R.
Blinded -
Dark Sun

The idea of a preventive strike on Soviet Union was a common idea of support within the ~~ambitious~~ U.S. military since the early 1950s

Ike in his first term made clear that U.S. could not engage in a "preventive war" of the Russians.

Both McCarthy & Thomas Jones were disposed to ignore Eisenhower's stated position of ~~they suspected~~ Suspected the Russians were able to get their presumed attack off the ground regardless of Ike's stated policy

Soviet effort organized to face any U.S. invasion

Oct. 16, 1962 - When JFK learned of Soviet nuclear in Cuba - Ignored the 13 Day of the ~~Cuba~~ CRISIS -

Est. of Ex Com

U.S. military ordered (JCS) to air strikes on all military targets in Cuba (p. 4)

+ ground troops - to make the
base - JCS prepared a force of
\$2,000 -

U.S. Bomber force was now threatened by
the Soviet ICBMs ~~in their current~~
their were only 6 minutes they
from the Navy's bombers force -
