on this memo is 8:18 P.M. Belmont notes that the rifle is being sent to BuLab and Belmont wanted to get possession of the Oswald pistol. Notes too that LBJ wanted Hoover to solve the case. EE,File # 13.

- DeLoach to Mohr 6/4/'64 62-111371-9 Hoover's account of his interview with Manchester. Hoover tells M that FBI immediately entered the case despite no jurisdiction. Hoover pretends that LBJ did not ask him to take on the case until later that night (7;25 P.M) this was a cover story. Batch B, #8

11/22/'63 Oswald charged with Tippit murder 11/22 at 6:00 P.M. And Ass DA William Alexander authorized the filing of a complaint in the murder of JFK at 11:25 P.M. When was he formally charged???? Batch B, # 5(some confusion here on time).\*\*\*\*Note

11/22/ '63 Director to All Offices (62-109060-4) Hoover's first directive: Throw out the drag net---roundup all potential suspects. Orders for Day One. [source: Batch B , Doc. 1] Drag net for all offices. Attached 11/23 Director to All Sacs at about 12:30 P.M. Resume normal operations. . . as noted that Oswald was charged w/ JFK's murder and the shooting of Tippit. . .by the Dallas police.

11/23/'63 ASAC (Sylvester) to SAC of New Orleans (989-69-29) FBI Main New Orleans Oswald File) notes that drag net approach of 11/22 is called off. Focus now totally on Oswald as the assailant (no conspiracy). Notes at bottom of the

11/23/'63 Notes that SA Elmer L. Todd ( of WFO) has brought CE# 399/or Q1 bullet from stretcher. Evidence received from SA Orin Bartlett on 11/22/'63 . I will use Aguilar/Thompson article to shot this down . . .EE, File # 16

11/23/'63 Director to All SACs 62-109060-13 Drag net cancelled "in view of developments" which were Dallas police have developed Oswald as principle suspect since he was charged with JFK's death and Tippit murder. (Point here: I think it is in Hoover/Manchester where Hoover says that FBI developed all the evidence in the case. It was not the Dallas police, etc. See attached doc. for exact TIME.\*\*\*\*\*

11/23/'63 DeLoach to Mohr, (62-109060-228. S. 3) Notes at 11:25 A.M. Curry held news conference and slammed FBI for not divulging the background and whereabouts of Oswald (TSBD). . .Hoover went ballistic and demanded Curry retract which he did. File: Failure of FBI to place O on S.I. folder, # 8).

\*\*\*\*11/23/'63 Director to Att. General 62-109060-7, S. 1) copy to DAG (Miller) The FBI turned over to AG "results of our inquiry" into the assassination of JFK. [Query myself: Did Bobby ask for this?? Could be). Notes that additional info will follow when available. By 11/23 Hoover had settled on Oswald as assassin because the Dallas police had charged him with the crime. EE, File #8 Note that this was delivered to AG on 11/25 (Fait Accompli is the theme of these days 11/23-11/25). Note: Also to get the "politically correct" and mutually agreed upon "solution" to Dallas into the hands of the Attorney General (Bobby) who we know had his own suspicions. See DiEugenio Part 9 on Hoover & the Case.\*\*\*\*
