*I see hbt put
him up to this
hbt was with a
family*

I called the Attorney General at his home and told him I thought we had the man who killed the President down in Dallas at the present time. I stated the man's name is Lee Harvey Oswald; that he was working in the building from which the shots were fired that hit the President and the Governor; that apparently he left the building and a block or two away ran into two police officers and, thinking they were going to arrest him, shot at them and killed one of them with a side arm; that the rifle had been left in the building.

Went to see what camp
hbt

I told the Attorney General that we have had a case on Oswald as he has been involved in the Fair Play for Cuba Committee. I stated the Dallas police have him down at headquarters and I have our Agents there.

The Attorney General asked if Oswald is a communist. I said that he is not a Communist but has communist leanings. I related that Oswald went to Russia and stayed three years; came back to the United States in June, 1962, and went to Cuba on several occasions but would not tell us what he went to Cuba for. I stated he is a very mean-minded individual; that it is entirely possible he may have some communist sympathies but, so far as we know, is not a member of the Communist Party.

Did he ever see this -
or was he ever up for hbt

I told the Attorney General that, since the Secret Service is tied up, I thought we should move into the case.
